3. 2016 Year End Budget Amendments and Fund Balance Designation

The following memo was received from Derek Diederich, DPW Admin. Superintendent/Budget Director and Barb Miller, Accounting Manager/Assistant Budget Director.

After review of township operational budget accounts and the need to post some one time revenues and accrual adjustments, we recommend the following eleven (11) year-end adjustments and amendments for the Township Board's review and action.

One-Time Revenue Receipts 2016 Budget Year:

Waterford Township received a few 'one-time' revenues that need to be incorporated into the 2016 Budget. Waterford received a rebate from its General Liability Carrier – Michigan Municipal Risk Management Authority (MMRMA) in the amount of \$709,395 in 2016. While this is good news, this revenue source is a one-time adjustment made by our carrier to account for loss experience and required assets on hand compared against the insurance carrier's exposure as derived by their accountants and actuaries. In short, this is the type of revenue that cannot be considered permanent. As we have discussed previously we do not believe in attaching reoccurring annual expenses to one-time revenue events which is a conservative budgetary practice.

Additionally, the Township received some rebates through one of its health care companies (Blue Cross and Blue Shield) and some other smaller one-time rebates.

Township Board Budget Adjustment #1 Motion Requested:

General Fund Line Item 10101-68700 was originally budgeted at \$200,000. At this time, we would ask the Township Board to approve a budget adjustment to the Township's General Fund Revenue Line Item: 10101-68700 'Refunds and Rebates' of \$500,837 to recognize and receive these funds into the 2016 Budget as described above. Additionally, would recommend a Budget Amendment of \$208,558 to Water-Sewer Refunds and Rebates of \$208,558 to appropriate Water-Sewer's share of this rebate.

2016 Year End Budget Amendments and Fund Balance Designation Continued.

Moved by Joliat;

Seconded by Camilleri; RESOLVED, to approve a budget adjustment to the Township's General Fund Revenue Line Item 10101-68700, Refunds and Rebates, in the amount of five hundred thousand, eight hundred thirty-seven (\$500,837.00) dollars and to a Budget Amendment to Water-Sewer Refunds and Rebates, in the amount of two hundred eight thousand, five hundred fifty eight \$208,558.00 (dollars) to appropriate Water-Sewer; a roll call vote was taken.

Motion carried unanimously.

One-Time State Shared Revenue Timing Amendment:

Our auditors have recommended the Township post a one-time accrual adjustment related to State Revenue Sharing. This one-time adjustment is needed because of the timing change that started to occur when the State began disbursing these payments electronically versus the old conventional paper check format. Waterford is slightly out of sync in its format with respect to timing. This is truly a one-time and one time only catch up event to put the Township in sync with the State disbursement schedule. We have created a separate revenue line item in the General Fund to post this one adjustment so our trending in this category is not comingled. Therefore, we recommend the Board approve a budget adjustment of \$900,000 to line item 10101-57400.

Moved by Camilleri;

Seconded by Healy; RESOLVED, to approve a budget adjustment in the amount of nine hundred thousand (\$900,000.00) dollars to line item 10101-57400; a roll call vote was taken.

**Commitment of Township Resources on Financial Statements –
Board Resolution (Adjustment #2):**

In light of the 'one-time' revenues outlined above we believe, that the Township has an opportunity to commit some of the one-time resources above to Waterford's 'Budget Stabilization Fund.' You will remember that the Township Board created this Fund in 2013. The bond rating agencies (Standard and Poors, Moody's and Fitch) as well as our auditors like to see such allocations made. During our last Bond Rating Exercise in March of 2014 Standard and Poor's did take note of the Budget Stabilization Fund that was created by Waterford Township in the fall of 2013. We feel that a further contribution is in Waterford's best interest.

Bond Ratings are a good measurement of a municipality's financial health and also are very important when issuing debt to receive the most favorable interest rates and financing available.

The commitment of the funds takes a board action (resolution) to commit the funds. Also, if the funds were to ever be used in the future, a subsequent board action (resolution) would be required to utilize the funds. We have checked with our auditors and this action is permitted and

2016 Year End Budget Amendments and Fund Balance Designation Continued.

in the spirit and accordance with the Governmental Accounting Standards Board (GASB-54) rule. We believe that this move would be a sound and conservative action to take with one-time non-recurring revenues. We recommend that the Board allocate \$350,000 to the Committed Budget Stabilization Fund at this time. While not a large allocation considering the magnitude of the operations we believe this is a prudent and conservative action that merits consideration. Please see the attached Appendix A for the resolution that we ask the Board to consider regarding this recommendation at this time.

Moved by Camilleri;

Seconded by Joliat; RESOLVED, to approve an allocation in the amount of three hundred fifty thousand (\$350,000.00) to the Budget Stabilization Fund; a roll call vote was taken.

Township Board Budget Adjustment #4 Motion Requested:

We would also recommend that the Township Board make an increased transfer from its General Fund, Fund # (101) to its Improvement and Revolving Fund, Fund # (246). As a reminder, the (246) Improvement Revolving Fund is where the Township budgets and pays for many capital improvements. This fund does not have a reoccurring or dedicated revenue stream, so it is essential that whenever possible this fund be given an opportunity to help the community address its capital infrastructure and deferred maintenance needs. Historically, the Improvement Revolving Fund has allowed the Township to participate in the Tri-Party (Oakland County, Oakland County Road Commission and Twp.) road projects, Township Drainage issues, Streetlights, Sidewalk and other needed capital upgrades and repairs. The needs for capital improvements are vast and virtually without end and such items have been deferred; especially during the most recent recession. At this time, we recommend that the Township Board authorize a \$550,000 transfer from General Fund Expense line Item 19650-99911 to Improvement Revolving Fund Revenue Line Item 24601-67402. While this is a positive item we should keep in mind that public infrastructure projects can be very costly indeed and that the Township has deferred many projects over the past number of years.

Moved by Joliat;

Seconded by Camilleri; RESOLVED, to approve a five hundred fifty thousand (\$550,000.00) transfer from General Fund Expense Line Item 19650-99911 to Improvement Revolving Fund Revenue Line Item 24601-67402; a roll call vote was taken.

Township Board Budget Adjustment #5 Motion Requested:

We would also recommend that the Township Board make an increased transfer from its General Fund, Fund # (101) to its Cemetery Perpetual Care Fund, Fund # (209). The Township's five municipal cemeteries at some point will have ongoing maintenance and upkeep needs and no dedicated revenue stream to help meet these needs. At the end of 12-31-15 there was \$168,704 in this fund. We recommend an increased transfer of \$25,000 from General Fund Line Item 19650-99908 to Cemetery Care Fund Line Item 20901-67402 at this time.

Moved by Camilleri;

Seconded by Joliat; RESOLVED, to approve a transfer in the amount of twenty-five thousand (\$25,000.00) dollars from General Fund Line Item 19650-99908 to Cemetery Care Fund Line Item 20901-67402; a roll call vote was taken.

Ayes: Wall, Camilleri, Bartolotta, Healy, Joliat and Thomas
Nays: None
Absent: Birch

Motion carried unanimously.

Township Board Budget Adjustment #6 Motion Requested:

We would also recommend that the Township Board make an increased transfer from its General Fund, Fund # (101) to its Worker's Compensation Fund, Fund # (215). The Township conducts Public Safety (Police and Fire), as well as other services at the DPW in particular that can be considered hazardous. Having the proper set asides to address deductibles and self-insurance limits when/if these events happen is essential. Currently, our self-insurance/deductible is set at \$450,000 per occurrence. At the end of 12-31-15 there was \$681,436 in this fund. We recommend an increased transfer of \$25,000 from General Fund Line Item 19650-99918 to Worker's Comp Fund Line Item 21501-67421 at this time.

Moved by Bartolotta;

Seconded by Camilleri; RESOLVED, to approve a transfer in the amount of twenty-five thousand (\$25,000.00) dollars from General Fund Line Item 19650-99918 to Worker's Comp Fund Line Item 21501-67421; a roll call vote was taken.

2016 Year End Budget Amendments and Fund Balance Designation Continued.

Township Board Budget Adjustment #7 Motion Requested:

We would recommend that the Township Board authorize an increased transfer from the General Fund Line Item #12480-99901 to the (330) fund, line item #33001-67410 in the amount of \$50,000. If you remember the (330) fund was created to help set aside current dollars for future capital needs. The General Fund transfer to the 330 Fund are for future building, grounds or vehicle repairs, maintenance or acquisition in the General Fund category.

Moved by Joliat;

Seconded by Camilleri; RESOLVED, to approve a transfer in the amount of fifty thousand (\$50,000.00) from the General Fund Line Item 12480-99901 to the 330 Fund Line Item 33001-67410; a roll call vote was taken.

Ayes: Wall, Camilleri, Bartolotta, Healy, Joliat and Thomas

Nays: None

Absent: Birch

Motion carried unanimously.

Township Board Budget Adjustment #8 Motion Requested:

The Township Building Permits revenue line item was originally budgeted at \$190,000. We project a Year-End total to be closer to \$340,000 based on an uptick in related activities in 2016. Therefore, we request a budget amendment to increase and adjust the original budgeted amount by \$150,000. This corresponds to line item #10101-46300.

Moved by Joliat,

Seconded by Camilleri; Resolved, to approve a budget amendment in the amount of one hundred fifty thousand (\$150,000.00) dollars to Building Permits revenue line item 10101-46300; a roll call vote was taken.

Ayes: Wall, Camilleri, Bartolotta, Healy, Joliat and Thomas

Nays: None

Absent: Birch

Motion carried unanimously.

Township Board Budget Adjustment #9 Motion Requested:

The Township originally budgeted its State Shared Revenue line item at the State's initial projected number of \$5,704,956. We project the Year-end total to be closer to \$5,414,874; the state's original estimate appears to be off by an estimated \$290,082. We recommend a reduction to the General Fund's Revenue Line Item #10101-57401 by \$290,082.

Moved by Camilleri;

Seconded by Joliat; RESOLVED, to approve a reduction in the amount of two hundred thousand and eighty-two (\$290,082.00) dollars to line item 10101-57401; a roll call vote was taken.

Ayes: Wall, Camilleri, Bartolotta, Healy, Joliat and Thomas

Motion carried unanimously.

2016 Year End Budget Amendments and Fund Balance Designation Continued.

Township Board Budget Adjustment #10 Motion Requested:

The Township originally budgeted its legal expense line item in the General Fund at \$110,000. We project year-end 2016 expenses closer to \$226,000. Therefore, we recommend an increased allocation to General Fund Line Item #12480-84100 of \$116,000.

Moved by Joliat;

Seconded by Healy; RESOLVED, to approve an increase, in the amount of one hundred sixteen thousand (\$116,000.00) dollars to the General Fund's Revenue Line Item 12480-84100; a roll call vote was taken.

Ayes: Wall, Camilleri, Bartolotta, Healy, Joliat and Thomas

Nays: None

Absent: Birch

Motion carried unanimously.

Township Board Budget Adjustment #11 Motion Requested:

We would recommend that the Township Board authorize an increased transfer from the Fire Fund Line Item #20630-99901 to the (330) fund, line item #33001-67410 in the amount of \$100,000. If you remember the (330) fund was created to help set aside current dollars for future capital needs. The Fire Fund transfer to the 330 Fund are for future building, grounds or vehicle repairs, maintenance or acquisition in the Fire Fund category. The Fire Fund Year-End projected change to fund balance will permit this allocation. We have spoken to the Fire Chief and he agrees that this transfer is prudent and fits with the goal of attempting to replenish large capital items; most notably fire engines with this prefunding mechanism.

Thank you for your attention and careful consideration on these matters. Should you have any questions please feel free to contact our office at your convenience.

Moved by Joliat;

Seconded by Camilleri; RESOLVED, to approve a transfer, in the amount of one hundred thousand (\$100,000.00) dollars, from the Fire Fund Line Item 20630-99901 to the 330 Fund, line item 33001-67410; a roll call vote was taken.

Ayes: Wall, Camilleri, Bartolotta, Healy, Joliat and Thomas

and changes the terminology used for fund balance reporting on balance sheets of Governmental Funds, AND;

Whereas, the Charter Township of Waterford's Township Board has reviewed the new terminology, AND;

Whereas, the purpose of these committed funds would be to balance a subsequent budget in future years, or to meet the needs of a large unforeseen event.

Now, Therefore, Be It Resolved that the Charter Township of Waterford Township Board accepts the aforementioned recommendation.

4. 2016 Fiscal Year Budget Amendment – Clerk's Office – Elections

The following memo was received from Clerk Camilleri

After review of the Elections Department budget accounts there are two amendments necessary to balance the accounts. There is additional revenue to recognize and I am requesting additional funds to cover expenses over the budgeted amount.

1. Recognize additional revenue of \$5600.00 from the reimbursement of the Presidential Primary expenses.
2. Request \$11,600.00 in additional funds to the following line items:
 - a. 11910-70200 Salaries in the amount of \$6000.00
 - b. 11910-76000 Operating supplies in the amount of \$5,600.00.

Moved by Joliat;

Seconded by Bartolotta; RESOLVED, to receive additional revenue, in the amount of five thousand, six hundred (\$5,600.00) dollars, from the reimbursement of the Presidential Primary expenses. In addition, to approve additional funds in the amount of, six thousand (\$6,000.00) dollars, to Clerk-Election's line item 11910-70200 and five thousand, six hundred (\$5,600.00) dollars to Clerk-Election's line item 11910-76000; a roll call vote was taken.

5. Annual Rate Charge Under Ordinance Section 17-3838

The following memo was received from Township Attorney Gary Dovre.

Among the goals of the 2014 recodification of the Township's Code of Ordinances was to repeal provisions that were no longer needed or being utilized. It has come to my attention that Section 17-338 in Article V of Chapter 17 of the Code was such a provision that should have been repealed. That section reads as follows:

Sec. 17-338. Annual rate charge

The Township shall pay for all water used by it at the established rates for each hydrant connected to the system. Such rental may be paid in equal quarterly installments.

The ordinance history for Section 17-338 suggests it dates back to at least 1986 when it was Section 26.078 in that version of the compiled ordinances. According to information provided to me by the Township's Assistant Budget Director, the last year in which an amount was paid under this ordinance was in 1995, more than 20 years ago. Regardless of whether the Township Board at that time adopted a resolution establishing the hydrant rental rate at zero, all Township Board approved budgets since then have effectively done that.

In the absence of outstanding revenue bonds pledging water system revenues for repayment, in my opinion there is no Michigan law requiring the Township to pay for fire hydrant water use. Even if water system revenue bonds were outstanding so as to trigger some fire hydrant water use payment obligation, in my opinion there is no Michigan law that requires an ordinance provision such as Section 17-338 to be on the books.

With the above basic background, unless the Township Board wants to establish a rate to be paid to the water and sewer fund by some other Township fund for fire hydrant water use, Section 17-338 should be repealed by introduction at your December 12, 2016, meeting and adoption at your January 9, 2017, meeting of the enclosed ordinance.

My second recommendation is that at your December 12, 2016 meeting you adopt the enclosed resolution that pending repeal of the ordinance, establishes the fire hydrant water usage rate at zero, consistent with Township Board's authority to establish charges by resolution under Section 17-001 of the Ordinance Code.

CHARTER TOWNSHIP OF WATERFORD ORDINANCE NO. 2016-04

WATER HYDRANT CHARGE RESOLUTION

RECITALS:

A. Section 17-338 in Division 1 of Article V in Chapter 17 of the Waterford Charter Township Code, which was in the 1986 version of the Township's compiled ordinances as Section 26.078, provides as follows:

Sec. 17-338. Annual rate charge

The Township shall pay for all water used by it at the established rates for each hydrant connected to the system. Such rental may be paid in equal quarterly installments.

B. Considering that the last year in which a rate was paid under the 1986 and current versions of the Township's compiled ordinances, and the Township Attorney's opinion that Section 17-338 is not required under Michigan law, it should have been repealed during the 2014 recodification of the Waterford Charter Township Code.

C. On December 12, 2016, the Township Board introduced Ordinance No. 2016-04, to repeal Section 17-338 and scheduled that Ordinance for possible adoption on January 9, 2017.

D. Although Township Board approved budgets since 1995, including the 2017 budget approved on December 12, 2016, have not established or required payment of a rate for hydrant water use, Section 17-001 of the Waterford Charter Township Code now provides for the Township Board to establish charges by resolution.

IT IS THEREFORE RESOLVED, that pending the repeal of Section 17-338 and thereafter, to the extent this Resolution is required in addition to the Township Board approved budgets since 1995, the Township Board confirms and establishes the rate described in Section 17-338 as zero (\$0.00) dollars.

Annual Rate Charge Under Ordinance Section 17-3838 Continued.

CERTIFICATION

I hereby certify that this Resolution was adopted by the Charter Township of Waterford Board of Trustees at a regular meeting on December 12, 2016.

6. Procurement Policy

The following memo was received from Barb Miller, Accounting Manager and Assistant Budget Director.

Waterford is the recipient of both direct and indirect federal grants. New guidelines were recently established for these federal awards. In light of this, the Township's Procurement Policy has been revised to comply with these new standards. Section 8 has been added to the policy which incorporates key elements of the grant procurement guidelines and on page 4 a quick reference guide for federal grants has been added. When appropriate, comments have been inserted in other sections to highlight where federal policy may differ from the Township's policy.

Section 2 item 4, which relates to disposal of goods that are surplus in nature, has also been revised. Adjustments were made to the thresholds for disposal of these items so that lower value items are sold or scrapped in an efficient manner and while higher value items have a greater degree of review.

Procurement methods are covered in section 3. In this segment, a requirement has been added that items over \$75,000 will need fiscal review by the Budget Department before being presented to the

Ms. Nolte has volunteered to fill a vacancy on the Board of Review created with the recent resignation of long-time Board member Norris Miller. Mr. Miller sat on the Board of Review for a number of years and we are thankful for his service to the Township in this capacity.

In addition, they may meet to be advised on assessments, assessment appeals and to sign documents, certificates, affidavits, etc. The Board is also responsible, at its July and December sessions, to hear local appeals on approvals and denials of homestead exemption issues. The Board members participate in at least one training session each year.

In the current economy, the duties carried out by the members of the Board of Review are truly critical for both property owners and the Township. Both Mr. Guiseppe and Mr. West are knowledgeable and experienced in these areas. Ms. Nolte has recently become involved in residential rehab and has first-hand knowledge of what is required by homeowners to make such improvements. 23. Non-Profit Recognition – The Hero Foundation

The following memo was received from Gary Dovre, Township Attorney.

This letter relates to the above item that is on your December 12, 2016, Agenda for possible approval. The need for your Resolution recognizing The Hero Foundation as a nonprofit organization operating in Waterford for the purpose of obtaining a charitable gaming license stems from the first underlined phrase in the following definition of local civic organization in MCL 432.103(k)(ii).

"(ii) A local civic organization that is organized not for pecuniary profit; that is not affiliated with a state or national organization; that is recognized by resolution adopted by the local governmental subdivision in which the organization conducts its principal activities; whose constitution, charter, articles of incorporation, or bylaws contain a provision for the perpetuation of the organization as a nonprofit organization; whose entire assets are used for charitable purposes; and whose constitution, charter, articles of incorporation, or bylaws contain a provision that all assets, real property, and personal property shall revert to the benefit of the local governmental subdivision that granted the resolution upon dissolution of the organization."

The Michigan Gaming Control Board Resolution form presented for your approval is actually less restrictive than the "conducts its principal activities" standard in the statute in that it only calls for recognition of the organization as operating in the Township. With the registered office address of The Hero Foundation being in Waterford (see **attached** Corporate Entity Details from LARA), I see no legal problem with adopting the Resolution as presented. However, there is one aspect of this and prior charitable gaming license requests that have come to the Township that I wanted to bring to your attention.

As indicated in the 2nd phrase I underlined in the statute, for a local civic organization to qualify for issuance of a charitable gaming license, one of its corporate documents is supposed to provide for reversion of assets upon dissolution to the local governmental subdivision that grants the resolution. My reviews of prior charitable gaming license resolution requests have recommended revisions of corporate documents to meet the statutory standard. The thinking has been that if the Township knows the purpose of the resolution requested is to obtain a gaming license, it should not facilitate issuance of that license by the State to a non-compliant organization.

As with the prior requests, Sections 8.01 and 8.02 on page 12 of the Bylaws for The Hero Foundation do not satisfy the statutory standard. In my opinion, requiring revisions to those Bylaws to meet the statute would remain a defensible approach even though determining that compliance is the responsibility of the State, not the Township. However, there are reasons for not doing so.

Attached is the Michigan Gaming Control Board's Local Civic Organization Qualification Requirements. Although the definition of local civic organization from MCL 432.103(k)(ii), appears at the bottom of that document, Item #4 suggests that the State only requires the corporate documents to provide for reversion of assets upon dissolution to the local government that grants a resolution if the organization is not a 501(c)3 organization. I do not know the reasoning behind that distinction, which is not supported by the language in the statute. I do believe that most, if not all, of the gaming license applications that have come to the Township have been by 501(c)3 organizations.

Considering how the State is interpreting and administering the statute, it may not make practical sense, or be fair to applicants, for the Township to continue to require that corporate documents comply with the actual language of the statute. An additional reason for the Township no longer concerning itself with those documents is MCL 432.104a(2), which in extreme hardship conditions allows the State to waive one or more requirements of a qualified organization under MCL 432.103. Such a waiver could be of the local government reversion requirement.

If you are satisfied that The Hero Foundation is a nonprofit organization operating in Waterford and are content to leave determination of its qualification as a local civic organization to the State, a motion to adopt the Resolution as presented is recommended.

Non-Profit Recognition – The Hero Foundation Continued.

If you are satisfied that The Hero Foundation is a nonprofit organization operating in Waterford but want to make sure that the requirements of a local civic organization under MCL 432.103(k)(ii) are met before a charitable gaming license is issued by the State, a motion to adopt the Resolution as presented with direction that the Clerk not release it until the Bylaws have been amended to comply with the statute would be recommended.

The following letter was received from Katie Larsen, Founder & President, The Hero Foundation.

We are formally requesting to be recognized as a Non-Profit organization.

The Hero Foundation was started in 2009 in honor of Allan Knake, a survivor of pancreatic cancer. Allan is the father of Katie Larsen, the founder and President of The Hero Foundation.

Our purpose is to provide financial assistance to Michigan families suffering from cancer. In addition to financial help, we offer Thanksgiving dinners to all of our families as well as purchase and wrap all holiday gifts. Additionally, we are proud to send children who have been affected by cancer to overnight camps during the summer.

In order to qualify for financial assistance, we require the family to have children who are 17 years or younger still living in the house. Most of our families have lost their income due to a cancer diagnosis; we give these families the comfort in knowing they can concentrate on medicating the disease without having to worry about mortgages, utility bills, holiday gifts, vehicle payments, etc.

The all-volunteer Board of Directors on The Hero Foundation all have strong Michigan roots. Each of the (5) members on the Board graduated from Grand Valley State University. Two (2) of our Board members reside in Grand Rapids (Adam Henige, Jesse Jones) to which they focus on west Michigan families; one (1) member resides in Brighton (Bryan Funke) whom focuses on mid-Michigan families; the remaining two (2) Board members reside in Metro Detroit (Katie Larsen, Brad Conley) which focuses on families in the tri-county area.

The Hero Foundation has partnerships with Karmanos Cancer Institute as well University of Michigan Children's Hospital. It is an honor to go before the Board of Trustees to be recognized, officially, as a Non-Profit organization.

The following letter was received from Laura Patricia Slomzenski, La Mexicana #4

Below listed are answered questions of compliances you need.

Page 10-30

(1) Re: experience of applicant.

Applicant has 17 years in grocery and restaurant business, seven years with La Mexicana #2, and we opened La Mexicana #4 on Dixie Hwy 10 years ago. We have a Certificate of Good Standing from the State of Michigan. We have a good reputation and have opened a second location on January 31, 2016. My moral character and reputation are very good. I have no record anywhere of citations.

(2) I have the financial responsibility and ability to pay public and private debts. I have no debt, and this year, I was able to finance and stock this new location, La Mexicana #5 on Elizabeth Lake Road.

Page 10-31:

(3) We have passed all Health Inspections, Fire Safety, paid our taxes, and conform to zoning. We have a fire alarm and alarm for break-ins, and a Panic Alarm, all connected to Alarm Central.

(4) We are in compliance with applicable building, plumbing, electrical, mechanical and fire prevention codes, state laws and other Township ordinances, with regular maintenance and all work done by licensed workers.

(5)(i) The only liquor license we are award of in the near area is Russ's Party Store, which is next door. The owner of Russ's Party Store is planning on being with us at the board meeting and has no objection to our having on premise sales of beer & wine. We can tell you

- that our customers love the authentic Mexican food and have asked for beer in the restaurant. It is a nice quiet business area. That will not change with the addition of beer & wine on premises. The atmosphere in the store is warm and friendly.
- (ii) I do not know if the restaurants in this area have beer & wine, possibly Pontiac Country club. We are the only one of our type with a grocery store, meat market, and restaurant.
 - (iii) Most businesses in this area are close in size to ours, so there is a business that has a liquor license, the building size will be of similar size to ours, which is 2,000 sq. ft.
 - (iv) In the nearby area there are restaurants, but I don't believe they have a liquor license.
 - (v) We are unaware of any hotels or lodging facilities which also have restaurants, meeting room and banquet facilities.
 - (vi) The area is developed.
 - (vii) We believe there will be no impact on policing requirement.
 - (viii) Overall benefits of this establishment are the blend of all our services and goods, which would be enhanced with an on premise beer and wine license.
 - (ix) Another factor that may affect the health, safety and welfare or the best interests of the community in a positive way, is that with our diversity, it limits the number of places they have to go to shop or eat, limiting the amount of traffic.
 - (x) We know of no factors that may affect negatively, the health, safety and welfare or the best interests of the community.
- (6) We expect no adverse effect on the surrounding neighborhood and other business establishments.
- (7) We expect no additional expenditures of public funds. The building and business is established, and we have had our business there since January 31, 2016.
- (8) We expect no changes in regard to vehicular movement, and pedestrian movement is easy, and we have good and sufficient parking.
- (9) I managed La Mexicana #1 for 7 years and opened and now run La Mexicana #4 on Dixie Hwy. and opened La Mexicana #5 on January 31, 2016.
- (10) Business history speaks for itself. We have been successful with La Mexicana #4 store for 10 year and we opened our second store, La Mexicana #5 on January 31, 2016.
- (11) We have no history of any violations of any type, and we have not had liquor in the past.
- (12) We have supplied all information to the best of knowledge, and are truthful to the extent of our knowledge of other businesses.
- (13) This location is established. The amount of investment in the establishment is \$200,000.00.
- (14) The character of the establishment to be licensed is warm and friendly, and we expect no change to that. We expect to promote the character of the community, and expect that the addition of beer & wine will be favorable in terms of impact upon the welfare, service, land development and stability of the Township.
- (i) To the best of our knowledge, there are no hotels or motels with 150 or more rooms and a full service restaurant in the area.
 - (ii) There are no Assembly or Convention centers nearby.
 - (iii) There are no Food Service Facilities that are part of immediate proximate to, an office, service and/or commercial center complex under the guidelines established for each zoning district.
 - (iv) Our existing building and existing business is 2000 square feet, and we feel the addition of beer and wine on premises will enhance the experience for the local area of Waterford.
 - (v) This is not a hotel or lodging facility.
 - (vi) This is not supper club, more a place for groceries and a good quick lunch.
 - (vii) Capacity is 30 diners.
 - (viii) There is no bar area, just dining and groceries.

We are excited about this potential new addition to our services and know our customers will be happy. Our customers requested Lemonade, and we recently added the two new cold beverages (lemonade & an additional Mexican beverage, and they have been requesting beer with their lunch, so that's our next goal.

We think the board and the community will be pleased with how this addition will please the community.

We have tried to supply all the information you need. If you have any questions before the Board meeting, you may call me, and we will be happy to answer any questions at the Board meeting.

Ms. Adele Abraham, landlord of properties located at Dixie Highway (seating capacity of 50) and 4530 Elizabeth Lake Road (seating capacity of 31) advised the Board that she wants two (2) class C Liquor Licenses.

Moved by Camilleri;

Seconded by Joliat; RESOLVED, to postpone the request to apply for an On Premises Liquor License. Furthermore, to direct the Clerk to inquire with the State of Michigan, Liquor Control Commission if bring your own bottle license or a Tavern License would use an On-Premises license.
