I respectfully request the Township Board's approval for the appointment of Waterford residents JoAnn Kohler and Tracie McDonnell to the Library Advisory Board for three-year terms January 1, 2020-December 31, 2022. As you are aware, the Library Advisory Board is responsible for working with the Director to establish long-range planning and goal setting for the Township library operations.

Consent Agenda Continued.

Ms. Kohler has an extensive background in the field of Education and reached out to the Library Director last year to express interest in giving back to the Waterford community by serving on the Advisory Board. Beginning this summer, she attended Library Advisory Board meetings and has made valuable contributions. I recommend Ms. Kohler's appointment to fill the vacancy created when member Sheila Seaver resigned from the Board this summer.

Ms. McDonnell is passionate about reading, literacy, books, and most importantly, the role of public libraries in communities like Waterford Township. She is an active Waterford library patron and has experience serving on other community advisory boards and councils in the past. I recommend Ms. McDonnell's appointment to fill the upcoming vacancy at the end of John Whitson's first year as a Board member.

Both Ms. Kohler and Ms. McDonnell express support, enthusiasm, and a commitment to helping steer the Library in a positive direction to provide a full-range of services to the community. They each bring unique insights and I feel confident their contributions will be to the benefit of the Library and the Waterford community as a whole.

Joan Rogers, Library Director also supports these recommendations.

6.3 Capital Projects (330) Fund Allocation Resolutions

The following memo was received from Derek Diederich, Budget Director and DPW Administrative Superintendent and Barb Miller, Assistant Budget Director and Accounting Manager.

At the end of the 2015 Budget Sessions, the (330) Capital Project Fund concept was brought forward by your Budget Team. The Capital Project Fund can be utilized as a pre-funding instrument for future identified capital project needs. If you remember from the initial set up or in reviewing the 2020 Proposed Budget there are such arrangements for the General, Fire and Parks and Recreation Funds.

At this time, we are recommending the same type of Capital Project Fund be created in the Township's Police Fund; Fund Number (207). Going forward, you will see line item # 20730-99901 in the Police Department's expense list. The amounts designated and budgeted from year to year will flow to the (330) Fund with a Police Designation. Fund Balance Totals for the (330) Fund are available in the Township's (CAFR) – Comprehensive Annual Financial Report.

The concept of prefunding is straight-forward but we feel it is important and fits within our general conservative budgetary strategy. The main concept to keep in mind is to set aside, or prefund resources for future needs. Another concept that we are all too well aware of is that nothing lasts forever and that each year vehicles or facilities are used they diminish in value and will require refurbishing or replacing in the future. In short, it is easier to set aside a few dollars as you go rather than wait until assets are completely unusable. When possible this can also aide in the goal of reducing interest charges and create savings on capital item replacements.

The proposed Police Department Capital Project Fund allocations could be used for vehicles, building and essential systems such as the 911-Call Center or other specialized technology needs. As we know, these items are very costly and attempting to set aside a few dollars for such items can help take pressure off of the financing hardship in coming years. We ask that the board adopt Resolution #1 attached to this document for these purposes. The resolution is labeled as Appendix A and attached to this memo.

We respectfully request that the Township Board adopt the attached the resolution. It should be noted that by approving the funds as committed status via board resolution would take a future resolution to utilize these funds.

Thank you for your time and attention to these matters. Please contact our office should you have any questions.

Appendix A
(Police Department – Capital Project Resolution)

Resolution # 1 (Police Department Capital Facility, Equipment and Vehicle Fund Balance Classification):

A Resolution to approve the transfer and commitment of funds from the Police Fund to the Capital Project Fund in Accordance with GASB Statement No. 54.

Whereas, the Governmental Accounting Standards Board (GASB) has issued Statement No. 54 – Fund Balance Reporting and Governmental Fund Type Definitions, which redefines fund types and changes the terminology used for fund balance reporting on balance sheets of Governmental Funds, AND;

Whereas, the Charter Township of Waterford's Township Board has reviewed the new terminology, AND;

Capital Projects (330) Fund Allocation Resolutions Continued.

Whereas, the Township Board as part of its 2019 Budget in the Police Department Budget under line item 20730-99901 – Capital Project Allocation shall make the allocation outlined below for future use to benefit the department for the purpose of Police Vehicles, Equipment, Facilities/Grounds Improvements, or new Construction.

Whereas, the 2019 allocation for this purpose is \$850,000 to the Capital Projects (330) Fund. Future Budgets could be more, less or not at all as deemed appropriate and possible during the annual budgetary review process.

Whereas, the purpose of the prefunding or commitment of fund balance is to help offset the capital building, equipment and/or vehicle needs of the Police Department which will benefit Township residents and customers. Additionally, in future budgets should the Township Board make such an allocation to the aforementioned line item, those future funds are considered transferred from the Police (207) Fund to the Capital Project (330) Fund and committed for the aforementioned purpose(s) by having the allocation in the respective year's budget.

Now, Therefore, Be It Resolved, that the Charter Township of Waterford Board accepts the aforementioned recommendation.

Moved by Markee,

Seconded by Frasca, RESOLVED, to approve Police Department Capital Project Resolution to establish a 330 Capital Projects Fund and allocate \$850,000 for this to offset future capital request such as building, equipment or vehicle needs. A roll call vote was taken.

6.4 **2019 Recommended Year-End Budget Amendments and Fund Balance Designations**

The following memo was received from Derek Diederich, Budget Director and DPW Administrative Superintendent and Barb Miller, Assistant Budget Director and Accounting Manager.

After review of the Township operational budget accounts and the need to post some one time revenues and accrual adjustments, we recommend the following (2019) year-end adjustments and amendments for the Township Board's review and action.

One-Time Revenue Receipts for 2019 Budget Year:

Waterford Township received a few 'one-time' revenues that need to be incorporated into the 2019 Budget. Waterford received a rebate from its General Liability Carrier – Michigan Municipal Risk Management Authority (MMRMA) in the amount of \$612,118 in 2019. While this is good news, this revenue source is a one-time adjustment made by our carrier to account for loss experience and required assets on hand compared against the insurance carrier's exposure as derived by their accountants and actuaries. In short, this is the type of revenue that cannot be considered permanent. As we have discussed previously, we do not believe in attaching reoccurring annual expenses to one-time revenue events, which is a conservative budgetary practice.

2019 Recommended Year-End Budget Amendments and Fund Balance Designations Continued.**Township Board Budget Adjustment #1 Motion Requested:**

General Fund Line Item (10101-68700) was originally budgeted at \$200,000. At this time, we would ask the Township Board to approve a budget adjustment to the Township's General Fund Revenue Line Item: (10101-68700) 'Refunds and Rebates' of \$518,595 to recognize the General Fund portion of the refund and to adjust for some differences between budget vs. actual for smaller expected refund sources. Additionally, we would recommend a Budget Amendment of \$101,872 to Water-Sewer Refunds and Rebates (59003-68700) to approximate Water-Sewer's share of this rebate.

State Shared Revenue Amendment #2 Motion Requested:

As you know, this category has been significantly diminished when looking at long-term trending. We originally budgeted \$6,364,713 in revenue line item: (10101-57401). We expect year-end to be closer to \$6,100,000. Therefore, we recommend the Board approve a budget reduction adjustment of <\$264,713> to line item: (10101-57401) at this time.

**Commitment of Township Resources on Financial Statements –
Board Resolution (Adjustment #3):**

In light of the 'one-time' revenues outlined above, as well as analyzing year-end projected results we believe, that the Township has an opportunity to commit some of the one-time resources above to Waterford's 'Budget Stabilization Fund.' The Township Board created this Fund in 2013 as a set aside for large unforeseen events. The bond rating agencies (Standard and Poors, Moody's and Fitch) as well as our auditors like to see such allocations made. During our last Bond Rating review in March of 2014 Standard and Poor's did take note of the Budget Stabilization Fund that was created by Waterford Township in the fall of the prior year. Bond ratings are a good measurement of a municipality's financial health and are very important when issuing debt to receive the most favorable interest rates and financing available. We feel that a further contribution is in Waterford's best interest.

The commitment of the funds takes a board action (resolution) to commit the funds. Also, if the funds are to be used in the future, a subsequent board action (resolution) would be required to utilize the funds. We have checked with our auditors and this action is permitted and in the spirit and accordance with the Governmental Accounting Standards Board (GASB-54) rule. We believe that this move would be a sound and conservative action to take with one-time non-reoccurring revenues. We recommend that the Board allocate \$200,000 to the Committed Budget Stabilization Fund at this time. While not a large allocation considering the magnitude of the operations we believe this is a prudent and conservative action that merits consideration. Please see the attached **Appendix A** for the resolution that we ask the Board to consider regarding this recommendation at this time.

Township Board Budget Adjustment #4 Motion Requested:

We would also recommend that the Township Board make an increased transfer from its General Fund, Fund # (101) to its Improvement and Revolving Fund, Fund # (246). As a reminder, the (246) Improvement Revolving Fund is where the Township budgets and pays for its general government capital improvements. This fund does not have a reoccurring or dedicated revenue stream, so it is essential that whenever possible this fund be given an opportunity to help the community address its capital infrastructure and deferred maintenance needs. Historically, the Improvement Revolving Fund has allowed the Township to participate in the Tri-Party (Oakland County, Oakland County Road Commission and Twp.) road projects, Township drainage issues, streetlights, sidewalks and other needed capital upgrades and repairs. The needs for capital improvements are vast and virtually without end and such items have been deferred, especially during the most recent recession. At this time, we recommend that the Township Board authorize

2019 Recommended Year-End Budget Amendments and Fund Balance Designations Continued.

an increased \$625,000 transfer from General Fund expense line item 19650-99911 to Improvement Revolving Fund Revenue line item 24601-67402. While this is a positive item we should keep in mind that public infrastructure projects can be very costly indeed and that the Township has deferred many projects over the past number of years. These capital projects are mainly one-time in nature and related to repair, maintenance and technology needs.

Township Board Budget Adjustment #5 Motion Requested:

We would also recommend that the Township Board make an increased transfer from its General Fund, Fund # (101) to its Cemetery Care Fund, Fund # (209). The Township's five municipal cemeteries at some point will have ongoing maintenance and upkeep needs and have no dedicated revenue stream to help meet these needs. At the end of 12-31-18 there was \$292,193 in this fund. We recommend an increased transfer of \$150,000 from General Fund Line Item 19650-99908 to Cemetery Care Fund Line Item 20901-67402 at this time.

Township Board Budget Adjustment #6 Motion Requested:

We would also recommend that the Township Board make an increased transfer from its General Fund, Fund # (101) to its Worker's Compensation Fund, Fund # (215). The Township conducts Public Safety (Police and Fire), as well as other services at the DPW that can be considered hazardous. Having the proper set asides to address deductibles and self-insurance limits when/if these events happen is essential. Currently, our self-insurance/deductible is set at \$450,000 to \$500,000 per occurrence dependent upon employee classification. At the end of 12-31-18 there was \$777,041 in this fund. We recommend an increased transfer of \$75,000 from General Fund Line Item 19650-99918 to Worker's Comp Fund Line Item 21501-67421 at this time.

Township Board Budget Adjustment #7 Motion Requested:

We would recommend that the Township Board authorize an increased transfer from the General Fund Line Item #12480-99901 to the (330) fund, line item #33001-67410 using project code GENFD in the amount of \$75,000. If you remember the (330) fund was created to help set aside current dollars for future capital needs. The General Fund transfer to the 330 Fund is for future building, grounds or vehicle repairs, maintenance or acquisition in the General Fund category.

Township Board Budget Adjustment #8 Motion Requested:

We would recommend that the Township Board authorize an increased transfer from the Fire Fund Line Item # 20630-99901 to the (330) fund, designated to the fire capital line item #33001-67410-FIRE in the amount of \$850,000. If you remember the (330) fund was created to help set aside current dollars for future capital needs including vehicles and equipment. As you are well aware, vehicles in this category are very important, as well as very expensive and setting aside dollars when possible is financially prudent. This is the type of move that also would permit paying cash rather than financing such vehicles in the future.

Township Board Budget Adjustment #9 Motion Requested:

We would recommend that the Township Board authorize an increased transfer from the Police Fund Line Item # (20730-99901) to the (330) fund, designated to the police capital line item 33001-67410-POLIC in the amount of \$850,000. If you remember the (330) fund was created to help set aside current dollars for future capital needs including vehicles and equipment. As you are well aware, vehicles, technology (911 Systems etc.) and deferred building maintenance in this category are very important, as well as very expensive and setting aside dollars when possible is financially prudent.

2019 Recommended Year-End Budget Amendments and Fund Balance Designations Continued.

Township Board Budget Adjustment #10 Motion Requested:

The Township Building Permits revenue line item was originally budgeted at \$400,000. We project the Year-End total to be closer to \$460,000 based on an uptick in related activities in 2019. Therefore, we request a budget amendment to increase and adjust the original budgeted amount by \$60,000 to recognize the additional revenue. This corresponds to line item #10101-46300.

Township Board Budget Adjustment #11 Motion Requested:

Water and Sewer Revenue 59001-64500 was budgeted at \$6,184,977 and we project the year-end total to be closer to \$5,700,000. This is largely due to more rain in the spring and summer. Therefore, we recommend a budget adjustment of <\$484,977> to recognize the reduced revenue.

Township Board Budget Adjustment #12 Motion Requested:

Water and Sewer Revenue 59002-65012 (Charge Sewer Usage) was initially budgeted at \$16,950,000 and we expect the year-end total to be closer to \$17,600,000. This is largely due to this revenue line not being adjusted when the sewer pass-through occurred earlier in the year. Therefore, we recommend a budget adjustment of \$650,000 to recognize the projected revenue.

Township Board Budget Adjustment #13 Motion Requested:

As the board is aware, the Township is under a Corrective Action Plan (CAP) with the State of Michigan with respect to its Retiree Health Care System. Public Act 202 requires Municipalities to be at least 40% funded in this benefit category. The most recent actuarial study had the Township listed at 9.10% funded with a <\$154,420,183> Actuarial Assumed Liability (AAL). The Township has taken many steps in recent years to help address this category like closing the system to new hires, starting a trust to invest assets and receive some compound interest to help leverage against future costs and most recently completing a dependent audit among other steps. At this time, we are recommending an additional contribution into the health care trust in the amount of \$2,450,000, broken up from different funding sources listed below. While this alone does not solve this issue, it will be another step in the right direction. The breakdown of the 2019 proposed year-end supplemental retiree health care trust funding is as follows:

<u>Fund:</u>	<u>Object #:</u>	<u>Amount:</u>
General Fund	71350	\$586,124
Police Fund	71350	\$797,129
Fire Fund	71350	\$445,455
Water-Sewer	71350	\$398,565
Parks & Rec.	71350	\$ 93,780
Library	71350	<u>\$128,947</u>
Total:		\$2,450,000

2019 Recommended Year-End Budget Amendments and Fund Balance Designations Continued.**Township Board Budget Adjustment #14 Motion Requested:**

In operational year 2019, the Water and Sewer Fund (590) did not spend all of its resources in some capital lines. For that reason, there are some year-end adjustments on the expense side that need to be adjusted to help draw the initial budget closer to projected year end actual. The breakdown of recommended budget amendments are as follows:

<u>W&S Capital Line:</u>	<u>Revised Budget:</u>	<u>Projected Y.E.:</u>	<u>Requested Amd:</u>
59044-97106	\$258,669	\$128,000	<130,669>
59045-97000	\$908,500	\$80,000	<\$828,500>
59045-97010	\$779,575	\$400,000	<\$379,575>
59055-97000	\$150,000	\$230,000	\$80,000

Township Board Budget Adjustment #15 Motion Requested:

The Township's Retiree Health and current employee health lines are in need of adjusting. There are factors that influenced this need including the Township going to a self-insured model, not quite as many employees retiring than originally planned and some timing delays with hiring in the public safety departments. The breakdown of recommended budget amendments are as follows:

2019 Projected Current Employee Health Care Expenses:

<u>Health Care Line:</u>	<u>Revised Budget:</u>	<u>Projected Y.E.:</u>	<u>Req. Amd:</u>
11360-71100	\$214,055	\$175,000	<\$39,055>

12160-71100	\$64,384	\$47,750	<\$16,634>
12260-71100	\$28,083	\$10,000	<\$18,083>
12530-71100	\$34,194	\$22,000	<\$12,194>
12550-71100	\$64,016	\$71,000	\$6,984

2019 Recommended Year-End Budget Amendments and Fund Balance Designations Continued.**Township Board Budget Adjustment #18 Motion Requested:**

The Budget for 2019 included the purchase of two Fire trucks for the Fire Department. These trucks have been ordered but due to the long manufacturing lead-time involved in building them, they will not be delivered until 2020. For accounting purposes, it is therefore recommended that a transfer of \$935,000 be made from account 20630-99901 to Capital Project 33001-67410-Fire so that the purchase of these two trucks can be made using account 33090-97136-Fire.

Thank you for your attention and careful consideration on these matters. Should you have any questions please feel free to contact our office at your convenience.

Appendix A**Budget Stabilization Fund Resolution****Resolution # 1 - Budget Stabilization Fund Committed Designation:**

A Resolution to approve commitment of Fund Balance in Accordance with GASB Statement No. 54.

6.7 Purchase of Uninterruptible Power Supply

The following memo was received from Police Chief Underwood.

In 2018 we identified the need to replace the Police Department's uninterruptible power supply which has reached the end of its life cycle and is no longer supported by the manufacturer.

Our **uninterruptible power supply (UPS)** is an electrical apparatus that conditions power coming into our facility and provides emergency power to a load when the input power source fails. It provides instantaneous protection from input power interruptions, by supplying energy stored in batteries. The on-battery run-time of most uninterruptible power sources is relatively short (only a few minutes) but sufficient to start a standby power source or properly shut down the protected equipment. It is a type of continual power system.

These units are typically used to protect hardware such as computers, data centers, telecommunication equipment or other electrical equipment where an unexpected power disruption could cause injuries, fatalities, serious business disruption or data loss. In our case, the UPS supports our entire IT infrastructure, dispatch center, and a large portion of our facility, all of which are mission critical.

We requested, and received approval from this honorable board in the 2019 budget to replace our existing 40 KW/40 KVA UPS. We reached out to Graybar, a Michigan company that provides such a unit at governmental pricing through the US Communities co-op. They provided a quote for the UPS and additional necessary features totaling \$55,306.35, without shipping costs.

We then reached out to Power Technologies, Inc., a local vendor. They have recently provided these types of units to the following local organizations;

Macomb Intermediate School District
Dearborn Schools
City of Farmington Hills
City of Wayne

Power Technologies provided a quote for the same 40 KW/40 KVA UPS and additional necessary features totaling \$55,056.00 including shipping, which is at lower cost than even the US Communities co-op pricing. Each of these quotes includes a two year warranty and preventative maintenance contract.

Based on the information set forth above, we respectfully request this honorable body approve the purchase of the above described uninterruptible power supply (UPS), including additional necessary features and two year maintenance and warranty contract from Power Technologies, Inc. in the amount of \$55,056.00. Funds for this purchase are available in the Townships improvement revolving fund.

As always, if you have any questions please don't hesitate to contact me.

Moved by Markee,

Seconded by Frasca, RESOLVED, to approve the purchase of the uninterruptible power supply (UPS), including additional necessary features, two year maintenance, and warranty contract from Power Technologies, Inc. in the amount of \$55,056.00. 6.8 Resolution Supporting Local Cable Franchising & PEG Channels**Resolution Supporting Local Cable Franchising Including Public, Educational and Governmental (PEG) Access Channels**

WHEREAS, our streets and rights-of-way are public property, obtained and maintained at taxpayer expense; and

WHEREAS, cable companies may use the streets and rights-of-way for their cable systems to provide cable service to customers, but only after obtaining permission to use this public property for this purpose through a cable franchise agreement; and

WHEREAS, the Waterford Township cable franchise agreement includes important provisions to protect the community and its residents, including:

- Managing the cable systems under, over and in the streets to ensure minimal damage and disruption; safety codes are followed; and all types of public users (cars, pedestrians, utilities) can use the streets with the least interference;
- Requiring providers to repair the streets they harm and relocate facilities at their expense, if rights-of-way are rebuilt, straightened, widened, or otherwise improved in the public interest;
- Setting customer service standards, protections, and enforcement mechanisms; and

WHEREAS, the cable franchise agreement requires rental payments in the form of franchise fees to Waterford Township in return for the cable company's use of valuable public property for its cable system; and

WHEREAS, the cable franchise agreement requires that the cable company meet the community needs and interests by including non-financial franchise obligations, protected by Congress in the Cable Act since 1984, for services that include:

- Public Education and Government ("PEG") channels, including high-definition format and Video on Demand;
- Financial support for the capital expenses associated with the PEG channels; and

WHEREAS, on August 2, 2019, the Federal Communications Commission released a Third Report and Order (FCC 19-80) that allows cable companies to establish a market value for non-financial cable franchise obligations, including many of those listed above, and to deduct that amount from the franchise fees owed under the franchise agreement; and

WHEREAS, the Third Report and Order also exempts cable companies from complying with certain local requirements applicable to non-cable services and equipment such as small cells and other wireless facilities, creating a regulatory advantage for cable companies over their competitors; and

WHEREAS, the Third Report and Order undermines the Township's franchise agreements and rights-of-way management policies, proposes to subsidize commercial access to public property for private interests and removes longstanding community benefits, all of which harm our community and impact basic municipal services; and

WHEREAS, the Third Report and Order threatens a future action that would redefine PEG channel capacity as a franchise fee, which will result in a choice between preserving PEG channels or accepting further reductions in franchise fees.

NOW, THEREFORE, BE IT RESOLVED that Waterford Township opposes the findings in the Third Report and Order and opposes any other infringement on cable franchise fees, PEG access channels, or the other provisions of the cable franchise agreement including the Federal Communications Commission's proposal to allow cable companies to deduct the value of PEG channel capacity from their franchise fee payments; and

BE IT FURTHER RESOLVED, that a copy of this resolution be shared with our congressional delegation with a request that they communicate to the Federal Communications Commission their opposition to the proposed re-characterization of PEG channel capacity as a "franchise fee."

Resolution Supporting Local Cable Franchising & PEG Channels Continued.

6.9 Promote Mr. Justin Westlake to Waterford Township DPW F&O Superintendent

The following memo was received from Russell D. Williams, DPW Director.

The departure of Mr. Hugo Cardenas, Waterford Township DPW Facilities & Operations (F&O) Superintendent, in August of this year created an administration opening in the DPW. Mr. Joseph Ashley, Waterford Township DPW Water & Sewer Superintendent, and Mr. Dan Stickel, Waterford Township DPW Engineering Superintendent, had been covering the position up until Mr. Dan Stickel's departure in October. This additional vacancy has created an immediate need to fill the F&O Superintendent's position.

The recent job posting produced five internal candidates and five external candidates. A decision to interview the internal candidates before going to the outside was made. All five internal candidates did an outstanding job in the interview process, making the task of selecting a candidate difficult.

After careful consideration I feel, Mr. Justin Westlake has the experience, education and attitude to excel as a Waterford Township DPW F&O Superintendent. Mr. Westlake's career started in the Waterford Township DPW F&O as a part time lawn maintenance worker in the cemeteries in the year 2000. Continuing to work his way through the DPW passing several milestones such as the State of Michigan Master Electrician license, State of Michigan Drinking Water S1 license, State of Michigan Drinking Water D1 license and a Baker College Bachelor's Degree in Business Administration and Accounting in 2018. Mr. Westlake has continued to excel through several personal goals and every challenge the DPW has presented, positioning himself for an administrative opportunity.

Mr. Westlake will be appointed at a Management and Administrative Group, Grade 8 Step 1 with a step increase every 6 months until Step 5 is reached.

Promote Mr. Justin Westlake to Waterford Township DPW F&O Superintendent Continued.

It is with great pride Waterford Township DPW can promote an internal employee to the Management and Administrative Group. This will realize a return from the Waterford Township's tuition reimbursement program, and save training dollars while also encouraging other employees to strive to improve with an opportunity to advance in Waterford Township.

Waterford simply collects the Commercial Surcharge Fees and passes them on directly to Oakland County who ultimately passes them on to the Great Lakes Water-Sewer Authority. Waterford is obligated to charge all Commercial Customers these flat quarterly fees because Waterford is part of the “Clinton-Oakland” sewer system, and relies on the Authority for ultimate Waste Water Treatment and disposal. Waterford does not retain or realize any revenue from these charges.

WATERFORD TOWNSHIP PUBLIC LIBRARY

Director's Report – November 2019

FROM THE DIRECTOR

By the first of the year, we will be working through staffing changes that include promoting Heather Purdon to Library Aide Part Time, which will add 20 hours/week to the Technical Services segment of our department. Heather completed the Library Technician program at OCC to earn her certification. This is a requirement for the Library Aide position. Filling the Library Clerk Part Time position in Outreach Services, which she currently holds, will be our next priority. If filled internally we will be posting another vacancy shortly thereafter. We look forward to an interesting shuffle of staff.

Poetry Leaves 2020 is moving from the planning to implementation stages. The video portion of the project will expand to 3 interviews/readings by published poets from the Metro Detroit area. These will be posted on the Poetry Leaves Facebook page and the Poetry Leaves website as they are completed. The Exhibition's ribbon cutting will be on Wednesday, May 20 at 5:30p at Township Hall. It will run through June 3. The window to submit poems is from January 1, 2020 through March 27, 2020.

Friends of the Library will hold the final used book sale for the year on December 7 and December 8. The Book It planning committee has the 5k event for 2020 well in hand. Donations of proceeds from both of these fundraising sources so far this year has been \$16,690. Funds from the Friends are used to cover the costs of programs throughout the year, including the 6-week summer reading program for school age children.

Library Garden Club has had a very successful year. The rain garden added this year was a challenging and very satisfying project. It provided an educational experience for the gardeners, added enhancements to the grounds, and solved a long-standing drainage problem at the library's entrance. Plans for next year include planting trees in the islands in the parking lot to add shade as well as continue adding to the library's "curb appeal."

SERVICE UPDATES

The following Service Updates are highlights by our department heads of activities their staff have been involved in this month.

Adults', Outreach, & Teens' Services

Submitted by J. Hansen, Head of Adults' & Outreach Services

Lynne Varcoe applied for our library to participate in the statewide reading and discussion program called the Great Michigan Read for 2019-2020. The application was accepted. The book is *What the Eyes Don't See*, by Dr. Mona Hanna-Attisha, about the Flint water crisis. The program includes a giveaway of 12 copies of the book by random drawing to patrons who sign up for the discussion program.

Children's Services

Submitted by C. Walker, Head of Children's Services & Page Supervisor

During November, we finished our weekly storytimes for children ages 0-3 years of age before Thanksgiving. We had already begun seeing a slight decrease in attendance at the beginning of the month, which happens every year as the holidays approach.

We had three 1st grade classes from Oakside Scholars visit us. The teacher told us that many of the kids had never been in a library. Many of the students are residents of Pontiac.

Our Saturday programs were pretty busy with a superhero themed storytime, International Game Day, Diary of a Wimpy Kid party, Lego Club, and family movie.

Circulation Services

Submitted by J. Deahl, Circulation Services Coordinator

As of Saturday, November 9 Julie, Sharon and Rita are working their new or revised schedules.

The department's registration accuracy has continued to improve since I resumed sending out monthly statistical emails. There are several areas where staff tend to err. However, it is my hope that reviewing those portions in depth during our final department meeting of the year will help eliminate future occurrences of these mistakes.

MEMO

To: The Honorable Waterford Township Board
From: Gary Wall, Township Supervisor
Date: January 8, 2020
Re: Planning Commission – Appoint Colleen Murphy 

Recently, Planning Commission member David Hardin resigned from the Planning Commission for personal reasons. I thank David for his service to the Waterford community in this important role and wish him well.

At this time, I respectfully request the Township Board's approval for the appointment of Waterford Township resident Colleen Murphy to the Planning Commission to complete Mr. Hardin's current term through March 31, 2021.

The Planning Commission is responsible for:

- Developing, adopting, and overseeing the implementation of the Township's master plan.
- Monitoring the effectiveness of the zoning ordinance, and recommending ordinance revisions and amendments to the Township Board where necessary.
- Reviewing rezoning requests from property owners and making an approval or denial recommendation to the Township Board, which is responsible for making the final decision on rezoning requests.
- Considering and deciding requests from property owners seeking one of the special approval uses listed in the property's zoning classification.
- Reviewing site plans to ensure compliance with the zoning ordinance requirements and the goals and objectives of the master plan.
- Reviewing and discussing planning concepts and issues and their applicability to the current and future development of the Township.
- Assisting in the education of the general public on planning issues and concepts.

Ms. Murphy has served multiple terms on Waterford's Zoning Board of Appeals. Her knowledge, insight, and contributions have been beneficial in this role and I feel confident her success will continue going forward as a member of the Planning Commission. Colleen is a Landscape Architect by trade and is an active member of the Waterford community and Waterford Area Chamber of Commerce. Her experience brings unique perspective to the deliberations and decisions required of Planning Commission members.

Thank you for your consideration.

MEMO

To: The Honorable Waterford Township Board

From: Gary Wall, Township Supervisor 

Date: January 8, 2020

Re: Zoning Board of Appeals – Appointment Rick Schneider

As you are aware, at a meeting of the Township Board on January 13, 2020 I asked the Board to approve the appointment of Colleen Murphy the Planning Commission. Assuming a successful vote by the Board to approve this appointment, Ms. Murphy's department from the Zoning Board of Appeals creates a vacancy.

At this time, I respectfully request the Township Board's approval for the appointment of Waterford resident Rick Schneider to the Zoning Board of Appeals to complete Ms. Murphy's current term through March 31, 2020 and carry his appointment for three-years through March 31, 2023. Mr. Schneider has been serving as an alternate member of the ZBA for more than three years and wishes to continue in this role. With his experience in the construction trades and serving on the ZBA as an alternate, I believe he will continue to be an asset to the ZBA.

The Zoning Board of Appeals is responsible for:

- Hearing requests for variances from the non-use requirements of the [Zoning Ordinance](#), and granting such variances where practical difficulties exist.
- Conducting appeals of administrative actions made in carrying out or enforcing any Ordinance provisions.
- Hearing and deciding requests for interpretation of the Ordinance.
- Hearing and deciding appeals from the decision of the Planning Commission regarding special approval uses.

Thank you for your consideration.

MEMORANDUM

To: Board of Trustees

From: Stacy St. James – Development Services

Re: ***Flood Damage Prevention and Control Ordinance Amendment***

The enclosed proposed amendment to the Flood Damage Prevention and Control Ordinance in Article II of Chapter 8 of the Charter Township of Waterford Code of Ordinances proposes to delete Section 8-051. Actions not requiring permit.

This proposal is in response to a recently received communication from a representative of the Michigan Department of Environment, Great Lakes, and Energy (EGLE) regarding a Community Assistance Visit (CAV) originally conducted by the EGLE in 2013. The State conducts CAV's on behalf of the Federal Emergency Management Agency (FEMA). The purpose of the CAV is part informational and part audit of a community's performance in the National Flood Insurance Program (NFIP). Waterford participates in the NFIP, allowing flood insurance to be available for any property located within the Township. As a condition of participation, FEMA requires that the floodplain regulations be enforced. The current floodplain ordinance includes Section 8-051, which lists actions not requiring a permit. In order to meet NFIP requirements, ALL development within the floodplain needs to go through a floodplain review. There should not be any exemptions to the floodplain development in the ordinance. Therefore, it is being proposed to delete this section of the ordinance. The State has recently confirmed that this amendment would meet the requirements as requested. A "marked-up" copy of the proposed changes is included for reference.

If there are any questions with these requests, please feel free to contact me before the meeting.

Re: 2020 NO HAZ Program

In 2003, Waterford Township joined several northern Oakland County communities to create the North Oakland Household Hazardous Waste Consortium (NO HAZ). Through this cooperative effort, NO HAZ was able to provide residents of the participating communities a safe, reliable, environmentally responsible way to dispose of their household hazardous waste (HHW). We consistently receive calls and emails from residents wanting to know where to dispose of their HHW. There are no convenient, local locations which provide the same level of service that can be found at a NO HAZ organized collection event. Partnering with our neighboring communities to hold various HHW collection events throughout northern Oakland County is a great service to offer our residents. In addition, the goals of this program strongly correlate with other ongoing efforts we have in the Township, which include the Wellhead Protection program.

The vendor, which handles and processes the HHW for the events, indicated that due to the increased cost of skilled labor and extensive consolidation in the hazardous waste disposal market, the disposal costs have been driven up. For 2020, our estimated obligation has increased to \$26,467.45. As in previous years, it is being proposed to have the program costs funded through the following accounts:

59044-84500 - DPW Professional Services (\$13,233.72)
17470-96410 - Environmental Projects (\$13,233.73)

Attached you will find the 2020 Interlocal Agreement and associated Resolution.

THE NORTH OAKLAND HOUSEHOLD HAZARDOUS WASTE CONSORTIUM

WHEREAS, the northern cities, villages, and townships in Oakland County are committed to protection of the natural environment and preventing toxic materials from entering our waterways and landfill resources; and

WHEREAS, the improper handling and disposal of toxic and poisonous household chemicals also poses a health risk to our citizens; and

WHEREAS, recognizing there is a need to provide regular and easily accessible household hazardous waste collection services to North Oakland County residents; and

WHEREAS, collection events for household hazardous waste have become widely accepted as the best way to provide citizens with a safe method of disposal of these toxic and poisonous household chemicals, and for the communities to realize the economies of scale, and

WHEREAS, Oakland County, through its Waste Resource Management Division, has joined these northern Oakland County communities in creating the North Oakland Household Hazardous Waste Consortium (NoHaz), and

WHEREAS, the NoHaz Consortium has developed a household hazardous waste collection program, and

WHEREAS, a NoHaz Interlocal Agreement has been drafted to address necessary legal, liability, and responsibility issues for both the County and the participating communities, and identifies Oakland County's role in administering and managing the NoHaz program, and,

WHEREAS, the NoHaz Interlocal agreement establishes a NoHaz advisory board to assist and advise Oakland County in the development of the NoHaz program.

Now Therefore be it Resolved: That our community, Waterford Township, hereby approves the attached NoHaz Interlocal Agreement and authorizes its signature, and

Be it Further Resolved: That we will charge residents \$15 to participate in NoHaz events in 2020, and

Be it Further Resolved: That we hereby appoint Stacy St. James as our official representative to the NoHaz Advisory Board, to work with the Oakland County Waste Resource Management Division as needed to plan the NoHaz program for 2020.

I hereby certify that the foregoing is a true and complete copy of a resolution duly adopted by the Waterford Township Board, at a regular meeting held on January 13th, 2020.

CHARTER TOWNSHIP OF WATERFORD**

This Interlocal Agreement ("the AGREEMENT") is made between Oakland County, a Constitutional and Municipal Corporation, 1200 North Telegraph, Pontiac, Michigan 48341 ("COUNTY"), and the CHARTER TOWNSHIP OF WATERFORD, 5200 CIVIC CENTER DR, WATERFORD, MI 48329 ("MUNICIPALITY"). In this AGREEMENT the COUNTY and the MUNICIPALITY may also be referred to individually as "Party" or jointly as "Parties."

1. INTRODUCTORY STATEMENTS

- 1.1 The northern cities, villages and townships of Oakland COUNTY are committed to protection of the natural environment and preventing toxic materials from entering their waterways and landfill resources.
- 1.2 In order to accomplish this goal, there is a need to provide regular and easily accessible household hazardous waste collection services to north Oakland COUNTY residents.
- 1.3 These northern cities, villages and townships have sought the COUNTY'S assistance in coordinating a household hazardous waste collection program.
- 1.4 The COUNTY has agreed to assist these communities by coordinating and facilitating this AGREEMENT in order to form a comprehensive household hazardous waste management program.
- 1.5 This interlocal AGREEMENT will allow participating communities to obtain economic benefits of scale, without placing an undue burden on any one community, in the provision of a coordinated program of household hazardous waste collection and disposal. Residents of these communities will enjoy access to a coordinated, convenient, ongoing collection program supported by an aggressive educational program regarding the hazards of household hazardous wastes and their proper re-use and disposal.

2. PURPOSE OF AGREEMENT Pursuant to the Urban Cooperation Act of 1967, 1967 PA 7, MCL 124.501 *et seq.*, the COUNTY and the MUNICIPALITY enter into this AGREEMENT for the purpose of developing a comprehensive household hazardous waste management program ("Program") that will meet the following goals and objectives.

3. GOALS OF THE PROGRAM:

- 3.1 To provide regular, reliable and easily accessible household hazardous waste collection services to the residents of northern Oakland COUNTY. The Program will help prevent toxic materials from entering Oakland COUNTY'S waterways, water tables, and landfill resources and help to remove them from potentially hazardous situations in area households.
- 3.2 To establish, coordinate, and promote an educational program to inform residents about re-use, return, and reduction of potentially hazardous materials, bolster community spirit, and educate residents about environmentally sensitive behavior in general.

4. OBJECTIVES OF THE PROGRAM:

- 4.1 Increase public awareness of return, disposal, and source reduction options.
- 4.2 Initiate a reliable, regular, and convenient collection program for household hazardous waste collection;
- 4.3 Promote knowledge of program requirements;
- 4.4 Help divert significant quantities of household hazardous materials from landfills;
- 4.5 Help return significant quantities of potentially household hazardous materials to point of purchase or recycling outlets for proper disposition; and
- 4.6 Collect data about the amount and type of household hazardous materials in north Oakland COUNTY and their ultimate disposition.

NOW THEREFORE, in consideration of the mutual promises, obligations, representations, and assurances in this AGREEMENT, the Parties agree to the following:

- 5.14 **“PROGRAM HOST”** means any entity, public or private, which has agreed to allow the COUNTY, the PARTICIPATING MUNICIPALITIES, and the HAZARDOUS WASTE VENDOR to conduct a hazardous waste collection event on its premises.
6. **COUNTY RESPONSIBILITIES** Subject to the terms and conditions contained in this AGREEMENT, and applicable changes in law, the COUNTY shall carry out the following:
- 6.1 The COUNTY shall be responsible for development and operation of the Program and shall enter into contracts for the benefit of the Program. Such

contracts include, but are not limited to, a contract with the HAZARDOUS WASTE VENDOR.

- 6.2 The COUNTY, together with the NoHaz BOARD, will monitor the services and activities of the HAZARDOUS WASTE VENDOR in order to insure that all terms and conditions of the HAZARDOUS WASTE VENDOR contract are satisfied. The COUNTY will take whatever steps are reasonably necessary, in its sole discretion, to modify or correct a deficiency in the HAZARDOUS WASTE VENDOR service and/or to enforce or terminate the agreement in the event of default by the HAZARDOUS WASTE VENDOR.
- 6.3 The COUNTY shall be responsible for selecting dates and locations for hazardous waste collection services with the recommendation of the NoHaz BOARD.
- 6.4 The COUNTY, in consultation with the HAZARDOUS WASTE VENDOR and NoHaz BOARD, shall develop a COLLECTION SITE PROTOCOL for hazardous waste collection events within the MUNICIPALITY.
- 6.5 The COUNTY, in consultation with the NoHaz BOARD, shall formulate a survey to be filled out by MUNICIPAL residents upon their arrival at a scheduled collection event. This survey will require residents to provide their name and address (including street, city or township and zip code). Information gathered within this survey shall only be used for reasons directly related to the administration of the NoHaz program including, but not limited to, the calculation of HAZARDOUS WASTE COLLECTION COSTS for PARTICIPATING MUNICIPALITIES. Each NoHaz BOARD member shall have the right at any time to review the addresses of participants to verify all are located within the MUNICIPALITY. All personal identifying information collected from MUNICIPAL residents shall be regarded as confidential and will not be released by the COUNTY, the MUNICIPALITY or a NoHaz BOARD member except as required by law or court order.
- 6.6 The COUNTY shall provide educational support for the Program.

7. MUNICIPALITY'S RESPONSIBILITIES

- 7.1 Upon approval of this agreement, the MUNICIPALITY shall appoint a MUNICIPAL AGENT to the NoHaz BOARD to represent its interests. This Board member shall be available to assist the COUNTY, as necessary, in the administration of the program within the MUNICIPALITY.
- 7.2 Each MUNICIPALITY will provide MUNICIPAL AGENT(S) to work at each collection event as the Parties agree that many workers are needed to make each collection event run smoothly. The MUNICIPAL AGENT(S) provided shall assist the COUNTY and HAZARDOUS WASTE VENDOR in the set-up and operation of hazardous waste collection events. Such assistance may include, but is not limited to, traffic control, greeting residents, administering surveys, and accepting donations on behalf of the

Program. Under no circumstances will a MUNICIPAL AGENT accept, handle, dispose of, or otherwise come into contact with household hazardous waste. The MUNICIPALITY will provide the following numbers of MUNICIPAL AGENTS for each scheduled collection event based upon the most recent census figures available:

7.2.1 A MUNICIPALITY with a population of 30,000 or less will provide one MUNICIPAL AGENT at each scheduled collection event. A MUNICIPALITY with a population of 30,001 or more is required to provide two MUNICIPAL AGENTS at each scheduled collection event. One additional MUNICIPAL AGENT will be provided by each MUNICIPALITY for the collection event held at Oakland University.

7.3 In the event that a MUNICIPALITY fails to supply the required MUNICIPAL AGENTS to work at any given collection event, the MUNICIPALITY will be assessed the following fees based upon the most recent available census figures.

7.3.1 A MUNICIPALITY that had 125 participants or less at the 2019 NoHaz events will be assessed \$50.00 per collection event in 2020.

7.3.2 A MUNICIPALITY that had more than 126 but less than 401 total participants at the 2019 NoHaz events will be assessed \$125.00 per collection event in 2020.

7.3.3 A MUNICIPALITY that had 401 or more total participants at the 2019 NoHaz events will be assessed \$250.00 per collection event in 2020.

7.3.4 In the event a PARTICIPATING MUNICIPALITY that is new to the Program in 2020 fails to provide the required MUNICIPAL AGENT(S) at a scheduled collection event, the MUNICIPALITY will be assessed a fee of \$50.00 per event if it has a population of less than 10,000, \$125.00 per event if it has a population between 10,001 and 50,000, and \$250.00 per event if it has a population of 50,001 or more.

8. **MUNICIPAL AGENTS SHALL NOT BE DEEMED COUNTY EMPLOYEES** The Parties agree that no MUNICIPALITY AGENT shall be considered a COUNTY employee or COUNTY AGENT for any purpose under this AGREEMENT. The MUNICIPALITY agrees that it shall be solely and completely liable for any and all MUNICIPALITY AGENTS' past, present, or future wages, compensation, overtime wages, expenses, fringe benefits, pension or retirement benefits, travel expenses, mileage allowances, training expenses, transportation costs, and/ or other allowances of reimbursements of any kind, including, but not limited to, workers' disability compensation benefits, unemployment compensation, Social Security Act protections and benefits, any employment taxes and/or any other statutory or contractual right or benefit based on or in any way related to any MUNICIPALITY AGENT'S employment status.

The MUNICIPALITY agrees to indemnify and hold harmless the COUNTY from and against any and all CLAIM(S) which are imposed upon, incurred by, or which are based upon, result from, or arise from, or are in any way related to, any MUNICIPALITY AGENT'S wages, compensation, benefits or other employment-related or based rights, including, but not limited to, those described in this Paragraph.

9. **NEITHER THE COUNTY OR MUNICIPALITY SHALL HANDLE OR DISPOSE OF HAZARDOUS WASTE** Neither the MUNICIPALITY nor the COUNTY is responsible for handling or disposing of household hazardous waste. This function will be performed solely by the HAZARDOUS WASTE VENDOR.

10. **MUNICIPALITY MAY LIMIT PARTICIPATION OF RESIDENTS** If a MUNICIPALITY decides to limit the number of residents it will allow to participate at one or more collection events, the MUNICIPALITY will identify a method to limit such participation (which may include, for example, a voucher, pre-registration or other reasonable process). The MUNICIPALITY must communicate the process it intends to use to limit resident participation to the COUNTY in advance of a collection event to ensure smooth enforcement of this process and to allow the COUNTY ample time to communicate the process to potential resident participants in applicable advertising regarding upcoming events.

11. **PARTICIPATION FEES** A MUNICIPALITY may charge participating residents a fee to participate in NoHaz events. This fee will be collected by the COUNTY at the NoHaz events unless other arrangements have been made with the COUNTY in advance. The fee shall be \$10 or \$15 and the MUNICIPALITY will indicate via resolution whether or not a fee is to be charged, and if so, the amount.

12. **FINANCIAL RESPONSIBILITIES**

12.1 The COUNTY, subject to the terms of this AGREEMENT, will advance such funds as are necessary to pay the HAZARDOUS WASTE COLLECTION COSTS and ADMINISTRATIVE COSTS of the PROGRAM. The MUNICIPALITY shall repay the COUNTY in the following manner.

12.2 The MUNICIPALITY shall repay the COUNTY a percentage of the total ADMINISTRATIVE COST of the PROGRAM. The MUNICIPALITY'S share of administrative costs under the program shall be the sum total of two different calculations. The first calculation, based upon MUNICIPAL population figures, represents half of the MUNICIPALITIES share of ADMINISTRATIVE COSTS under the program. This figure shall be based upon total MUNICIPAL population compared to the overall population of participating MUNICIPALITIES program-wide. For purposes of illustration without limitation, if the MUNICIPALITY consists of 1,000 residents and there are a total of 10,000 MUNICIPAL residents served program-wide, then the MUNICIPALITY would pay 10 (ten) percent of this half of the PROGRAM'S total ADMINISTRATIVE COST. The

second half of the MUNICIPALITY'S total ADMINISTRATIVE COST shall be the percentage of total MUNICIPAL participation compared to the overall participation of residents program-wide. For purposes of illustration without limitation, if 1,000 MUNICIPAL residents participate in the program and there are a total of 10,000 MUNICIPAL residents participating program-wide, then the MUNICIPALITY would pay 10 (ten) percent of this half of the ADMINISTRATIVE COST.

12.2.1 If a MUNICIPALITY hosts a hazardous waste collection event as part of this program on municipally-owned property, the MUNICIPALITY shall be reimbursed by the COUNTY out of the program's administrative budget. The amount of money provided to reimburse a MUNICIPALITY for hosting a collection event shall be a set amount and will be determined by the NoHaz BOARD. Any expenses incurred by a MUNICIPALITY which are beyond the amount determined by the NoHaz BOARD to be appropriate for a collection event shall be the sole responsibility of the MUNICIPALITY.

12.2.2 The MUNICIPALITY shall also repay the COUNTY a portion of the HAZARDOUS WASTE COLLECTION COSTS. The HAZARDOUS WASTE COLLECTION COSTS will be all costs paid by the COUNTY to the HAZARDOUS WASTE VENDOR for collecting and disposing of a MUNICIPAL resident's hazardous waste material, less any fees collected at the NoHaz events for this purpose. The MUNICIPALITY may cap its HAZARDOUS WASTE COLLECTION COSTS by limiting the number of MUNICIPAL residents that may participate in collection events. The MUNICIPALITY shall advise the COUNTY of any such limitation upon MUNICIPAL resident participation.

12.2.3 The COUNTY shall submit an invoice to the MUNICIPALITY itemizing all amounts due under this AGREEMENT for its share of ADMINISTRATIVE and HAZARDOUS WASTE COLLECTION COSTS. The MUNICIPALITY shall pay the invoice submitted to the COUNTY within thirty (30) days after receipt of the invoice.

12.2.4 Except as expressly provided in this AGREEMENT, the COUNTY is not responsible for any cost, fee, fine or penalty incurred by the MUNICIPALITY in connection with this AGREEMENT.

13. MUNICIPALITY'S FAILURE TO PAY

13.1 If the MUNICIPALITY, for any reason, fails to pay the COUNTY any monies when and as due under this AGREEMENT, the MUNICIPALITY

agrees that unless expressly prohibited by law, the COUNTY or the County Treasurer, at their sole option, shall be entitled to setoff from any other MUNICIPALITY funds that are in the County's possession for any reason. Funds include but are not limited to the Delinquent Tax Revolving Fund ("DTRF"). Any setoff or retention of funds by the COUNTY shall be deemed a voluntary assignment of the amount by the MUNICIPALITY to the COUNTY. MUNICIPALITY waives any CLAIMS against the COUNTY or its Officials for any acts related specifically to the COUNTY'S offsetting or retaining such amounts. This paragraph shall not limit MUNICIPALITY'S legal right to dispute whether the underlying amount retained by the COUNTY was actually due and owing under this AGREEMENT.

- 13.2 If the COUNTY chooses not to exercise its right to setoff or if any setoff is insufficient to fully pay the COUNTY any amounts due and owing the COUNTY under this AGREEMENT, the COUNTY shall have the right to charge up to the then-maximum legal interest on any unpaid amount. Interest charges shall be in addition to any other amounts due to the COUNTY under this AGREEMENT. Interest charges shall be calculated using the daily unpaid balance method and accumulate until all outstanding amounts and accumulated interest are fully paid.
- 13.3 Nothing in this Section shall operate to limit the COUNTY'S right to pursue or exercise any other legal rights or remedies under this AGREEMENT against MUNICIPALITY to secure reimbursement or amounts due the COUNTY under this AGREEMENT. The remedies in this Section shall be available to the COUNTY on an ongoing and successive basis if the MUNICIPALITY at any time becomes delinquent in its payment. Notwithstanding any other term and condition in this AGREEMENT, if the COUNTY pursues any legal action in any court to secure its payment under this AGREEMENT, the MUNICIPALITY agrees to pay all costs and expenses, including attorney's fees and court costs, incurred by the COUNTY in the collection of any amount owed by MUNICIPALITY.

14. EACH PARTY RESPONSIBLE FOR ITS OWN ACTIONS UNDER AGREEMENT

- 14.1 Each Party shall be responsible for any CLAIMS made against that Party and for the acts of its Employees or AGENTS.
- 14.2 In any CLAIMS that may arise from the performance of this AGREEMENT, each Party shall seek its own legal representation and bear the costs associated with such representation including any attorney fees.
- 14.3 Except as otherwise provided in this AGREEMENT, neither Party shall have any right under any legal principle to be indemnified by the other Party or any of its employees or AGENTS in connection with any CLAIM.

14.4 This AGREEMENT does not, and is not intended to, impair, divest, delegate or contravene any constitutional, statutory, and/or other legal right, privilege, power, obligation, duty or immunity of the Parties. Nothing in this AGREEMENT shall be construed as a waiver of governmental immunity for either PARTY.

15. HAZARDOUS WASTE VENDOR INDEMNIFICATION OF THE MUNICIPALITY

15.1 The COUNTY shall require the following indemnification for participating MUNICIPALITIES within the HAZARDOUS WASTE VENDOR CONTRACT:

15.1.1 “The Contractor will protect, defend and indemnify the COUNTY, PROGRAM HOSTS, and all PARTICIPATING MUNICIPALITIES, together with their controllers, trustees, officers, agents, servants, volunteers, and employees from any and all liabilities, claims, liens, demands, and costs, of whatever kind and nature which may result in injury or death to any persons, and for loss or damage to any property, including property owned or in the care, custody or control of the COUNTY, PROGRAM HOSTS or PARTICIPATING MUNICIPALITIES in connection with or in any way incident to or arising out of the occupancy, use, service operations, performance, or non-performance of work in connection with this contract resulting in whole or in part from negligent acts or omissions of the Contractor, or any sub-contractor, or any employee, agent or representative of the Contractor or subcontractor.”

15.1.2 “The indemnification rights contained in this Contract are in excess and over and above any valid and collectible insurance rights/policies.”

15.1.3 “Contractor waives and releases all actions, liabilities, loss and damage including any subrogated rights it may have against the COUNTY, PROGRAM HOSTS, or PARTICIPATING MUNICIPALITIES based upon any CLAIM brought against the COUNTY, PROGRAM HOST, OR PARTICIPATING MUNICIPALITIES by a Contractor Employee.”

16. LENGTH OF AGREEMENT This AGREEMENT shall become effective at 12:01 A.M., January 1, 2020, and shall remain in effect continuously until it expires, without any further act or notice being required by either party, at 11:59 P.M. on December 31, 2020.

17. TERMINATION OR CANCELLATION OF AGREEMENT Once the agreement commences (as described in section 16 above), the parties may only terminate this AGREEMENT as provided below:

17.1 Either Party may terminate or cancel this AGREEMENT for any reason upon thirty (30) days' notice. The effective date for termination or

cancellation shall be clearly stated in the notice. If the MUNICIPALITY terminates this AGREEMENT after commencement of the program, it shall nevertheless remain liable for its share of the ADMINISTRATIVE COSTS and HAZARDOUS WASTE COLLECTION COSTS for the entire term of this Agreement.

17.2 The COUNTY may cancel this AGREEMENT at any time should the MUNICIPALITY “default” on any obligation under this AGREEMENT. “Default” is defined as the failure of the MUNICIPALITY and/or any MUNICIPALITY AGENT to fulfill any MUNICIPALITY obligations under this AGREEMENT. If time permits, but not otherwise, the COUNTY shall notify the MUNICIPALITY in writing of any default and provide the MUNICIPALITY with an opportunity to correct the situation. If after a reasonable period to cure the default, the MUNICIPALITY has not corrected the circumstances giving rise to the notice, the COUNTY may cancel this AGREEMENT and terminate the MUNICIPALITY’S further participation in this program.

18. **SUSPENSION OF SERVICES** Upon notice to the MUNICIPALITY and the NoHaz ADVISORY BOARD the COUNTY may immediately suspend this AGREEMENT if the MUNICIPALITY has failed to reasonably comply, within the COUNTY’S sole discretion, with federal, state, or local law, or any requirements contained in this AGREEMENT. The right to suspend services is in addition to the right to terminate or cancel this AGREEMENT contained in Section 17. The COUNTY shall not incur penalty, expense, or liability if services are suspended under this Section.
19. **LIMITATION OF LIABILITY** The Parties agree that the COUNTY used its best efforts and judgment when selecting a HAZARDOUS WASTE VENDOR for this program. The MUNICIPALITY agrees to waive any CLAIM(S) or liability against the COUNTY for any material defects, errors, mistakes, negligence, or omissions in the bid specifications, the bid procedure, the bid award process, the HAZARDOUS WASTE VENDOR contract negotiation process, the preparation or execution of the HAZARDOUS WASTE VENDOR contract, or any other errors or mistakes of fact by the COUNTY in the selection of the HAZARDOUS WASTE VENDOR. The MUNICIPALITY agrees that at all times and for all purposes under this AGREEMENT, the HAZARDOUS WASTE VENDOR relationship to the COUNTY shall be that of an Independent Contractor and not a COUNTY AGENT as defined herein. The MUNICIPALITY hereby agrees to waive any CLAIM(S) or liability against the COUNTY based in any manner upon any act or omission of the HAZARDOUS WASTE VENDOR.

(4.) The number of participants is estimated using the 2019 number of participants and adding 6%.

(5.) One or two people from each community are required to work at each of the collection events. These costs are not factored into this estimate.

Failure to provide a volunteer will result in charges as outlined in the Interlocal agreement. These costs are not factored into this estimate.

A representative from each community is also needed to attend meetings. These are held 1-3 times per year. Costs for this person are not factored into this estimate.

(6.) If additional communities join the program, additional collections may be necessary. This would be decided upon by the County and

NO HAZ Advisory Board, and would result in additional administration costs of approximately \$5,000 per collection.

(7.) Vendor imposes a 600 car minimum per collection event. In the event a collection has fewer than 600 participants, the difference will be split between all member communities using the formula that is used to determine the administrative fee.

RE: Engineering Proposal for Civic Center Drive Reconstruction Project

One of the approved projects for Budget Year 2020 was the reconstruction of the portion of the Civic Center Drive nearest and adjacent to Pierce Middle School. For the last few years the Township has been slowly repairing and replacing some of its parking lots and portions of the Civic Center Drive. The portions done up to now were at a maintenance point in their life cycle whereby the remedy employed was to mill down a few inches and recap the portions fixed. The North portion of the Civic Center Drive next to Pierce Middle School is in such a deteriorated state that the road needs to be completely reconstructed right down to the base layer. Please see the attached picture that outlines the proposed project scope.

With the magnitude of this project and what is needed from a design, survey, construction, and project management point of view the DPW has reached out to the Township's Engineering Firm and garnered proposals to handle the design, survey work, RFP bidding process and project management for this project. Please find enclosed a proposal from DLZ Engineering for professional services to oversee a project of this nature.

Recommended Board Action:

It is our joint recommendation that the Township Board Authorize the Township Supervisor to sign the attached proposal and to authorize the professional engineering expenditures of \$74,000 to line item: 24690-97010 – Capital – Infrastructure Preservation in the Township's (246) Improvement Revolving Fund. We have attached page 87 where this projected was budgeted for your reference.

We would also encourage the board to get the planning for this project started early in 2020, so that the design and Request For Proposal (RFP) can go out as expeditiously as possible to try to ensure this project is ready to go for the 2020 Road Construction Season.

Thank you for your time and attention to this matter. Should you have any questions please do not hesitate to contact our office.

Exhibit A: Standard Terms and Conditions

EXHIBIT A
DLZ'S STANDARD TERMS AND CONDITIONS

1. **INVOICE AND PAYMENT PROCEDURES:** DLZ shall submit invoices, once a month, at a minimum, to the CLIENT for Services accomplished during each calendar month.

The CLIENT hereby agrees that payment will be made for DLZ's Services within thirty (30) days from the date of the invoice; and, in default of such payment, hereby agrees to pay all cost of collection, including reasonable attorney's fees, regardless of whether legal action is initiated. The CLIENT hereby acknowledges that unpaid invoices shall accrue interest at 18 percent per annum after they have been outstanding for over thirty (30) days. If an invoice remains unpaid sixty (60) days after the date of the invoice, DLZ may, upon giving seven (7) days written notice of its intent to do so, suspend all Services on the CLIENT's project. This suspension shall remain in effect until all unpaid invoices are paid in full. If an invoice remains unpaid ninety (90) days after the date of the invoice, DLZ may, upon giving seven (7) days written notice of its intent to do so, declare CLIENT to be in breach of this Agreement and pursue its remedies for collection.

2. **CONSTRUCTION SERVICES:** Construction Phase Services are not intended to include exhaustive detailed inspections of contractor work but site observations to become generally familiar with and to keep CLIENT informed about the progress and quality of work. The Contractor is solely responsible for its compliance or noncompliance with the Contract Documents. If, under this Agreement, professional services are provided during the construction phase of the project, DLZ shall not be responsible for or have control over contractor means, methods, techniques, sequences, or procedures; or for safety precautions and programs in connection with the Work. Nor shall DLZ be responsible for the Contractor's failure to carry out the Work in accordance with the Contract Documents or for Contractor's failure to comply with applicable laws, ordinances, rules or regulations. Under no circumstances will DLZ have any direct contractual relationship with the Construction Manager, Contractor, any subcontractors, material suppliers or other consultants unless DLZ and the CLIENT expressly agree otherwise in writing. CLIENT agrees that DLZ will perform on-site construction observation for this project and that such services will not be performed by others.

3. **SUBSURFACE INVESTIGATION:** DLZ makes no representations concerning soil conditions unless specifically included in writing in this Agreement, and DLZ is not responsible for any liability that may arise out of the making or failure to make soil surveys, or sub-surface soil tests, or general soil testing.

4. **AGENCY REVIEW:** In the event that, due to a change in applicable laws or a change in the requirements or policies of a governmental agency after the date of this Agreement, additional office or field work is required, said additional work shall be paid for by CLIENT as extra work.

5. **SURVEY STAKING:** In the event that any survey staking is disturbed by an act of God or parties other than DLZ, the cost of restaking shall be paid for by CLIENT as extra work.

6. **MISCELLANEOUS EXPENSES:** The CLIENT shall pay the costs of checking and inspection fees, zoning and annexation application fees, assessment fees, soils engineering fees, soils testing fees, aerial topography fees, and all other fees, permits, bond premiums, title company charges, blueprints and reproductions, and all other charges not specifically covered by the terms of this Agreement.

7. **CHANGE OF SCOPE:** The scope of Services set forth in this Agreement is based on facts known at the time of execution of this Agreement, including, if applicable, information supplied by DLZ and CLIENT. DLZ will promptly notify CLIENT of any perceived changes of scope in writing and the parties shall negotiate modifications to this Agreement before commencement of any change in scope.

8. **SAFETY:** DLZ shall establish and maintain programs and procedures for the safety of its employees. DLZ specifically disclaims any authority or responsibility for general job site safety and safety of persons other than DLZ employees.

9. **REUSE OF PROJECT DELIVERABLES:** Reuse of any documents or other deliverables, including electronic media, pertaining to the Project by CLIENT for any purpose other than that for which such documents or deliverable were originally prepared, or alternation of such documents or deliverables without written verification or adaption by DLZ for the specific purpose intended, shall be at CLIENT's sole risk.

10. **OPINIONS OF CONSTRUCTION COST:** Any opinion of construction costs prepared by DLZ is supplied for the general guidance of the CLIENT only. Since DLZ has no control over competitive bidding or market conditions, DLZ cannot guarantee the accuracy of such opinions as compared to contract bids or actual cost to CLIENT.

11. **INSURANCE:** DLZ will maintain insurance coverage for Professional, Comprehensive General, Automobile, Worker's Compensation and Employer's Liability in amounts in accordance with all legal requirements and DLZ business requirements. Certificates evidencing such coverage will be provided to CLIENT upon request. For projects involving construction, CLIENT agrees to require its construction contractor, if any, to include DLZ as an additional insured on its policies relating to the Project. DLZ coverage referenced above shall, in such case, be excess over contractor's primary coverage.

12. **INDEMNITY:** To the fullest extent permitted by law, DLZ shall indemnify and save harmless CLIENT from and against liability and damages sustained by CLIENT, its employees, and representatives by reason of injury or death to persons or damage to tangible property to the proportionate extent caused directly by the negligence of DLZ or its employees.

13. **LIABILITY:** No employee of DLZ, its parent, subsidiary or affiliate companies, shall have individual liability to CLIENT. DLZ's total liability to CLIENT, and CLIENT's coverage under any of DLZ's insurance policies as an additional insured, if provided, for any and all injuries, claims, losses, expenses or damages arising out of DLZ's Services or this Agreement from any causes including, but not limited to, DLZ's negligence, error, omissions, strict liability, or breach of contract shall not exceed the total compensation received by DLZ under this Agreement. If CLIENT desires a limit of liability greater than provided above, CLIENT and DLZ shall include in the Agreement the amount of such limit and the additional compensation to be paid to DLZ for assumption of such risk.

14. **PREVAILING PARTY LITIGATION COSTS:** In the event any actions are brought to enforce this Agreement, the prevailing party shall be entitled to collect its litigation costs from the other party. Any litigation shall be governed by the laws of the state in which the Project is located. The sole venue for any lawsuit filed as a result of this Agreement is the county in which the project is located.

15. **AUTHORITY:** The persons signing this Agreement warrant that they have the authority to sign as, or on behalf of, the party for whom they are signing.

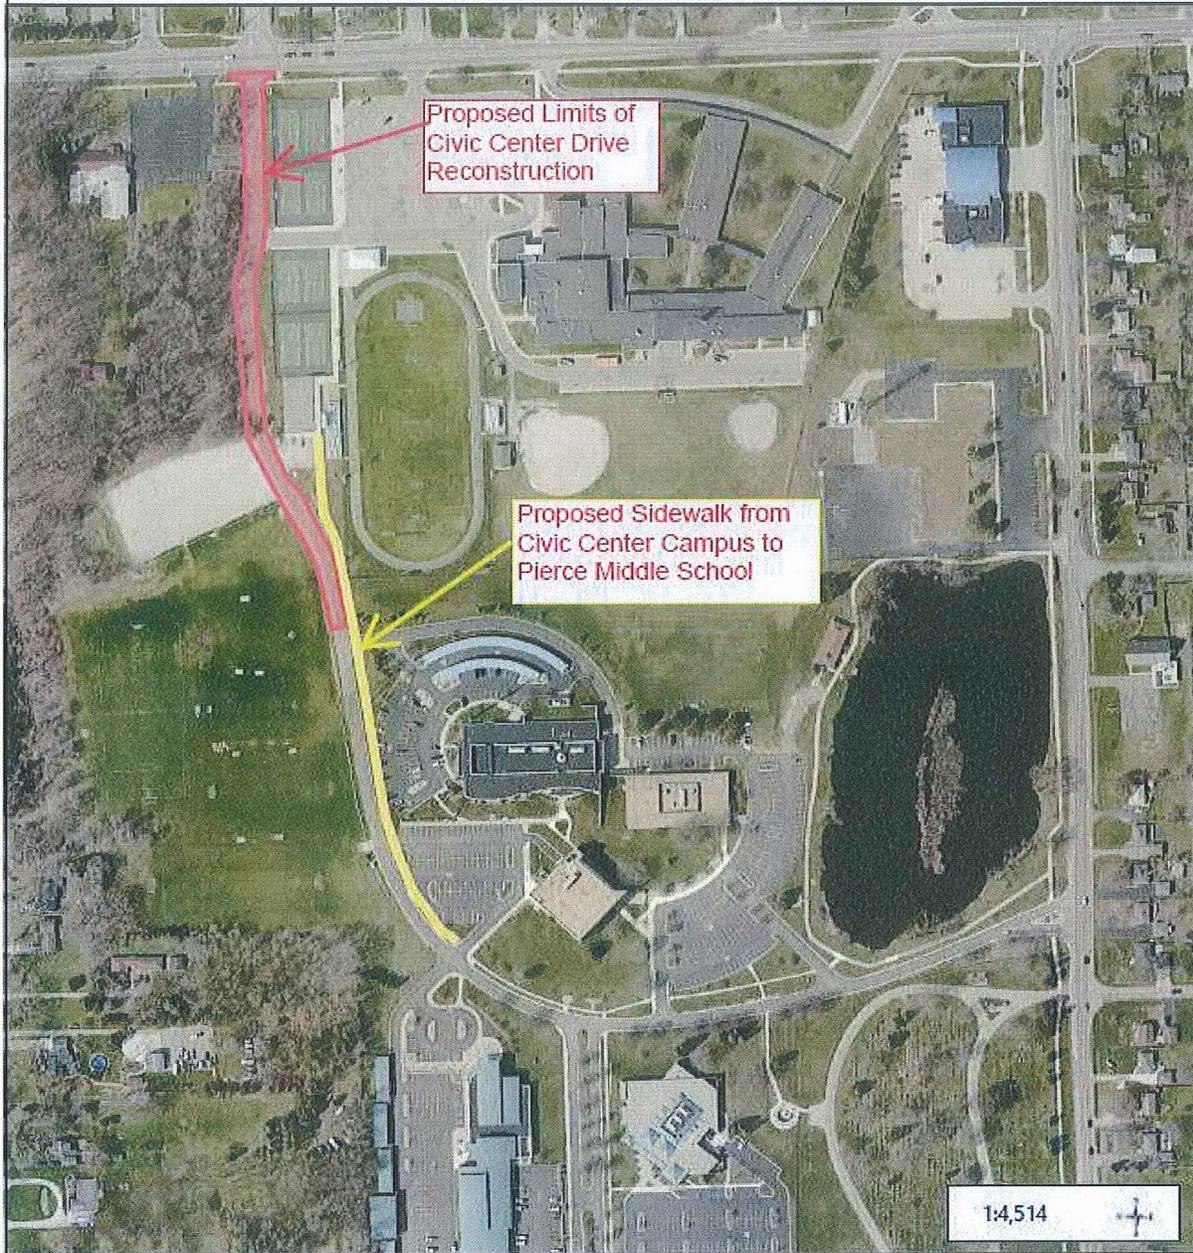

16. **STATUTE OF LIMITATIONS:** To the fullest extent permitted by law, parties agree that, except for claims for indemnification, the time period for bringing claims regarding DLZ's performance under this Agreement shall expire one year after Project Completion.

17. **SCHEDULE:** DLZ shall not be responsible for the Contractor's schedule or failure to carry out the Work in accordance with the Contract documents. DLZ shall not have control over or charge of acts or omissions of the Contractor, Subcontractors, or their agents or employees, or any other persons performing portions of the Work.

18. **SHOP DRAWINGS:** DLZ will review shop drawings solely for general conformance with design concept, and not for the purpose of reviewing or approving their accuracy, completeness, dimensions or quantities, constructability, performance, compatibility with other construction components, or their compliance with the requirements of the Contract Documents, such as Buy America requirements, all of which remain the responsibility of the Contractor. DLZ's review also is not for the purpose of reviewing or approving the Contractor's safety precautions or construction means, methods, techniques, sequences or procedures.

**CHARTER TOWNSHIP OF WATERFORD
RESOLUTION TO EXEMPT/OPT OUT THE CHARTER TOWNSHIP
OF WATERFORD FROM THE RTA COUNTY-WIDE MILLAGE,
OR TO ALLOW WATERFORD TOWNSHIP RESIDENTS
THE OPPORTUNITY TO VOTE TO OPT IN OR OPT OUT**

WHEREAS, the Regional Transit Authority OF Southeast Michigan (the “RTA”) was initiated in 2012 with the goal to manage and secure transportation resources, significantly enhance mobility options, improve quality of life for residents, and increase economic viability for the region; and

WHEREAS, the RTA’s vision is to create a region with sufficient and secure funding to support enhanced public transportation options that will ensure accessibility; satisfy the integrated mobility needs of the community; and promote livable, healthy, and sustainable growth; and

WHEREAS, Waterford Township is excluded from the core area flexible mobility service for the Regional Transit Authority of Southeast Michigan (RTA) Master Plan and therefore opposes the county-wide RTA proposal that continues to propose a tax to areas without benefit. The 2016 ballot proposal for the RTA to levy 1.2 mills was defeated. In 2018, two Counties did not approve a ballot proposal for a potential levy of 1.5 mills. Potentially, in 2020, a currently unknown tax rate, or as noted in HB 5229, a bill to amend 2011 PA 258 “up to 5 mills for a 20 year tax increase” is being considered. The proposed regional mass transit system does not connect or directly provide equitable beneficial services to Waterford Township residents or the region. RTA as proposed reflects inequality in terms of benefits as the RTA Master Plan benefits select communities in Oakland County; and

Potential Financial Obligation for Waterford Taxpayers

Millage Rate	Per Year	20 years
1 mill	\$2,229,262	\$44,585,240
1.2 mills	\$2,675,114	\$53,502,280
1.5 mills	\$3,343,893	\$66,877,860
2 mills	\$4,458,524	\$89,170,480
3 mills	\$6,687,786	\$133,755,720
4 mills	\$8,917,048	\$178,340,960
5 mills	\$11,146,310	\$222,926,200
Based on 2019 estimated Taxable Values		

WHEREAS, the Regional Transit Master Plan: "The Regional Transit Authority developed a master plan that focuses on building a regional transit system to better connect Wayne, Washtenaw, Oakland, and Macomb counties. This plan would provide a quick and seamless transit network across the region, enabling more people to access jobs and other services. The plan would also implement the regions first bus rapid transit lines along Woodward, Gratiot, and Michigan Ave, along with a Detroit to Ann Arbor rail line, in order to connect more people to more places in a timely manner". (from RTA website on December 12, 2019). However, Waterford Township is excluded from the core area, therefore, creating inequality in terms of benefits, if any benefit, from the RTA; and

WHEREAS, the majority of the excluded Waterford Township residents' mode of transportation remains their individual vehicles for which they are already paying individual costs and insurance; and

WHEREAS, Waterford Township's most critical public transportation needs are for our senior and disabled adult populations; and

WHEREAS, Waterford Township currently operates in partnership with other Western Oakland County communities, a regional transportation system for its qualifying residents at a much lower cost than what is proposed under the RTA plan. Waterford's participation in Western Oakland Transportation Authority (WOTA) currently costs \$300,000 -- \$185,000 from general fund, the balance from a combination of SMART credits and CDBG grant funding. Based on current taxable value, a 1 mill levy for Waterford Township equates to \$2,229,262. Therefore, Waterford's current transportation solution is equivalent to just 13.46% of 1 mill; and

WHEREAS, Waterford Township requests our Oakland County Executive and Oakland County Commissioners, the State Senate, and House of Representatives for fairness and equity for all of the proposed Oakland County communities including the excluded RTA communities and their ability to opt in or opt out by a vote of the local governing body or a vote of the residents of the community; and

WHEREAS, the Township supports the concept, and the decision of the communities that derive a direct benefit for the core area flexible mobility, and their choice to select the opt in option and assessing only the communities that opt in; and

WHEREAS, under 2011 PA 258, HB 5229, Section 7 (2) "A proposal for a tax shall not be placed on the ballot unless the proposal is adopted by a resolution of the governing body of each local government participating in the joint endeavor." This section should remain, without amendment in the act, as it protects and offers equality for all.

NOW THEREFORE, BE IT RESOLVED the RTA 20 year proposal did not pass by the voters in 2016 at 1.2 mills and the Township opposes the RTA ballot proposal being placed repetitively on a county wide ballot, possibly, at a higher rate, while continuing to exclude this Township with equitable direct services or a repetitive service at a higher tax rate.

BE IT FURTHER RESOLVED, the Oakland County administration must include an opt-out clause in the pending state legislative amendments, which would allow any of the excluded Townships in Oakland County that will not receive any direct benefit from the RTA plan, to opt-out and be considered exempt from the millage and the burdens it would create for the respective communities; and

BE IT FURTHER RESOLVED, the Board directs the Clerk to forward a certified copy of this resolution to the following: Oakland County Executive Coulter, the elected County Commissioner Representatives, the Governor, State Senator, State Representatives, State Transportation Committee, Northern and Western Oakland County Communities, Michigan Townships Association, SEMCOG Executive Director, SEMCOG Township representative, and Executive Director of the RTA, for the purposes of requesting the State and County to allow the Charter Township of Waterford the ability to opt-out of the RTA plan, or alternatively, to allow the residents of Waterford Township the right to vote on an opt-in or opt-out option.

CERTIFICATION

I hereby certify that this Resolution was adopted by the Charter Township of Waterford Board of Trustees at a regular meeting of the Board on January 13, 2020.
