Why do you wish to adopt the requested park? (i.e. location? particular feature of the park?)

My kids and I love the outdoors and history. We have worked over the past 3 years "building better areas" in outdoor spaces where I've taught them to value the environment. We keep little libraries full, pick up trash, & have even cleared trails. When I heard about the adopt-a-park program I knew it was exactly what we've been doing on our own but can now have a "home" park to make a better space.

How did you hear about the adopt-a-park program?
