

COMMUNITY GREENWAYS COMMITTEE MEETING

September 21, 2023 AGENDA

- Roll Call
- Approve Agenda
- Approve minutes from July 20, 2023
- Consider meeting bimonthly instead of our current schedule
- Waterford Community Greenways Committee has been granted 501(C)3 status by the IRS. If we want to proceed with this status here's what we have to do next:
 - Create a new entity and dissolve the advisory committee. This will take Township Board action.
 - Elect a Treasurer and open a checking account
 - Review the bylaws copied from the Friends of the Library, revise them as we deem necessary and adopt them.
- Discuss DNR Forestry Grant, we don't qualify because we are not "a disadvantaged community" but this is an example of a grant only to 501(c)3 organizations
- Discuss the mural project under Highland Rd
- All Else
