Anthony Bartolotta  
Honorable Board of Trustees  
5200 Civic Center Drive  
Waterford MI 48329

**RE; Addition of Flock OS-Plus – 3 Year Agreement**

Dear Mr. Bartolotta and Honorable Board Members,

Our partnership with Flock-Safety started in January of 2022 with the initial deployment of 8 License Plate Reader (LPR) cameras. We currently deploy 12 LPR cameras strategically located at key roadways and intersections for public safety and evidence collection, and expect to increase that number to 16 in 2026. We expect our Drone-First Responder (DFR) program to launch in the first quarter of 2026 as well.

We have had positive results using Flock-Safety technology to investigate and solve a variety of crimes. We see high utilization within our department by Officers, Detectives, and Dispatchers.

Our LPR technology is single-stream evidence collection, limited to select areas such as known criminal routes and high traffic roadways. LPR and other technologies has proven to increase the effectiveness of law enforcement agencies.

The effectiveness of our Flock partnership has been firmly established. Each new tool exponentially increases our value in the fight against local and transient criminal elements.

**Crime Trends Demand Urgent Solutions**

Michigan continues to experience rising vehicle theft, violence and property crimes, while national trends have returned to pre-Covid rates over the last five years.

**Public Safety Drives Economic Growth**

Communities that prioritize public safety are more attractive to families and businesses, supporting long-term economic development and community well-being.

*“to protect and to serve”*

### **The Regional Safety Landscape is Shifting**

As neighboring agencies adopt advanced safety technologies, crime can shift to less protected areas. Proactive investment in public safety is essential to stay ahead of these trends.

To that end, our next step is to add Flock OS-Plus to our existing technology. Flock OS-Plus provides video integration, map attachments, customizable and scalable from individual user-based operations.

**Increasing our partnership with Flock-Safety ensures we remain part of a network of aligned cities (Townships) and law enforcement agencies, creating a united front that strengthens public safety, not one that falls behind.**

#### Waterford Police – Existing Deployment

12 LPR Cameras  
3 DFR Drones (pending)

#### Projected Deployment Plan

##### **Detect**

- 16 LPR (+4)
- 10 Community Gateway, 16 streams each (+160)
- Flock OS-Plus

##### **Investigate AI**

- Enhanced LPR
- FreeForm Search

##### **Respond**

- Flock Aerodome DFR | 3 *Drones* + 3 *Docks* + *Radar to fly at 400ft*
- Flock 911

##### **Strategy**

To cement Waterford Township as a “Safe City” (Township) for years to come with;

Increased Situational Awareness  
Expanded Directional Intelligence  
Increased Apprehension

We have negotiated a 3-year agreement for Flock to provide the Flock OS-Plus platform at a cost of \$20,000.00 per year, including all product, services, and features. Flock OS-Plus allows for seamless integration of our existing Flock Safety technology as well as our other existing platforms such as AXON body worn and mobile video, CAD data, campus security video, and WSD video, to name a few.

This cost represents an overall negotiated discount of \$27,500.00. Funds for this expenditure are available in the Police Department's restricted-use federal drug forfeiture account. This is a permissible use of those funds as outlined in the Department of Justice Equitable Sharing Guidelines.

We respectfully request this honorable body approve this 3-year agreement, total cost of \$60,000.00, based on facts and information set forth above. As always, please do not hesitate to contact me if you have any questions.

Sincerely,

Scott Underwood  
Chief of Police
