RE: Petition by Frank and Eleonora Vago to Vacate Portion of Cottage Grove Street

Dear Township Board Members:

On January 28, 2019, you tentatively determined that this Petition may be granted and scheduled the public hearing required by the Ordinance for February 25, 2019. The Petition and my January 21, 2019, letter for that meeting has been provided for reference. As indicated in that letter, the Department reviews did not identify any objections.

After conducting the public hearing, if you are inclined to approve the Vagos' request, I recommend that you do so by a motion to adopt the attached Resolution as presented by the Township Attorney. You do not have to read the Resolution into the record.

If you decide against approving the request, you should do so by a motion to the following effect:

Motion to deny the Petition for the following reasons and direct the Township Attorney to present a Resolution at the March 11, 2019, that includes these reasons:

- 1.
- 2.

The reason for this approach is Ordinance Section 15-113(c)(1) that requires denials to be by a Resolution that includes the reasons for denial.

Very truly yours,

ROSATI SCHULTZ JOPPICH
