

**CHARTER TOWNSHIP OF WATERFORD
ORDINANCE NO. 2023-006**

ADULT USE MARIHUANA ESTABLISHMENT LICENSING ORDINANCE

An Ordinance to establish as a new Division 13 in Article III of Chapter 10 in the Waterford Charter Township Code, Adult Use Marihuana Establishment Licensing and Regulation Ordinance.

THE CHARTER TOWNSHIP OF WATERFORD ORDAINS:

Section 1 of Ordinance

The Waterford Charter Township Code is amended by adding Sections 10-310 through 10-328 in a new Division 13, Adult Use Marihuana Establishments, in Article III, Business Licensing, of Chapter 10, Business Regulations, Licensing and Registration to read as follows:

Division 13. Adult Use Marihuana Establishment Licensing

Sec. 10-310. Title.

This Division shall be known and cited as the "Adult Use Marihuana Establishment Licensing Ordinance."

Sec. 10-311. Purpose.

- (a) The purpose of this Division is to exercise the Township's authority under the Michigan Regulation and Taxation of Marihuana Act, Initiated Law 1 of 2018, MCL 333.27951 *et. seq.*, as amended to authorize and locally license, and regulate adult use marihuana establishments in the Township and provide for standards and procedures for the review, issuance, renewal, and revocation of licenses for such establishments; and establish fees for such licenses.
- (b) The Township intends to issue permits for and to regulate marihuana establishments to the extent they are permitted under the Michigan Regulation and Taxation of Marihuana Act, Initiated Law 1 of 2018, MCL 333.27951 *et seq.* The Township does not intend that permitting and regulation under this chapter be construed as a finding that such establishments comply with any law. By requiring a Township permit and compliance with the requirements of this chapter, as well as the zoning ordinance, the Township intends to protect the public health, safety and welfare by: promoting the safe, regulated sale and testing by state-licensed establishments of adult-use marihuana, and to ensure the safe access to adult-use marihuana to adults age 21 and older; discouraging the sale of unsafe and unlicensed marihuana products; preserving and protecting the health, safety and welfare of the residents of the Township and the general public by minimizing unsafe and unregulated marihuana sale; and establishing standards and procedures for the operation, and maintaining of an adult-use marihuana establishment.
- (c) The operation of a licensed adult-use marihuana establishment is a revocable privilege and not a right in the Township. Nothing in this chapter is to be construed to grant a property right for an individual or business entity to engage, obtain, or have renewed, a Township-issued permit to engage in the use, distribution, cultivation, production, possession, transportation, sale or testing of adult-use marihuana as a commercial enterprise in the Township.

- (d) Adult use marihuana establishments are a highly regulated industry in the Township. All licensees are assumed to be fully aware of the law. The Township shall not therefore be required to issue warnings before taking action to address violations of this Article.

Sec 10-312. Legislative Intent.

- (a) The intent in adopting this Ordinance is to authorize the best suited adult use marihuana establishments to be licensed to operate in the Township while attempting to minimize the negative impacts on public health, safety, welfare, and community resources from the growing, processing, transportation/storage, testing, and purchase/sale of marihuana by licensed establishments.
- (b) The intent of requiring an adult use marihuana establishment to also have a medical marihuana license is to recognize that it is best suited to the needs of the Township to have medical marihuana available for Township, which address the local impacts on the Township, its residents, and property owners from the commercialization of marihuana and to protect the public over marihuana establishment interests, which at all times shall be subordinate to the interests of the Township and public it serves.
- (c) As with any Township business license, a license issued under this Ordinance is a revocable privilege and there is no intention to confer a property right to operate, or obtain or retain a license to operate, an adult use marihuana establishment in the Township.
- (d) This Ordinance and any licenses issued under it are not intended to and do not provide any protection or exemption from federal law, under which marihuana is an illegal controlled substance, and the Township and its officials, employees, and agents shall not be construed as approving, encouraging, aiding or abetting the violation of that or any other marihuana related law based on actions and decisions under this Ordinance.

Sec. 10-312. Definitions.

- (e) Any Township Board approval or approval with conditions of a license for a facility shall expire after one (1) year or such later date as approved by the Township Board.
