1. Gas Station Liquor Licenses
  - a. LLC issues SDD and SDM licenses even though our ordinance does not allow alcohol sales at gas stations.
  - b. We do not have the resources to force compliance given the fact that the LCC has licenses these establishments
  - c. Consensus is to eliminate alcohol sales ban at gas stations from our ordinance
2. Reviewed and revised the Headlee Amendment Resolution that is on Board Meeting Agenda
3. Discussed State Revenue Sharing in preparation of a presentation at a Board Meeting by Rep. Jim Tedder
4. Single Day Trash Hauler does not address all problems relative to the issue. Single Trash Hauler would address the problems. Board will work towards that goal by addressing all situations that will be affected if we go with a single trash hauler
5. State considering ban on breed specific ordinance in municipalities. Waterford prefers to keep pit bull ban.
6. Meeting adjourned at 5:48
