Summary of the meeting minutes is below.

- Redeemer Church wants to use the former Parks and Recreation parking lot, on Crescent Lake Rd, for four Sundays in April and May from 8:30 a.m. – 1:00 p.m. The taxpayers own the lot. Gary will check with Arlene and Mark to verify MMRMA is okay with this. There were no objections.
- Plante Moran letter to the Board was briefly mentioned to see if anyone had any concerns. There were no concerns. The Audit Team from Plante Moran is expected to start April 15.
- Gary Wall submitted a detail analysis of the recycle bins located in the Township at 19 various locations including school parking lots. Several board members observed some bins as well, and only one located at Cooley was observed to have papers stacked all around the outside of it.
 - The schools have removed all bins from their locations.
 - Possibly put one bin at the Waterford Recreation Center located on Williams Lake Rd.
 - Possibly negotiate this service for our residents with the single source trash hauler.
