The meeting started at 1:00 p.m. using GoToMeeting due to COVID-19 in accordance with the Michigan Governor's Executive Order 2020-48 and the social distancing requirements with Michigan Governor's Executive Order 2020-59.

A discussion opened about the draft marijuana ordinance and what the criteria should be to determine who would be allowed to obtain licenses. Attorney Dovre discussed some of the criteria as to what should be on the list in order of priority. It was determined the order of priority will be reviewed at a later date.

The draft ordinance was reviewed and discussed including; definitions, care givers, measuring the distance between property lines, lot line to lot line by public travel route was suggested by Supervisor Wall, security, hours of business operations, and no loitering allowed around the businesses. There is no requirement for a public hearing. 500' from residences, churches, schools, daycare centers, for all licenses except growers are 750' no exception. Five lane buffer was also suggested by Trustee Bartolotta. Attorney Dovre will provide a revised ordinance to the Board and highlight the changes. Another work session will be required to review the changes.

Meeting adjourned at 4:19 p.m.

Kim Markee, Clerk
