5. New Business**APRA Phase IV Funding - Pedestrian Overpass M-59 Near Clinton River Sewer Station**

The following memo was received by Mr. Justin Westlake, DPW Director.

As the Board is aware Waterford Township was awarded \$9,280,012 of American Rescue Plan Act funds from the federal government. The distributions were scheduled to come in two parts. In May of 2021, the Township received one-half of the allotment and the second allotment was received the following year. Waterford is categorized as an entitlement community with an award under \$10 million and therefore can use the funds to provide general government services. With the understanding that these dollars are one-time in nature, the focus has been to catch up on deferred maintenance and public infrastructure that would benefit our entire community.

As a Board, we have discussed the potential uses of these funds and there has been a consensus to approach the budget and allocation process in multiple main phases. The list below represents the Phase I, Phase II, and Phase III project list previously approved, as well as the Phase IV proposed list at this point in time.

Proposed Phase I Projects:

Project #1: Main Street Water Tank Repaint: \$1,200,000

Project #2: Parks and Recreation – Deferred Maintenance and Facilities Improvements: \$1,000,000

Project #3: Sidewalks/Pedestrian Pathways: \$1,000,000

Project #4: Subdivision Roads – Special Assessment Districts (SAD) Twp. Contribution: \$1,000,000

Project #5: Hawk Pedestrian Crosswalk (Williams Lk. Rd. near Pontiac LK.) - \$125,000

Note: 3rd Party Consultants & 5% Contingency: \$374,200

APRA Phase IV Funding - Pedestrian Overpass M-59 Near Clinton River Sewer Station Continued.

Sub Total Phase I ARPA: \$4,699,200

Proposed Phase II Projects:

Project #6: Increased funding for Sidewalks/Pedestrian Pathways: \$1,000,000

There are 189 miles of pedestrian pathways in the Township. In 2017 a study was conducted that recommended \$3.7 million in remediation was needed. In 1986, Waterford's dedicated sidewalk millage was not renewed and therefore the Township has struggled with reoccurring funds to address this large asset category. Dollars in this area will help address some of the most distressed areas and aid in Waterford becoming more walkable for all citizens to enjoy.

**Project #7: Increased funding for Subdivision Roads: Special Assessment Districts (SAD)
Twp. Contribution: \$1,000,000**

The roads in the Township are the legal responsibility of the Road Commission of Oakland County (RCOC). However, there is a broad consensus that these roads are in desperate need of repair and redress. The Township is looking to help and encourage residents by matching up to 10% of the cost of projects, while funding lasts, to support neighborhood SADs.

Sub Total Phase II ARPA: \$2,000,000

Proposed Phase III Project:

Project #8: Riverwalk Wood based Bridge in Drayton Plains Nature Center: \$2,000,000

This project will connect the Drayton Plains Nature Center to Crescent Lake Road making the Riverwalk System a much more contiguous and connected amenity for the community.

Sub Total Phase III ARPA: \$2,000,000

Proposed Phase IV Project:

Project #9: Reconstruct and remediate the pedestrian overpass on the south side of M-59 nearest Clinton River Sewer Station and Buffalo Wild Wings Restaurant.

Waterford Township was notified by Michigan Department of Transportation (MDOT) that the pedestrian overpass is in need of reconstruction/repair. To that end, our DPW and Budget Team reached out to Hubbell, Roth and Clark, Inc. (HRC). You will find two attachments to this memo that I would like to draw your attention towards. The first is dated October 2nd 2023 and lays out the Engineering Proposal for this project. The Engineering Estimate is \$105,750. The second memo from HRC is dated August 7th, 2023. This memo describes the condition analysis that was conducted and the potential remedies. HRC, the DPW Director, Budget Team and myself all recommend Option B at this time. This option of reconstruction and remediation will render an additional 15 to 20 years of useful life on this Township asset.

Sub Total Phase IV ARPA: \$575,000

Board Requested Action:

Approve the Waterford Township Phase IV ARPA project as outlined in this memo for an estimated \$575,000 as described above. Authorize the budget department to make the required budget amendments into the Township's Financial System.

Additionally, approve the Township Supervisor to sign a Purchase Order to HRC Engineering Inc., for \$105,750 for the Engineering Services related to the M-59 Pedestrian Overpass.

APRA Phase IV Funding - Pedestrian Overpass M-59 Near Clinton River Sewer Station Continued.

As a recap:

Phase I Allocation was	\$4,699,200
Phase II was	\$2,000,000
Phase III was	\$2,000,000
Total	\$8,699,200

This leaves a balance of \$580,812 to be allocated prior to 12-31-2024 to take full advantage of the ARPA award to the Township. The Phase IV approval effectively allocates the Township's ARPA Allocation. There will undoubtedly be some small adjustments that may prove possible as project totals are finalized.

Thank you for your time and careful consideration of these matters. Should you have any questions, please contact me.

Moved by Markee,

Seconded by Bartolotta, RESOLVED, to approve the Waterford Township Phase IV ARPA project as outlined in this memo for an estimated \$575,000 as described above. Authorize the budget department to make the required budget amendments into the Township's Financial System. WHEREAS, Section 1 of 2006 Public Act 480 defines the types of entities considered providers of video service through facilities located at least in part in the public rights-of-way without regard to delivery technology, including internet protocol technology; and

WHEREAS, House Bill 4965 was introduced by State Representatives Andrews, Conlin, Morse, Weiss, Wilson, Haadsma, Farhat, Glanville, Snyder, and Aiyash on September 12, 2023, had its first reading, then was referred to the Committee on Regulatory Reform. WHEREAS, 2006 Public Act 480, provides for local governments to negotiate franchise fees in exchange for use of public rights-of-way, and provides for local control to manage rights-of-way; and

WHEREAS excluding satellite and streaming providers who use the rights-of-way is removing local control to manage rights-of-way efficiently and appropriately; and

WHEREAS, it is the opinion of the Waterford Township Cable Coordinator and the Waterford Township Board of Trustees that local control of rights-of-way should remain under the jurisdiction of local government as intended by the current provisions of 2006 Public Act 480.

I, the undersigned, the Clerk of the Charter Township of Waterford, County of Oakland, Michigan, do hereby certify that the foregoing is a true and correct copy of a resolution adopted at a regular meeting of the Waterford Township Board of Trustees held on the 23rd day of October, 2023, the original of which resolution is on file in my office. I further certify that notice of said meeting was given in accordance with the provisions of the Open Meetings Act, MCL 15.261 et.seq.

IN WITNESS WHEREOF, I have hereunto affixed my official signature this ____ day of October, 2023.

Kim Markee, Clerk
Charter Township of Waterford

Mr. Gary Allison, Cable Coordinator, addressed the Board of Trustees and stated this is the same bill that was presented a year ago. This time the bill passed through the House and has moved to the Senate. Waterford Township receives \$1.5 million through franchise and peg fees. They are making a slippery slope for jurisdictions to receiving no funds. PA 2006 480 was created to keep costs down.

Moved by Bartolotta,
Seconded by Hauswirth, RESOLVED, to approve Resolution Opposing HB 4965 to Amend PA 480 Uniform Video Services Local Franchise Act. A Roll Call Vote Was Taken.

5.3 **Main Street Water Storage Tank Rehabilitation Project - Fence**

The following memo was received by Mr. Justin Westlake, DPW Director.

The water tower rehabilitation project was approved by the Board at the 2-13-23 Board Meeting. The Main Street water storage tank is an asset owned by Waterford Township that benefits the entire community by providing safe drinking water, as well as fire protection. The amount awarded to Seven Brothers Painting to do the sandblasting of the tower down to bare metal, and the repainting of the tank along with extensive structure repair and electrical work is outlined in the chart below labeled "Original Project."

Part of this project was removing the antennas from the tower and placing them on a temporary structure. To accomplish this the old fence needed to be removed in spots. Once this happened it became apparent that much the fence was damaged and in need of replacement. Our Water Supply Foreperson, Jodi Burchett, was able to acquire two quotes to get the new fence installed. The only companies that returned her calls and met her to survey the property provided the attached quotes.

It is our recommendation we move forward with Tippin Fence as the low bidder to complete this work. This site is home to not only our water tower, but also a water treatment facility. We want to make sure the location is properly secured sooner rather than later.

We would like to use contingency funding already allocated by the Board of Trustees to complete this fence project, so no budget adjustment is necessary.

Original Project:

Seven Brothers Bid Amount	\$ 897,700.00
10% Contingency	\$ 89,770.00
Grand Total	\$ 987,470.00

Fence Project:

Fence Replacement	Price
Tippen Fence	\$ 32,750.00
10% Contingency	\$ 3,275.00
Total:	\$ 36,025.00

Requested Board Action:

1. Award the Main Street fence project to Tippin Fence for an amount not to exceed \$36,025 coded to account # 59045-97010.

Moved by Bartolotta,

Seconded by Markee, RESOLVED, to award the Main Street fence project to Tippin Fence for an amount not to exceed \$36,025.00 coded to account number 59045-97010. A Roll Call Vote Was Taken.

5.9 Elected Officials Letter of Agreement

The following memo was received by Mr. Mark Simlar, Human Resources Director.

Attached please find the resolution for an inflationary wage increase for Township elected officials.

As the resolution reflects, all Township employees, all bargaining units and Administration recently received similar wage increases due to these unprecedented inflationary times. I am making the recommendation that the Township Supervisor, Treasurer and Clerk receive the same \$1.50 per hour increase received by other full-time Township Employees and Board of Trustee members have their annual compensation raised to \$13,463.

I believe these increases for Township elected officials are warranted in light of all other Township employees receiving similar wage increases.

I appreciate the Boards consideration of this request, which I believe is fair and reasonable.
