SYNOPSIS

**PROCEEDINGS OF THE
CHARTER TOWNSHIP OF WATERFORD BOARD
REGULAR MEETING
MONDAY, AUGUST 08, 2016**

Approved	Approve Amended – August 08, 2016
Approved	Approve Minutes – July 25, 2016
Approved	Approve Bill Payment – August 08, 2016
Received	51 st District Court Report – 2 nd Qtr Caseload and Financial Trend Analysis
Received	IS Department Report – July 2016
Held Public Hearing	Dangerous Building Hearing – Summit Place Mall
Approved for Introduction	Possible Introduction of Animal Regulations Ordinance Amendment Regarding Pit Bull Terriers
Approved	Hiring of Mr. Emmett Mercier – DPW GIS Technician
Approved	Clinton Oakland Sewage Disposal System 2016-2017 Rate Change Pass-Through
Approved	Clinton River Sewage Plumbing Station Rehabilitation

A handwritten signature in blue ink, appearing to read "Sue Camilleri".

Sue Camilleri, Township Clerk

A handwritten signature in blue ink, appearing to read "Gary Wall".

Gary Wall, Township Supervisor

BOARD MEMBERS PRESENT:

Gary Wall, Supervisor
Sue Camilleri, Clerk
Margaret Birch, Treasurer
Anthony Bartolotta, Trustee
Julie Brown, Trustee
Karen Joliat, Trustee
Donna Kelley, Trustee

OTHERS PRESENT

Rick Rassel, SD Capital	Ann Brzezinski	Paula Moore
Donna Wall	Alex Brzezinski	Shirley Griffin
Louis W. Feurino	Jennifer Else	Sean Rahbar
Shelly Robinson	Margaret Scott	Dean Zoner
Sally Hart	Bill Fritz	Dawn Zoner
Vaughn Wagner	Scott Good	Jared Black
Ruth Wagner	John Lyman	Joe Black
Marty Kuhn	Joni Pelland	Mary Rice
Matt Covey	Steven Else	William Modisett
Steve McCready	David Else	Adam Duberstein
Crystal McCready	Emily Carlin	Jim Zampol
Joan Rogers	Jen Thom	Robin McGregor
Sharon Thomas	Carl W	Elizabeth McGregor

Supervisor Gary Wall called the meeting to order at 6:00 p.m., asked for a moment of silence for the brave men and women who have served our Country and then led the Pledge of Allegiance.

Roll call was taken and all Board Members were present.

Moved by Birch;
Seconded by Bartolotta; RESOLVED, to amend the agenda by moving Old Business No. 8.1 to item No. 7.1 and moving item 7.1 Introduction of Animal Regulations Ordinance Amendment Regarding Pit Bull Terriers to item No. 8.1.

Motion carried unanimously.

Moved by Camilleri;
Seconded by Birch; RESOLVED, to approve the agenda for the August 8, 2016, agenda as amended.

Motion carried unanimously.

Moved by Joliat;
Seconded by Birch; RESOLVED, to approve the July 25, 2016, Township Board Meeting minutes, as presented.

Motion carried unanimously.

Moved by Bartolotta;
Seconded by Brown; to approve the payment of the bills for August 8, 2016, as presented. A list of the bills is attached to these minutes. A roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

ANNOUNCEMENTS

- 4.1 On Friday, August 12, 2016, from 12:00 p.m. until 10:00 p.m., Telegraph Rd (south bound lanes) will be closed between Elizabeth Lake Road and M-59. Detours will be posted.
- 4.2 The Longest Breakfast Table will be held on Saturday, September 10, 2016, at 8:30 a.m. at Fire Station 1. Join us while Waterford Police and Firefighters flip pancakes for the community! Enjoy fresh pancakes, sausage, juice, coffee.
- 4.3 The following letter was received from Ken and Barb Zahowski.
This is to inform you of the excellent, friendly service we have received from two of your employees at the water department. They are Rose who helped us three times on the phone and Dawn who came to our house and helped us find our water leak.
They both helped to make our serious water problem easier to deal with.
Thank you for being so nice!

AWARDS AND PRESENTATIONS

1. Employee of the Quarter Presentation – Ann Brzezinski, Assessor's Office.

Paula Moore, Deputy Assessor, Joni Pelland, and Shelly Robinson of the Employee Recognition Committee presented Ann Brzezinski with the Employee of the Quarter Award. The Board of Trustees offered their congratulations.

REPORTS

1. **51st District Court – 2nd Quarter Caseload and Financial Trend Analysis**

Moved by Camilleri;
Seconded by Birch; RESOLVED, to receive the 51st District Court – 2nd Quarter Caseload and Financial Trend Analysis

Motion carried unanimously.

2. **IS Department – July 2016**

Moved by Joliat;
Seconded by Kelley; RESOLVED, to receive the July 2016, IS Department report.

Motion carried unanimously.

OLD BUSINESS**1. Dangerous Building Hearing –The Summit Place Mall**

The Dangerous Building Hearing started at 6:09 p.m.

Rob Merinsky, Development Services Director, presented Development Services position on dangerous building, Summit Place Mall. On July 22, 2016, Development Services met with Mall's Local Agent, and walked around the building to determine the minimum that would need to be completed. On July 29, 2016, a follow up meeting was held to clarify what needed to be done. A written plan, from the owner, as to how they will address the issues is still pending.

Attorney Rassel and Mr. Sean Rahbar addressed the Board of Trustees. Attorney Rassel was hired to analyze the dangerous building process. They alleged decencies in the process. Attorney Rassel requested a postponement of 90-120 days to continue to work with Supervisor Wall and Mr. Gibb (Oakland County). The options of SD Capital, Oakland County and hopefully Waterford Township are outlined below.

Plan A. Letter of Intent w/redevelopment partner; partial demolition

Plan B. Lot Split and all Demolition

Plan C. Lot Split and Demolition Contractor to become partner with full demolition (JV Agreement)

Supervisor Wall stated that is has been over 150 days since the dangerous building hearing. The Township has been working with Mr. Rahbar for two and a half years and the Township needs answers as to what is going to happen. Supervisor Wall stated that if there is an offer on the property they could place a stay on a demolition order. A realistic time frame to demolish the mall would be nine to twelve months.

Sean Rahbar said any of the options presented would result in demolition of 46 acres and meet the requirements of the Township. They currently have a letter of intent that would bring a draw from other locations. If Plan A. falls through we would proceed with Plan B. or C. Mr. Rahbar feels that the deal could potentially close in 2 to 3 weeks. Mr. Rahbar stated that it is his intention to address the violation if the deal falls through and they have a demolition contractor ready to proceed.

Clerk Camilleri asked if the cost of demolition has been established. Mr. Rahbar stated that is has not because they would proceed with a lot split and sell the portion of property with the building. Clerk Camilleri stated that the Township estimates that it would be approximately \$4.1 million dollars to demolish the building. With that estimate it will cost more to demolish the building than the property is worth. Mr. Zoner, Greenway Construction Corp., potential demolition contractor, stated that he has done this before and that the land value will increase with the building demolished. Clerk Camilleri stated that it is an insult that with all of the violations listed to only mow the grass and place some cold patch on the road and not to address any of the safety violations. On behalf of the people of Waterford who have watched the mall fall into disrepair and become so unsafe she is very reluctant to allow more time to address the violations.

Trustee Bartolotta stated that he would be more comfortable if Oakland County were attending the Board Meeting and asked if Oakland County is involved with Option A. He stated his concerns with the multiple plans. His feels that the Township should proceed in court. He feels that SD Capital will receive the prime real estate with a lot split and the contractor will be left with the remaining 46 acres. He has not seen a good faith effort put forth by SD Capital.

Trustee Joliat stated that it is a safety issue and felt that the dangerous building process could expedite the purchase agreement if the purchaser was truly interested.

Township Attorney Dovre indicated that if SD Capital wants to appeal the Township Board's Decision they have a limited time to do so. In addition, once the case moves to Court the Township loses their unilateral authority to end things.

Dangerous Building Hearing – The Summit Place Mall Continued.

In regards to the lot split; it was initially applied for and the Assessor responded via letter that there were aspects of the application that were incomplete. To date there still has not been a complete application received. Attorney Dovre stated that with all the confidentiality there is no way to tell them how much time is truly needed for the purchase agreement. He advised that a written purchase agreement should exist and be provided for Township review before the Township Board considers approving the additional time requested. He did advise that the Board could adjourn the hearing until August 22, 2016, and that if he was provided the purchase agreement, he would respect any confidentiality, with his review being mainly to be able to advise the Board so what it decided to do would not kill a deal.

Trustee Brown stated that we have come this far it may be worth adjourning to see what happens. Trustee Brown asked if SD Capital and the buyer would be willing to provide Attorney Dovre the information needed to ensure that the deal is still viable.

Attorney Rassel stated that SD Capital would be willing and he would discuss with the buyer regarding providing Township Attorney with the needed information.

The following memo was received from Rob Merinsky, Development Services Director.

The enclosed Decision and Order prepared upon the conclusion of the April 13 and June 14, 2016 hearings held on the building commonly known as the "Summit Place Mall" and signed by the Township's Dangerous Building Hearing Officer was sent to the property owner, S. D. Capital, LLC via certified and regular U.S. Mail. The document was also posted on the property as specified in the ordinance. Among other things, the Decision and Order directed the owner S. D. Capital, LLC to complete and submit certain items to the Development Services Department by 4:00 PM on July 15, 2016 (see pages 7 and 8 of Decision and Order for list of actions to be completed by the owner).

As of the date of this memo, S. D. Capital, LLC has failed to comply with any of the ordered action items. Therefore, a hearing before the Township Board at the August 8, 2016 regular meeting to provide S. D. Capital, LLC an opportunity to show cause as to why the building and structure should not be demolished or otherwise made safe as ordered the Decision and Order. Based on the testimony provided at the April 13 and June 14, 2016 hearings on the dangerous condition of Summit Place Mall, it is staff's recommendation that the Board consider taking action to enforce the Township's Dangerous Building Hearing Officer's Decision and Order from June 15, 2016.

Also for the Board's benefit, the Development Services Department has issued the attached Notice of Code Violation(s) to S. D. Capital, LLC to close and secure, safeguard, and eliminate the hazardous conditions found around the exterior of the property, buildings, and structures making up the premises of the Summit Place Mall. The Notice of Code Violation(s) also cited a deadline of July 15, 2016 for compliance. Since its issuance, staff from both the Fire Department and Development Services has meet twice with representatives of S. D. Capital, LLC; once on-site and once at Township offices, to specifically point out the hazardous conditions that need to be addressed and to discuss methods the owner can take to remedy them.

If there are any questions regarding any of these matters, staff will be present at the hearing to answer them.

Dangerous Building Hearing – The Summit Place Mall Continued.

The following memo was received from Gary Dovre, Township Attorney.

On June 15, 2016, the Township's Dangerous Buildings Hearing Officer, Walter Pytiak, issued a Dangerous Building Decision and Order that has been separately provided to you with a Development Services Department Memo. Prior to your referenced hearing, you should review that document, which on pages 1 and 2 outlines the Background and Proceedings in the case, on pages 2-7 has the Findings that were made, and on pages 7-9, sets forth Orders that were made based on the Findings. With the property owner having failed to comply with those Orders, Section 4-236 of the Dangerous Building Ordinance required the Township Clerk to schedule this hearing, with an unsigned copy of the Notice to the property owner attached.

As provided in the Ordinance and outlined in the Notice, your hearing is to review the Findings and Order of the Hearing Officer and provide the property owner with the opportunity to show cause why the demolition and measures to make the property safe as ordered by the Hearing Officer's Decision and Order should not be approved and ordered by the Township Board. The final paragraph of the Notice, which is based on Section 4-236(d) of the Ordinance, confirms that you have the ability to adjourn your hearing from time-to-time, with your final decision and order being one that approves, disapproves, or modifies the Hearing Officer's Orders.

Although the property owner, SD Capital, L.L.C., did not comply with the Hearing Officer's Orders, its attorneys did provide me with the enclosed July 15, 2016, letter that on page 2, requested a stay of the dangerous building (and other) proceedings for a period of at least 90-120 days. I have advised Township officials and staff and the attorney for SD Capital that at this point in the proceedings, only the Township Board could approve that request. At least as of August 3, 2016, I did not know if any representative for SD Capital would be appearing at your August 8, 2016, hearing to personally present its position on the Hearing Officer's Decision and Order and/or the adjournment request.

One of the Orders not complied with is Item 1.d. on page 8 that required implementation of temporary or emergency measures to close and secure, safeguard and eliminate hazardous conditions identified in a Notice of Violation issued by the Building Official. A Notice of Code Violation(s) was issued, with a copy of that Notice and the status of compliance with it attached to and addressed in the separate Development Services Department/Building Official Memorandum being provided to you.

Regarding the scope of your hearing, all that is required by the Ordinance is for you to review the Findings and Orders of the Hearing Officer and provide the property owner with the opportunity to demonstrate why you should not approve those Orders. New evidence that was not presented to the Hearing Officer should not be allowed or considered. With respect to the actual evidence presented to the Hearing Officer, you may request to see and review it at a future meeting, in which case you would adjourn the hearing. However, you are not required to directly review that evidence before making a decision.

While the Hearing Officer's Orders consists of seven numbered paragraphs, those Orders can be separated into substantive and procedural requirements. Substantively, subsections a-d in Section 1 on pages 7 - 8 are what the Hearing Officer ordered the property owner to do. The remaining Orders on those pages spell out procedural requirements in terms of documentation required and deadlines for taking action. In my opinion, your authority to modify the Hearing Officer's Decision allows you to approve some of the Orders and modify others. For instance, you could approve the substantive orders, but modify procedural time deadlines.

Section 4-236(e) of the Ordinance requires that whatever decision and order you make be placed in written form for certification by the Township Clerk. My recommendation is that at the point in these proceedings that you are ready to make a decision, that it be done by a motion that outlines

Dangerous Building Hearing – The Summit Place Mall Continued.

a tentative decision and order and requests the Township Attorney to place that in written form for the Board's review and adoption as a final decision at a designated future meeting date. In any tentative decision to approve the Hearing Officer's demolition order on the buildings, I recommend that you provide for a complaint to be filed in Oakland County Circuit Court for approval and enforcement of your order, a money judgment against the property owner, and an order for the property to be sold to pay for demolition costs.

I expect to be in attendance at your meeting and will attempt to assist you in your consideration and deliberations on this case.

Members of the public addressed the Board.

The public hearing closed at 7:17 p.m. and the issued was adjourned to the August 22, 2016, Township Board meeting.

Moved by Camilleri;

Seconded by Joliat; RESOLVED, to deny the 90-120 day extension of the dangerous building order for Summit Place Mall and for SD Capital to come before the Board at the August 22, 2016, Board Meeting with a plan for actions to address the violations in the Notice of Code Violations to be completed within 30 days; a roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

Moved by Camilleri;

Seconded by Bartolotta; RESOLVED, to tentatively decide to approve and enforce the June 15, 2016, Hearing Officer Dangerous Building Decision and Order and to request Township Attorney Dovre to draft a Resolution placing that decision in written form for the Board's review and adoption as its final decision, with the Resolution to provide for a complaint to be filed in Oakland County Circuit Court for approval and enforcement of the order, a money judgment against the property owner, and an order for the property to be sold to pay for demolition costs, to be presented to the Board at the August 22, 2016, Township Board meeting, and to adjourn the hearing to that date; A roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

INTRODUCTION

1. Possible Introduction of Animal Regulations Ordinance Amendment Regarding Pit Bull Terriers.

Township Attorney addressed the Board stating that the Ordinance Amendment does not lift the ban but adds procedural clarification.

- Vaughn Wagner: requested to have American Bull Dog added to Ordinance Amendment and asked clarification questions.

Possible Introduction of Animal Regulations Ordinance Amendment Regarding Pit Bull Terriers
Continued.

- Terry Hodgkins: asked for clarification, would the citation come first or a notice of violation? Then, does the Veterinarian report go to the Police Department?
- Jim Zampol: He agrees that the American Bull Dog could be included.
- Richard Angelo: Does 2nd Veterinarian have to meet the same criteria as the 1st Veterinarian?
- Sally Hart: Seniors may not be able to afford the veterinarian bills.

The following memo was received from Township Attorney Gary Dovre.

The Ordinance Amendment presented with this letter is for possible introduction at your August 8, 2016, meeting. As indicated in the title, the purpose of this Ordinance is to update, correct, amend, and add definitions, and amend determination guidelines related to the existing prohibition on the ownership, possession, or maintenance of Pit Bulls in the Township. That prohibition would not be changed with the adoption of this Ordinance.

The marked up version of the Ordinance (which does not include the updated Appendices A, B and C) highlights changes to the existing text in Ordinance Sections 3-001 and 3-024. The clean version of the Ordinance, which includes the proposed changes and new Appendices A, B and C, is the version you would be introducing if you choose to do so, with or without changes.

The following outline of the proposed Ordinance Amendment may be of assistance in your consideration.

Section 3-001 Definitions

- Animal control officer – the expanded definition would allow the Township to turn to non-Township animal control officers for corroboration in making determinations or verifications that a dog is a Pit Bull subject to the ordinance prohibition.
- Pit Bull or Pit Bull Terrier – the American Kennel Club (AKC) provides the breed standards for American Staffordshire Terriers and Staffordshire Bull Terriers, with the United Kennel Club (UKC) providing the breed standards for American Pit Bull Terriers. During the 2014 recodification of the Ordinances, the UKC reference for American Pit Bull Terriers was mistakenly changed to AKC. This amendment corrects that error and provides current breed standards from the AKC and UKC websites for each of the three breeds as Appendices A, B and C.
- Substantially conform is a term used in the current ordinance definitions of Pit Bull or Pit Bull Terrier. This amendment defines that phrase as being a dog that meets the majority of the specific standards for a breed.
- Township approved veterinarian – this is another phrase in the current ordinance that was not defined, but was believed to describe one or more specific veterinarians the Township had approved in advance to perform examination of dogs for Pit Bull identification purposes. This definition allows any licensed veterinarian in good standing to be a “Township approved veterinarian.” To have that status, a veterinarian needs to have a copy of and agree to apply the ordinance definitions and breed standards in examining dogs for Pit Bull identification purposes.

Possible Introduction of Animal Regulations Ordinance Amendment Regarding Pit Bull Terriers
Continued.

Section 3-024 Pit Bull Determination Guidelines

The focus of the amendments to this section is on the process to be followed by the Township and available to a dog owner prior to issuance of any court citations, tickets or complaints.

Subsection (a) provides for initial determinations by an animal control officer that a dog may be a prohibited Pit Bull.

Subsection (b) specifies what is required for a positive identification of a dog as a Pit Bull and calls for issuance of a notice of violation that specifies the allowed time for a dog to be removed from the Township or for the owner to challenge the notice of violation, with that option to be explained in the notice of violation.

Subsection (c) is a new provision that allows a dog owner the opportunity to challenge a positive Pit bull identification by the Township and to support that challenge by an affidavit from a "Township approved veterinarian," the required contents of which are spelled out in the ordinance.

Subsection (d) provides that if a Township approved veterinarian affidavit certifies that an examined dog is not a Pit Bull, the Township may not proceed with issuance of a court citation, ticket or complaint unless the animal control officer's positive identification of the dog as a Pit Bull is verified in writing by another animal control officer and a different Township approved veterinarian.

Although changes are shown in Subsection (e), they are not substantive, with the new last sentence having come from the prior text of Subsection (d).

These proposed amendments were the result of discussions with Mr. Wall, Chief Underwood, Deputy Chief James, Margaret Scott, and Lou Feurino. If you are satisfied with the amendments, the appropriate motion would be to introduce the Animal Regulations Ordinance Amendment and schedule it for possible adoption at a designated future Township Board meeting.

**CHARTER TOWNSHIP OF WATERFORD
ORDINANCE NO. 2016-003**

ANIMALREGULATIONS ORDINANCE AMENDMENT

An Ordinance to update, correct, amend, and add definitions, and amend determination guidelines related to pit bull terriers, in the Animal Regulations in Chapter 3 of the Waterford Charter Township Code.

THE CHARTER TOWNSHIP OF WATERFORD ORDAINS:

Section 1 of Ordinance

The definitions of Animal Control Officer and Pit Bull or Pit Bull Terrier in Section 3-001 in Article I of Chapter 3 of the Waterford Charter Township Code are amended, and new definitions of Substantially conform and Township approved veterinarian are added to read as follows:

Sec. 3-001. Definitions

Animal Control Officer means a Township official, employee, or contractor authorized by the Township Board to enforce the provisions of this Chapter who: (i) satisfies the minimum

Possible Introduction of Animal Regulations Ordinance Amendment Regarding Pit Bull Terriers
Continued.

requirements for physical, educational, mental and moral fitness for an animal control officer, and (ii) is a police officer, has served as an animal control officer for at least 3 years, or has completed a minimum course of study of not less than 100 instructional hours as prescribed by the State Department of Agriculture for animal control officers. For determinations or verifications under Section 3-024, but not for issuance of citations or notices of violations, animal control officer also means an animal control officer approved by the State Department of Agriculture as having satisfied the minimum employment standards in MCL 287.289b.

Pit Bull or Pit Bull Terrier means any dog which exhibits those phenotypic characteristics which:

- (1) Substantially conform to the breed standards established by the American Kennel Club for American Staffordshire Terriers that are part of this Ordinance as Appendix A, or Staffordshire Bull Terrier that are part of this Ordinance as Appendix B; or,
- (2) Substantially conform to the breed standards established by the United Kennel Club for American Pit Bull Terriers that are part of this Ordinance as Appendix C.

Substantially conform means that the characteristics of the dog, essentially and without material deviation or qualification, meet a majority of the specific standards for a breed in Appendices A, B, or C, so as to predominate. Technical deficiencies in a dog's conformance to one or more breed standards shall not be construed to indicate that the subject dog is not a "pit bull terrier" under this Article.

Township approved veterinarian means a veterinarian licensed to practice in the State of Michigan whose license has not been suspended or revoked at the time of an examination of a dog, who in an affidavit provided under Section 3-024(c), acknowledges that the veterinarian has a copy of, has read, understands, and in the examination of a dog, has applied the definitions of "Pit Bull or Pit Bull Terrier" and "Substantially conform" in this Section, and the breed standards for American Staffordshire Terriers, Staffordshire Bull Terriers, and American Pit Bull Terriers in Appendices A, B, and C.

Section 2 of Ordinance

The Appendices to Chapter 3 of the Waterford Charter Township Code are amended by replacing the existing Appendix A with Appendices A, B, and C that are attached to and part of this Ordinance Amendment.

Section 3 of Ordinance

Section 3-024 in Article III of Chapter 3 of the Waterford Charter Township Code is amended to read as follows:

Sec. 3-024. Pit bull terrier determination guidelines.

The following procedures and standards shall be used by all animal control officers in determining whether a particular dog is subject to the prohibition in Section 3-023.

(a) An animal control officer will initially determine why the dog is being considered as possibly prohibited. Factors that may be considered include, but are not limited to the following or a combination of the following:

- (1) Registration or licensing as a pit bull terrier.
- (2) Identification as a pit bull terrier by an owner of the dog.
- (3) Identification as a pit bull terrier by an animal control officer pursuant to the procedures set forth in this section.
- (4) Identification as a pit bull terrier by a licensed veterinarian or in veterinary records for the dog.

(b) If the initial determination under subsection (a) is that a dog appears to be prohibited by Section 3-023, positive identification of the dog as prohibited by that Section shall be by an animal control officer based on one or more of the following:

Possible Introduction of Animal Regulations Ordinance Amendment Regarding Pit Bull TerriersContinued.

- (1) Verification by the animal control officer that the dog substantially conforms to the breed standards in Appendices A, B, or C based on physical observation of the dog.
- (2) Personal and professional experience of the officer in having observed known pit bullterriers in the past.
- (3) Identification as a pit bull terrier by an owner of the dog.
- (4) Written verification by a licensed veterinarian or veterinary records for the dog.

Written notice of the animal control officer's positive identification of a dog as prohibited by Section 3-023 shall be provided to each known owner of the dog by issuance of a notice of violation that specifies a time for the dog to be removed from the Township or for the notice of violation to be challenged as provided in subsection (c), a written explanation of which shall be provided with the notice of violation.

(c) Within the time specified in a notice of violation of Section 3-023, if an owner of the dog denies or wants to dispute that the dog is a pit bull, the owner may support that denial or dispute by submitting a Township approved veterinarian affidavit on or in a form approved by the Township that complies with the following requirements:

- (1) Is under oath and penalties of perjury.
- (2) Contains information confirming that the veterinarian meets the standards to be a Township approved veterinarian as that term is defined in Section 3-001.
- (3) Is based on a personal examination of the dog by the veterinarian on a date that is specified.
- (4) Specifically identifies the dog examined and attaches photographs of the dog taken on the date of the examination.
- (5) Acknowledges that the veterinarian has a copy of, has read, understands, and has applied the definitions of "Pit Bull or Pit Bull Terrier" and "Substantially conform" in Section 3-001, and the breed standards for American Staffordshire Terriers, Staffordshire Bull Terriers, and American Pit Bull Terriers in Appendices A, B, and C in the examination of the dog.
- (6) Certifies to the Township, based on the examination and application of the Ordinance definitions and breed standards, that the dog examined is not a Pit Bull or Pit Bull Terrier, and identifies the specific breed standards that the dog does not substantially conform to.
- (7) If the dog is certified as not being a Pit Bull or Pit Bull Terrier, identifies the dog's breed.

The examination of a dog by a Township approved veterinarian under this subsection, as an optional opportunity to the owner, shall be arranged by and at the expense of the owner even if the dog is certified to not be a Pit Bull or Pit Bull Terrier.

(d) An animal control officer shall not proceed with issuance of a court citation, ticket, or complaint for a violation of Section 3-023 to an owner of a dog that has been certified as not being a Pit Bull or Pit Bull Terrier in a Township approved veterinarian affidavit submitted under and in conformity with subsection (c) unless the officer's identification of the dog as a pit bull is verified in writing by:

- (1) Another animal control office as substantially conforming to the breed standards in Appendices A, B, or C; and
- (2) A different Township approved veterinarian.

(e) All animal control officers involved in enforcing Section 3-023, shall be familiar with and consult the breed identification standards in Appendices A, B, and C, and shall become familiar with the pit bull terrier, as defined, by reference to photographs, physiological diagrams and breed behavior patterns. If an officer cannot determine the predominate breed of the dog in question as pit bull terrier, the dog shall not be subject to the prohibition in Section 3-023 unless the dog is later positively identified as a pit bull by a Township approved veterinarian.

Possible Introduction of Animal Regulations Ordinance Amendment Regarding Pit Bull Terriers
Continued.

Section 3 of Ordinance

Should any section, subdivision, sentence, clause or phrase of this ordinance be declared by the Courts to be invalid, the same shall not affect the validity of the Ordinance as a whole or any part thereof other than the part as invalidated.

Section 4 of Ordinance

This Ordinance shall take effect immediately upon publication.

CERTIFICATION

I certify that this Ordinance was adopted by the Board of Trustees of the Charter Township of Waterford at a regular meeting held on _____, 2016.

CHARTER TOWNSHIP OF WATERFORD

Date

By: _____
Sue Camilleri, Township Clerk

Moved by Camilleri,
Seconded by Birch; RESOLVED, to introduce the Animal Regulations Ordinance Amendment regarding Pit Bull Terriers as presented and schedule for adoption at the August 22, 2016, Township Board Meeting; a roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Brown, Joliat and Kelley

Nays: Brown

Absent: None

Motion carried unanimously.

NEW BUSINESS

1. Hiring of Mr. Emmett Mercier – DPW GIS Technician

The following memo was received from Louis F. Feurino.

In response to the desire of Mr. Fritz, DPW Director, to hire a GIS Technician, I request that the Township Board approve the hiring of Mr. Emmett Mercier to this position.

Mr. Mercier possesses the necessary skills to hold this position.

The position is already budgeted and will not require an amendment to the DPW budget.

Hiring of Mr. Emmett Mercier – DPW GIS Technician Continued.Fritz memo.

As you know, recent promotions have left a vacancy at the DPW GIS Technician position.

The vacancy was advertised publicly and dozens of applications were received. On July 19th the three top candidates were interviewed. Mr. Emmett Mercier was a unanimous choice as the most qualified applicant. An offer was made and accepted by Mr. Mercier.

I recommend and request your concurrence and preparation of a memo to the Waterford Township Board of Trustees requesting appointment of Mr. Emmett Mercier DPW GIS Technician.

I have attached a cover letter, resume, and letter of recommendation of Mr. Mercier.

Moved by Camilleri;

Seconded by Joliat; RESOLVED, to approve the hiring of Mr. Emmett Mercier as the DPW GIS Technician; a roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

2. Clinton Oakland Sewage Disposal System 2016-2017 Rate Change Pass-Through

The following memo was received from William Fritz, P.E., Director of Department of Public Works.

The Great Lakes Water Authority (GLWA) has notified the Oakland County Water Resource Commissioner's (WRC) office of their new sewage charges for the 2016/2017 fiscal year. The WRC has, in turn, notified the Township of the resulting increase to its sewage charges and of the increase to the Clinton-Oakland Sewage Disposal System (COSDS) rate. We request approval of new sewage rates for Waterford's sanitary sewage customers to offset the rate increase implemented by the WRC.

The following documents are included in the appendices for your reference:

Attachment I:

Page	Item
1-2	Letter from WRC announcing rate change.
3	GLWA Wholesale Monthly Charges

Attachment II: Waterford Sewage Rate Calculations for 2016/2017

Attachment III: OMID Amortization schedules

Review and analysis of WRC's increase begins by breaking it down into four components:

1. **WASTEWATER DISPOSAL CHARGE**

For FY 2016/2017, Waterford is allocated 24.557% of the COSDS flow total. This equates to an annual cost of \$8,881,719 (\$740,143.25 per month).

2. **DWSD INDUSTRIAL SURCHARGE AND INDUSTRIAL WASTE CONTROL**

These charges are for non-residential flow, which typically require a greater level of treatment. Waterford is charged ~\$31,000 per month for this service.

3. **TRUE-UP ADJUSTMENT**

The True-Up Adjustment is a charge (or credit) that the COSDS communities are assigned based on their proportional flow contribution. The adjustment is needed to balance the OMID Rehabilitation Projects expenses. Bonds were secured with a fixed allocation to each COSDS community and the true-up is a mechanism to reconcile changing flow contribution percentages. The FY2016/2017 True-Up Adjustment to Waterford is an annual credit of \$46,387.48 (\$3,865.62 per month).

4. **BOND DEBT**

The charges for four OMID Bond Series to finance capital improvements being made to the Oakland-Macomb Interceptor Drainage district sewers.

Together, these four components represent a total sewage charge increase to the Township of \$592,954 for FY2016/2017. As a result, I am recommending the adoption of new sewer rates as follows:

<u>Effective September 1, 2016</u>
Sewer and Water Customers
Ready to Serve Charge
NO CHANGE from \$63.58/quarter
Sewer Only Customers
Ready to Serve Charge
Increase from \$96.49/quarter to \$102.62/quarter
Sewer Usage Charge
Increase from \$3.29 per 100 Cubic Feet (CF)/quarter to \$3.50 per 100 CF/quarter
Industrial Waste Control (IWC) Quarterly Charges
Increase rates as outlined in WRC 2016/2017 Rate Change letter

Based on the proposed rates, the average residential customer, who uses 2,000 CF/quarter, will see an annual increase of \$16.80 per YEAR (\$4.20 per QUARTER).

Clinton Oakland Sewage Disposal System 2016-2017 Rate Change Pass-Through Continued.

Under the recommended proposal, the Township will not realize any additional revenue because it is merely a pass-through of the WRC rate increase. It is my recommendation that the Board approve the adjusted rates.

Moved by Birch,

Seconded by Joliat; RESOLVED, to approve the Clinton Oakland Sewage Disposal System 2016-2017 Rate Pass Through increasing sewer only customers increase to one hundred two dollars and sixty-two cents (\$102.62) per quarter and increase sewer use charges to three dollars and fifty cents (\$3.50) per 100 cubic foot per quarter; a roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

3. Clinton River Sewage Pumping Station Rehabilitation.

The following information was received from William Fritz, P.E., Director of Department of Public Works.

The purpose of this submittal is to seek Waterford Township Board of Trustees approval for two sewer capital purchases and to authorize a budget amendment for these purchases. The two purchase requests are:

1. Authorize \$139,400 expense to rebuild existing sewage pump and install both the rebuilt pump as well as a second newly purchased pump (already purchased but not yet delivered), and
2. Authorize \$126,500 expense to purchase a surface-mounted, self-contained, natural gas-powered, packaged pumping system.

The Clinton River Sewage Pumping Station (CRSPS) was rehabilitated nearly ten years ago. At that time the station was converted from a triplex to a duplex configuration. One of the existing pumps had just been installed at that time and was therefore left in place (Pump A on Attachment I). That pump has since become a maintenance issue and DPW has come to rely upon the pump newly installed in 2007 (Pump B on Attachment I). Now that pump too has become a maintenance issue.

Independent of this, DPW has desired for many years to install an emergency bypass pump at the CRSPS. The emergency bypass pump (Pump C on Attachment I) would be positioned at ground level and utilized in the event that the pumps in the adjacent pit became incapacitated. The current situation has presented the opportunity to remedy two issues at the same time. To that end Johnson & Anderson (J&A), Waterford Township's engineering consultant, in concert with DPW staff, designed a new pumping strategy whereby the station's higher, infrequent wet-weather flow demand could be met using a combination of any two of the three on-site pumps. This will have the added benefit of allowing the pumps to operate more efficiently under their normal operating conditions.

In April, DPW received an MDEQ permit to carry out this reconfiguration (see Permit in Attachment II). Pump A's replacement was ordered several weeks ago and should arrive in the Fall. It is described in a quote from JGM Valve (see pages 1&2 of Attachment III). An additional quote from JGM Valve for rebuilding Pump B is also detailed in Pages 3&4 of Attachment III. A

Clinton River Sewage Pumping Station Rehabilitation Continued.

quote from Dubois-Cooper for purchase and installation of the emergency bypass pump is also included in this packet (see Attachment IV).

DPW has standardized on Vaughan Chopper Pumps (distributed through JGM Valve) at high flow sewage pumping stations with high solids content. We therefore recommend and request Board approval of the proposed work, by JGM Valve as the sole-source in the amount of \$139,400.

DuBois-Cooper's enclosed quote, for a self-contained, natural gas-powered, packaged pumping system, is similar to the one purchased by DPW in 2010. J&A performed an exhaustive search, unsuccessfully, to obtain a quote for a comparable system. We therefore recommend and request Board approval of the proposed purchase, quoted by DuBois-Cooper as a sole-source in the amount of \$126,500.

Johnson & Anderson has prepared a memorandum summarizing the costs and coordination required to complete the proposed work at CRSPS (see Attachment V). All of these activities are budgeted expenses, albeit not fully because of the design changes mentioned above. The table below outlines budgeted verses projected expenses.

Item From J&A Memo	Work Description	Budget Account	Est. Cost	Amt. Budgeted	Increase Required
A + 1/2 of C	Replace Pump A	59054-92200	\$ 126,150	\$100,000	\$ 26,150
B + 1/2 of C	Repair Pump B	59054-92200	\$ 92,150	\$ 50,000	\$ 42,150
D	Purchase Pump C	59055-97000	\$ 126,500	\$115,900	\$ 10,600
E + F	Piping, Foundation, Restoration	Varied	\$ 11,500	\$11,500	\$ 0
G	Contingencies	59054-92200	\$ 10,600	\$5,000	\$ 5,600
H	Professional Services	Varied	\$24,950	\$24,950	\$ 0
		TOTALS:	\$ 391,850	\$ 307,350	\$ 84,500

I am also requesting a budget amendment as outlined below to offset the shortfall:

Budget Account	Budget Line Item Description	Existing Budget	Increase	New Budget
59054-92200	Sewer Contracted Repair & Maintenance	\$ 211,000	\$ 73,900	\$ 284,900
59055-97000	Sewer Capital Infrastructure	\$ 115,900	\$ 10,600	\$ 126,500
	TOTALS:	\$ 326,900	\$ 84,500	\$ 411,400

Finally, since there are significant lead times for the delivery of some of these items, the project may carry over into the 2017 calendar year. It is therefore also requested that any amount not spent in Fiscal Year 2016 be carried over to Fiscal Year 2017.

Recommended Board Actions

1. Award contract to JGM Valve in the amount of \$139,400.00 to rebuild an existing pump and coordinate the installation of both the rebuilt pump and a second previously purchased pump, and
2. Award contract to DuBois-Cooper in the amount of \$126,500.00 to purchase a surface-mounted, self-contained, natural gas-powered, packaged pumping system, and
3. Approve Budget Amendment in the amount of \$73,900 to the Sewer Contracted Repair & Maintenance Line Item (59054-92200), and
4. Approve Budget Amendment in the amount of \$10,600 to the Sewer Capital Infrastructure Line Item (59055-97000), and

Clinton River Sewage Pumping Station Rehabilitation Continued.

5. Funds unspent in FY2016 to carry over to FY2017.

Moved by Camilleri,
Seconded by Birch, RESOLVED, to approve award the contract to JGM Valve in the amount of \$139,400.00 to rebuild an existing pump and coordinate the installation of both the rebuilt pump and a second previously purchased pump; a roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

Moved by Camilleri,
Seconded by Kelley; RESOLVED, to award the contract to DuBois-Cooper in the amount of \$126,500.00 to purchase a surface-mounted, self-contained, natural gas-powered, packaged pumping system; a roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

Moved by Bartolotta,
Seconded by Brown; RESOLVED, to approve a Budget Amendment in the amount of \$73,900 to the Sewer Contracted Repair & Maintenance Line Item (59054-92200); a roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

Moved by Camilleri,
Seconded by Bartolotta; RESOLVED, to approve a Budget Amendment in the amount of \$10,600 to the Sewer Capital Infrastructure Line Item (59055-97000); a roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

Clinton River Sewage Pumping Station Rehabilitation Continued.

Moved by Camilleri,
Seconded by Brown; RESOLVED, to approve and any funds unspent in fiscal year 2016 to carry over to fiscal year 2017; a roll call vote was taken.

Ayes: Wall, Camilleri, Birch, Bartolotta, Brown, Joliat and Kelley

Nays: None

Absent: None

Motion carried unanimously.

ADJOURNMENT

Moved by Birch;

Seconded by Joliat; RESOLVED, to adjourn the meeting at 8:10p.m.

Motion carried unanimously.

Sue Camilleri, Clerk

Gary Wall, Supervisor
