Activity Description:

\$24,489 in funding is allocated under this activity to provide mandatory housing counseling services to those individuals receiving assistance through the Low-Income Down Payment Assistance Program and the Moderate/Middle Income Down Payment Assistance Program. The Housing Counseling Assistance Program identified in Waterford's NSP is not a separate program to assist 100 low/moderate/middle-income households, but rather the housing counseling assistance required to be provided to the 20 low-income households to be assisted through the Low-Income Down Payment Assistance Program and to the 80 moderate/middle-income households to be assisted through the Moderate/Middle-Income Down Payment Assistance Program. This direct association between the down payment assistance programs and the housing counseling assistance will be documented by the Township to ensure conformance with HUD regulations.

Location Description:

Charter Township of Waterford, County of Oakland, State of Michigan

Activity Progress Narrative:

During the first reporting period, the Township funded homeownership counseling for 18 low-income homeowner assistance program applicants and 17 moderate-middle-income homeowner assistance program applicants.
