5. Introduction**Introduction of Ordinance 2021-Z-007; Rezone 4235 Cass Elizabeth Road; R-1D Duplex to R-1C Single Family**

The following memo was received by Jeff Polkowski, Superintendent of Planning and Zoning.

Current Zoning: R-1D, Duplex Residential
Proposed Zoning: R-1C, Single-Family Residential

Master Plan: Single Family & Local Business

The applicant is seeking to rezone approximately 7,900 sq. ft. of the southern portion of the parcel. This property originally came before the Planning Commission in 2019 when the applicant consolidated the properties in order to legalize the existing nonconforming duplex properties. Ultimately, the applicant seeks to split this portion of the parcel off into the original platted parcel boundary and develop a single family home on the resultant parcel. Please reference the attached maps that show that this rezoning request only involves the section of the parcel that is intended to be split off.

Master Plan Designation

The property as a whole has both Local Business and Single-Family Master Plan designations. However, the portion of the property being requested for rezoning is entirely designated as Single-Family by the Master Plan. The proposed rezoning and subsequent use is supported by the Master Plan.

Introduction of Ordinance 2021-Z-007; Rezone 4235 Cass Elizabeth Road; R-1D Duplex to R-1C Single Family Continued.

Planning Commission Recommendation and Findings

The Planning Commission reviewed this proposed Rezoning at the regularly scheduled meeting on March 23, 2021 and resolved unanimously, to forward a favorable recommendation to the Township Board.

Motions

Based upon the Planning Commission's favorable recommendation at the March 23, 2021 regular meeting for this rezoning case, should the Board want to consider adopting the requested rezoning to R-1C, Single Family Residential, the appropriate motion would be to introduce the attached Ordinance and schedule it for possible adoption at the April 26, 2021 meeting.

However, if the Board does not want to adopt the requested rezoning, the appropriate motion would be to not introduce the Ordinance and deny the rezoning.

Staff will be available at Monday's meeting for any questions on this case. However, if you have any questions in advance of the meeting, please contact this office.

5.2 **Introduction of Ordinance 2021-Z-008; EV Charging Stations**

The following memo was received by Jeff Polkowski, Superintendent of Planning and Zoning.

Attached for your review and consideration, please find fifteen (15) proposed Zoning Ordinance Text Amendments. These ordinance amendment was initiated after a pre-application meeting to discuss the first ever principal Electronic Vehicle Charging Station use within the Township.

After much research and deliberation between Township Staff and the applicant, it had been determined that Electronic Vehicle Charging Stations of significantly minimal intensity, when compared to Commercial Fueling Establishments, with respect to traffic, customer turnaround time, and environmental impact. Furthermore, staff has found the intensity of an Electronic Vehicle Charging Station to be almost insignificant when applied as an accessory use to a principal development.

Because of this, Township staff believe there is a need to separate Electronic Charging Stations from the general Commercial Fueling Establishment use. The proposed ordinance amendment would define Electronic Vehicle Charging Stations and allow for Electronic Vehicle Charging Stations in the C-3, C-4, HT-1, HT-2 Zoning Districts as a Permitted Principal Use; and the C-1, C-2, C-UL, and C-UB Zoning Districts as a Principal Use with Special Approval; and all Zoning Districts as an Accessory Use.

I have attached a map highlighting the parcels that would allow for Electronic Vehicle Charging Stations as a Principal use within the Township.

Motions

Based upon the Planning Commission's favorable recommendation at the March 23, 2021 regular meeting for this zoning ordinance amendment, should the Board want to consider adopting the proposed ordinance amendment, the appropriate motion would be to introduce the attached Ordinance and schedule it for possible adoption at the April 26, 2021 meeting.

5.3 Introduction of Ordinance 2021-Z-009; Commercial Kennels

The following memo was received by Jeff Polkowski, Superintendent of Planning and Zoning.

Attached for your review and consideration, please find two (2) proposed Zoning Ordinance Text Amendments.

This ordinance amendment was initiated after a pre-application meeting to discuss a proposed dog day care facility within the Township. Dog daycare facilities fall under the Kennel use definition. Currently, Kennels are only allowed within the residentially zoned districts on zoning lots five (5) contiguous acres or larger. The Planning Commission may consider requests for this activity on zoning lots between two (2) and five (5) contiguous acres in area.

Township staff believe that this is an antiquated ordinance that operates under an assumption that dog kennels operate entirely outdoors in a rural environment. To meet with changing development patterns, modern kennels operate within commercial districts in entirely enclosed facilities, as to not disturb the day and night operations of adjacent commercial and residential land uses.

Township staff recommends allowing Kennels within the most intensive Commercially Zoned Districts, after a public review and approval by the Planning Commission, in order to meet the changing business practices of animal day care, training, boarding, and other related kennel operations. The encouragement of dog kennels in commercially zoned districts is also expected to reduce the demand for dog kennels in residential districts.

The proposed ordinance amendment would allow for Kennels to be developed in both the C-3, General Business and C-4 Extensive Business Zoning Districts with Special Use Approval. I have attached a map highlighting the affected parcels within the Township.

Section 1-007 of the Zoning Ordinance defines Kennels as:

KENNEL. *A facility in which domestic animals are temporarily housed, groomed, bred, boarded, provided day care, trained, or sold, all for a fee or compensation.*

Motions

Based upon the Planning Commission's favorable recommendation at the March 23, 2021 regular meeting for this zoning ordinance amendment, should the Board want to consider adopting the proposed ordinance amendment, the appropriate motion would be to introduce the attached Ordinance and schedule it for possible adoption at the April 26, 2021 meeting.

7.1 Approval of Waterford Township Labor and Employment Counsel Agreement

The following agreement was presented by Supervisor Wall.

It is with pleasure that I am forwarding this letter to you confirming our agreement regarding Shifman Fournier continuing to provide Labor and Employment services to Waterford Township.

We greatly appreciate your consideration of extending the contract for our firm to serve in that capacity with the Township.

Over the last eight years, we have taken a great deal of pride in representing the Township.

We believe we have accomplished a record of success together over the last eight years and we look forward to working together in the future.

Specifically, beginning after approval of this Agreement through December 31, 2024 the firm will continue as Labor and Employment counsel for the Township.

During this period, a sum of \$9,500.00 per month will be payable on or about the first of the month to the firm if the agreement is approved.

This would include all negotiations, Act 312 Arbitrations, Unfair Labor Practices, and matter related to that labor work for active employees.

It would exclude the actual costs of court proceedings, arbitration transcripts, expert witnesses and any other actual costs or fees which would still be reimbursed.

The only change from the prior agreement is that we have reduced our fees by 5% for the Township during this period.

We believe that is fair for both the Township and the firm.

Also, as you know, in addition to the services above, we have assisted on other legal matters requested by the Township.

We look forward to continuing our relationship with the Township. If the above agreement is satisfactory to you and the Township, we would greatly appreciate execution of the letter below and have it returned to our office.

Thank you for your attention in this matter. If you have any questions or comments, please feel free to contact me at your convenience.

WATERFORD TOWNSHIP HEREBY AGREES TO THE CONDITIONS CONTAINED IN THIS LETTER REGARDING THE EXTENSION OF SHIFMAN FOURNIER PROVIDING LABOR AND EMPLOYMENT SERVICES TO WATERFORD TOWNSHIP.

7.4 **State of Michigan Corrective Action Plan Monitoring Form 5720 - OPEB Corrective Action Monitoring**

As the Township Board is aware Public Act 202 of 2017 stipulates that Public Employer Sponsored Retiree Health Care Plans be 40% funded. Waterford Township does not meet this criteria and therefore submitted a Corrective Action Plan (CAP). The attached State Form (5720) is a monitoring form required by the Michigan Department of Treasury.

We have attached and completed Form 5720, its worksheets and attached Waterford's initial Corrective Action Plan and a supplemental list of reforms made by Waterford. Please review all these attachments related to Waterford's most challenging financial issue.

As you know, much has been done in recent years in an effort to address the underfunded status of the plan. However, this board like past boards is most certainly tasked with implementing additional changes in an effort to achieve the State's required funded level, as well as help to ensure the plan remains sustainable to all of those who rely on it. All board members will most certainly need to be committed to addressing this topic in the months and years to come.

Required Board Action:

- 1.) A motion to have the Township Supervisor sign the attached State Form 5720 and Direct the Budget Department to send to the State Treasury.

Moved by Markee,
Seconded by Bartolotta; RESOLVED, to accept the State of Michigan Corrective Action Monitoring Form 5720 – OPEB Corrective Action Monitoring and authorize Township Supervisor sign the attached State Form 5720 and Direct the Budget Department to send to the State Treasury.
