- Dear Chief Underwood,
- My next door died during the night. Officer Mike Zorza was in the home early this morning assisting the deceased's wife. She was devastated.
- Officer Zorza was stellar helping his wife Susan in a number of ways. The officer was kind and Susan has commented on this several times today. I was on my way to a medical procedure when I saw the ambulance and police car. Susan was speaking with Officer Zorza when I knocked on the door and entered. She told me her husband had died. I hated to leave her in such a state, but Officer Zorza assured me he would stay and help her.
- It's wonderful that you have a man of good character who shows such compassion.
- Thank you!
- 4.6 Thank you letter from Carol LeMarbe.
- It's not often that this older lady has a chance to be part of setting a Guinness World Record, but with your help and that people who work in the Waterford Township Offices, and a great number of other Americans, we did just that in June when it was announced that there were 100,904 "Thank You" letters ready to go to our military both at home and overseas.
- Thank you so much for taking the time to help us!
- The Daughters of the American Revolution have done our best to help ever since our organization started more than 100 years ago and hopefully will keep at it for the next hundred!
- Please thank the rest of the Township workers for me.
