**3. AWARDS AND PRESENTATIONS**

**3.1 Special Presentation for Charlie the Barber (Charlie Burgin)**

Supervisor Gary Wall Presented Charlie the Barber with a Proclamation for his six decades of barbering at Charlie’s Barbershop in Waterford.

**CHARTER TOWNSHIP OF WATERFORD  
CHARLIE BURGIN  
RETIREMENT PROCLAMATION**

**WHEREAS**, Charlie Burgin aka “Charlie the Barber” began his career in Waterford Township on a snowy day February 14, 1957; and

**WHEREAS**, Charlie has since spent more than six decades at his location on Airport Rd. providing barber services to generations of Waterford families; and

**WHEREAS**, Charlie’s iconic message board sign out in front of his shop has been the go-to place for everything from birthday wishes, announcements, events and news to birth announcements, funerals, and even marriage proposals; and

**WHEREAS**, Charlie’s commitment to the Waterford community is exhibited not only in his longevity, but in his support of the high school athletics programs which he sponsors and regularly attends games, his hand in building and establishing St. Stephen’s Lutheran Church in 1956 of which he is still a member, and his willingness to take his services where they are needed such as hospitals and nursing homes; and

**WHEREAS**, Charlie has been known to beat the odds including two recoveries his doctors deemed “miraculous”, and his 60+ years of marriage to Thelma who is the love of his life; and

**WHEREAS**, Charlie the Barber will officially retire on June 12, 2019.

**NOW, THEREFORE, BE IT PROCLAIMED**, that I, Township Supervisor Gary Wall, on behalf of Waterford Township, its Board of Trustees, and the thousands of people who have had the privilege of being customers and friends of Charlie Burgin, do congratulate him on his retirement and wish him happiness and health.

---

Gary Wall, Supervisor, Charter Township of Waterford

Supervisor Wall then presented the following Proclamation from U.S. House Representative Haley Stevens.

Linda Glisman, representing Senator Ruth Johnson, presented Mr. Burgin the following Special Tribute.

**SPECIAL TRIBUTE  
Charlie Burgin**

LET IT BE KNOWN, that it is a privilege to honor and congratulate Charlie Burgin for over six decades of barbering at Charlie's Barbershop in Waterford. Since 1957, Charlie has served the people of his community at the landmark barbershop on Airport Rd.

Charlie is a second-generation barber. He and his dad worked alongside each other in the late fifties. From a child receiving their first haircut to a gentleman in the barber chair celebrating his 100<sup>th</sup> birthday Charlie touched so many throughout his journey.

He's been married to the love of his life, Thelma, for over sixty years. They still attend the church that Charlie helped build in 1956. Charlie's devotion to his wife, church, community, and "old school" barbershop has made him one of Waterford's finest. His community is truly proud of the years he has given to his work. Anyone from Waterford will remember how he let them put messages on his old-fashioned metal community message board. From marriage proposals to birthdays, everyone could get the latest news from Charlie's board. His devotion is a symbol of the people of Waterford and their love for their hometown.

ON BEHALF OF THE PEOPLE OF THE STATE OF MICHIGAN, Therefore, this document is signed and dedicated to honor Charlie Burgin for his years of service to his barbershop, Waterford Township, and all those who have had the privilege of getting a haircut from him. We congratulate Charlie on all his accomplishments and wish him all the best and continued happiness in his retirement.

- 4.10 Reappoint Rick Schneider as Alternate on Zoning Board of Appeals

The following memo was received from Supervisor Wall.

I respectfully request the reappointment of Mr. Rick Schneider to the Zoning Board of Appeals as an alternate Board member for a three-year term through March 31, 2022.

As you may recall, in March 2016 it was requested that the Township Board establish and appoint two alternate ZBA representatives who could be called upon for meetings if another Board member was unable to attend. This was done in the best interest of all parties to make every effort to have a full Board available to hear ZBA cases.

Mr. Schneider has served the Township and citizens in this capacity for more than three years and wishes to continue in this role. With his experience in the construction trades and serving on the ZBA as an alternate, I believe he will continue to be an asset to the ZBA.

The Zoning Board of Appeals is responsible for:

Consent Agenda Continued.

- Hearing requests for variances from the non-use requirements of the Zoning Ordinance, and granting such variances where practical difficulties exist.
- Conducting appeals of administrative actions made in carrying out or enforcing any Ordinance provisions.
- Hearing and deciding requests for interpretation of the Ordinance.
- Hearing and deciding appeals from the decision of the Planning Commission regarding special approval uses.

Thank you for your consideration.

The following memo was received from Supervisor Wall.

I respectfully request the Township Board's approval for the reappointment of Waterford residents Matt Marko and Brian Papke to the Economic Development Corporation for terms of 6 years each through June 10, 2025.

Both Mr. Marko & Mr. Papke have made valuable contributions to the EDC in the time they have already served in this capacity. Mr. Papke has nearly 30 years of engineering business experience including planning and serving successfully in leadership roles, is a long-time Waterford resident, and expresses excitement and passion for economic growth and development for the Township. Mr. Marko worked closely with the Township Board and other community leaders in development of Waterford's strategic plan, and he is focused on redevelopment, attracting new business, and retention.

I am confident both Matt and Brian will continue to serve the Waterford community effectively in this capacity.

Thank you for your consideration.

## 6. Old Business

- 6.1 Possible Adoption of Zoning Ordinance 2019-Z-003; Rezoning Case No. 19-05-01; 5761 Cooley Lake Rd. The following memo was received from Larry Lockwood, Superintendent of Planning and Zoning.

### Background and Analysis

Zoning History: 1950 – 1960: Residential 1  
 1960 – 1963: Commercial 1  
 1963 – 2010: C-2, General Business  
 2010 – Present: R-1E, Single Family Attached Residential

Township Utilities: Water and sewer services are available to the site.

Master Plan: The Master Plan for the subject property shows Single Family Residential. As referenced above, from 1960–2010 the property had been zoned for commercial business opportunities. However, the property that surrounds the fueling station is largely impacted by regulated wetlands. Therefore, the balance of the surrounding land area may not be suitable for single family residential development.

This Rezoning application request is by Omar Putrus, owner of the Mobil fuel station located at 5761 Cooley Lake Rd. The applicant, Hiller & Cooley Development Company represented by Mr. Putrus, also owns the adjoining vacant land to the east along Cooley Lake Rd. and to the south along Hiller Rd. This application is a request to rezone a 0.24 acre portion of the land to the east on Cooley Lake Rd. which was formerly part of Parcel I.D. No. 13-33-376-002 and combine it into the Mobil site. A lot split/land division application was recently approved by the Township to add this land area to the Mobil station property. The purpose of the land split and combination is to provide the Mobil station additional land area for a 464 SF building addition and expanded parking lot area

Moved by Bartolotta,

Seconded by Thomas, RESOLVED, to adopt Zoning Ordinance 2019-Z-003; Rezoning Case No. 19-05-01; 5761 Cooley Lake Rd. A roll vote was taken.

6.2 **Possible Adoption of Zoning Ordinance 2019-Z-004; Rezoning Case No. 19-05-02, 906, 908, 922, 930 & 932 W Huron St**

The following memo was received by Larry Lockwood, Superintendent of Planning and Zoning.

**Background and Analysis**

Zoning History: 1950 – 1963: Commercial -1  
1963 – 2010: C-2, General Business  
2010 – Present: C-2, Small Business District

Master Plan: The Master Plan for this area shows Urban Business (see attached). This District was established during the Township's Master Plan update in 2003 and is intended to provide for a mixture of local and community businesses.

This application to rezone the subject properties from C-2 to C-3 is by Laith Jonna, representing the Jonna Properties. The applicant purchased the subject commercial retail center in 2016 and has been working toward redeveloping the property and changing the tenant mix. As you may be aware, this commercial retail strip has been mostly vacant for a number of years. This is primarily due to the fact the existing buildings and site improvements built many years ago and are not currently in accordance with today's off-street parking standards. Please note that this request does not include the Pawn Broker/C&L Jewelry store at 924 W. Huron, which is in the center of this commercial strip. Please see the attached aerial and zoning maps for reference.

The applicant has now approached the Township about converting all of their former retail tenant space into indoor climate controlled commercial storage. This request would therefore require rezoning their two (2) parcels to the C-3 District for this specific land use.

Prior to the applicant applying for rezoning, staff discussed the option of creating a commercial condominium and or lot combination for the three (3) parcels involving the entire commercial plaza. This would require cooperation from the owner of the Pawn Broker/C&L Jewelry (924 W. Huron) which has not been obtained. For this option, staff Oakland County and they responded stating that because the east and west Jonna parcels are not contiguous and without cooperation from the owner of 924, any proposed parcel combination for the two properties cannot be approved.

When considering this rezoning request, the Zoning Ordinance requires a minimum land area of 9,000 SF for C-2 zoning lots and 24,000 SF for C-3. The applicant's east parcel contains 18,431 SF and the west parcel contains 19,002 SF. As such, the individual parcels do not meet the minimum land area requirement of 24,000 SF. The purpose for requiring these minimum land areas was to provide for lesser intensive land uses for the smaller C-2 zoning lots and to direct more intensive land use to larger zoning lots within the C-3 District.

Attached, please find the applicant's supplemental narrative that further explains their difficulty in redeveloping the subject properties for the present C-2 zoning classification.

**Planning Commission Recommendation and Zoning Board of Appeals Action:**

The Planning Commission reviewed this case at their May 7, 2019 meeting and resolved unanimously 7-0 to forward a favorable recommendation for the case on to the Township Board subject to the applicant seeking and receiving the necessary land area variances through the Zoning Board of Appeals (please see attached meeting minutes).

Possible Adoption of Zoning Ordinance 2019-Z-004; Rezoning Case No. 19-05-02, 906, 908, 922, 930 & 932 W Huron St Continued.

The applicant has now proceeded on to the Zoning Board of Appeals and received the necessary land area variances at the ZBA's May 21, 2019 meeting. The meeting minutes for that case not included with your packet information as they have not been finalized.

**Township Board Action**

When considering the general character of this area, its established commercial businesses along with a large residential population, indoor commercial storage may serve to be an acceptable business alternative for this property which would not be a traffic generator such as standard retail business with limited parking.

The necessary variances for this case have been obtained and this rezoning request is now before the Township Board for consideration.

**Motions**

If the Board wants to consider adopting the requested rezoning to C-3, General Business District, the appropriate motion would be to introduce the attached Ordinance and schedule it for possible adoption at the June 10, 2019 meeting.

However, if the Board does not want to adopt the requested rezoning, the appropriate motion would be to not introduce the Ordinance and deny the rezoning.

Staff will be available at Tuesday's meeting for any questions on this case. However, if you have any questions in advance of the meeting, please contact this office.

**8. NEW BUSINESS****8.1 Consider Approval of Request for Proposals for Single Residential Waste Hauler Contract**

The following memo was received from Gary Dovre, Township Attorney.

This subject, which is on your June 10, 2019, Agenda is related to the Waste Materials and Residential Single Hauler Ordinance Amendment that will appear earlier on that Agenda for possible introduction. If introduced and eventually adopted, as of January 1, 2020, that Ordinance would require all solid waste, recyclable materials, and yard waste from residential properties in the Township with curbside collection to be collected, transported, and disposed of by a single hauler designated by the Township.

The designated hauler would be selected based on a competitive bidding process under Request for Proposal documents I am working on but have not yet completed. However, attached to provide some information on that process is the Advertisement/Request for Proposals/Bids being recommended for approval. I can also report that in addition to the dates in that document, the other bid/proposal documents that will be presented for your approval will target August 12, 2019, as the meeting at which the Township Board could consider selecting a designated hauler and awarding a contract.

The completed RFP documents will be completed and provided to you no later than this Friday.

Moved by Markee,

Seconded by Bartolotta; RESOLVED, to approve the Request for Proposal documents for a Single Family Residential Waste Hauler Contract provided to the Board by the Township Attorney on June 7, 2019; furthermore; to authorize the Supervisor, Clerk and Treasurer to approve the final two (2) requests for proposal documents to be provided by the Township Attorney, and authorize the Clerk to post the Advertisement/Request For Proposals/Bids once all Request for Proposal documents have been approved. A roll call vote was taken.

Ayes: Wall, Markee, Birch, Bartolotta, Joliat and Thomas

**8.3 Neptune Water Meter R900 MIU Purchase**

The following memo was received from Russ Williams, Department of Public Works Director.

Please see attached memo from DPW Water & Sewer Superintendent, Mr. Joseph Ashley, requesting the purchase of 1000 Neptune R900 wall mounted MIU (Meter Interface Units) from Ferguson WaterWorks, the State of Michigan’s contracted Neptune product representative.

These are the units for inventory to replace failing R450 units. Although the R450 MIUs are being replaced under warrantee, the RMA process is time consuming. Staff are installing the R900 MIUs faster than Neptune can turn around the returned R450 MIU product.

With current water meter readings at 95% or 5% (approximately 500) estimated reads per month, Waterford Township DPW cannot afford to stop work while waiting for replacement stock.

Ferguson is an approved 2019 Single Source Vendor

This is a budgeted purchase.

**Recommended Board Action**

Approve Ferguson Bid #B005482, purchase of 1000, R900 V4 MIUs	From Account # 59043-76900 Water Service-Supplies-Meter Materials	Total Purchase Price Not to Exceed <b>\$88,790.00</b>
---	---	--

Moved by Joliat,  
 Seconded by Markee; RESOLVED, to approve the Ferguson Bid #B005482, for the purchase of 1000, R900 V4 MIU utilizing funds from account 59043-76900, Water Service-Supplies-Meter Materials, in the amount not to exceed \$88,790.00. A roll call vote was taken.

Motion carried unanimously.

**8.4 M Tech / GapVax Combination Sewer Cleaning Truck Purchase**

The following memo was received from Russ Williams, Department of Public Works Director.

Please see attached memo from DPW Water & Sewer Superintendent, Mr. Joseph Ashley, requesting the purchase of a combination jet and vacuum sewer cleaning truck. This truck had been proposed in the 2019 budgeting process but was denied. Twice in the past year, the new truck was out of service, leaving the 1997 Vactor truck as the primary emergency vehicle for sewer back-ups. Both incidents left the DPW exposed without a truck due to the unscheduled breakdowns and time trucks are in for repairs. Currently the local rental option is not available, Waterford Township is depending on Independence Township as an emergency response for a sewer backup.

The Waterford Township Board of Trustees approved a nearly identical truck purchase March 27, 2017. The quoted truck is a demo unit from the same supplier with immediate availability. The last truck was ordered with an eight-month build time. This would give the DPW two combination trucks with the same equipment / operation for ease of operator training.

This is not budgeted for FY2019. A budget amendment will be required. Township Budget Director, Derek Diederich has been an integral part of this discussion.

**Recommended Board Action**

Approve a Budget Amendment	From 590 Fund Balance	To Account #59055-97136 Sewer Capital Vehicles for a Total \$460,000.00
Approve the purchase of Mtech Quote #19740143619	From Account Number 59055-97136	For a Total Not to Exceeded Price of \$459,335.00

Moved by Bartolotta,  
Seconded by Joliat, RESOLVED, to approve the purchase of a 2019 GapVax Truck from MTech for a price not to exceed \$459,335.00 utilizing funds from account 59055-97136 Sewer Capital Vehicle. A roll call vote was taken.

Ayes: Wall, Markee, Birch, Bartolotta, Joliat and Thomas
