5200 Civic Center Drive  
Waterford, Michigan 48329

Dear Voter,

Your absent voter ballot will be REJECTED because of a missing signature or because your signature did not match the signature on file. Your absentee ballot WILL NOT BE COUNTED UNLESS YOU TAKE ONE OF THE FOLLOWING ACTIONS:

- Until 5:00 p.m. on the second Friday before Election Day, you may make a written request that your absent voter ballot be “spoiled” and have a new ballot issued immediately.
- You may sign this signature cure form and mail it back to the clerk’s office at 5200 Civic Center Drive, Waterford, Michigan 48329., or scan/photograph and email it to elections@waterfordmi.gov, or deliver it to the clerk’s office at 5200 Civic Center Drive. The form must be received by 5:00 p.m. on the Friday after Election Day.
- You may visit the clerk’s office and re-sign the absent voter ballot return envelope or provide a signature. You must re-sign by 5:00 p.m. on the Friday after Election Day in order to have your ballot counted for this election.
- Alternatively, you may vote at an early voting site (if available for the election) or at the precinct on Election Day instead of voting an absent voter ballot.

## VOTER CERTIFICATE FOR PROVIDING ABSENT VOTER BALLOT SIGNATURE

I returned my absent voter ballot to my clerk, and I have been notified that my signature on the absent voter ballot return envelope was either missing or did not seem to match my signature on file. I hereby affirm, under penalty of perjury, that:

- I requested and returned an absent voter ballot for the general election. I am the individual whose name appears on the absent voter ballot return envelope that I returned to my township clerk’s office. I am signing this signature cure form instead of submitting a new absent voter ballot return envelope.
- I am a United States citizen.
- I am qualified and registered to vote in the Charter Township of Waterford to which I returned my absent voter ballot.
- I or another individual delivered my absent voter ballot to the clerk’s office.

If you are unable to provide a signature that is similar to the signature on file, please check the box below.

[ ] My signature differs from the signature on file due to a medical condition, advancing age, or the number of years that have elapsed since I last provided a signature for a driver’s license/state ID or voter registration purposes.
