Hello Jason,

According to Ordinance No. 2023-005, Medical Marijuana Facility Ordinance (you are required to have a medical license before an adult use license is considered) Sec. 10-307 (e) states, "No transfer of a location shall be permitted." the Marihuana Establishments Ordinance for adult use, in Sec. 10-326 (e) also prohibits the transfer of a location.

For more information, please visit our website where the complete ordinance is listed [Amendment-and-Restatement-of-MMFL-Ordinance](#).

Also, Waterford is not accepting applications at this time.

Thank you,

Kim

Subject: Adult-Use Marihuana Establishment License Question

Waterford Clerk,

Good afternoon.

If a cannabis retail license is issued, does Waterford allow the licensee to move to another location (assuming it is to a location already approved/zoned for cannabis retail use)?

Please assume no other changes to the licensee, e.g., no change in ownership, entity status, etc. Just moving from one address to another address.

Acknowledgment that this submission and any Township response to it will be posted on the Township's website for Adult-Use Marihuana Facility Licensing.

Jason
