**SUSPECT ARRAIGNED IN CONNECTION WITH ARMED ROBBERY OF  
SUBWAY RESTAURANT IN WATERFORD**

The man listed below was charged by the Oakland County Prosecutor's Office as follows:

**David Aguilar Jr. Hispanic-Male 10/02/1979**

Count 1 – Robbery Armed

David Aguilar Jr, was arraigned in the 51<sup>st</sup> District Court (Waterford) on one count of armed robbery, by Judge Richard Kuhn. Bond was set at \$500,000.00 cash or surety only. Since arraignment, Aguilar Jr. has been bound over to Oakland County Circuit Court for trial. Circuit Court arraignment is scheduled for March 19, 2025 at 11:00am.

A few minutes after 5:00pm on February 28<sup>th</sup> Aguilar Jr. entered the Subway restaurant at 5034 Dixie Highway, approached the counter, and told the clerk "I have a gun. I'm going to blow your head off if you don't give me all the money". The clerk opened the register and backed away, at which time Aguilar Jr. grabbed all of the money from the register and walked out.

The vehicle used by Aguilar Jr. was described as a black ford Taurus, licensed plate EBJ2682. The same suspect, and vehicle, was also believed to be responsible in the robbery of the Fifth-Third bank in Independence Township, just prior to the Subway robbery.

Suspect and vehicle information was broadcast to surrounding police agencies and an Oakland County Sheriff's Deputy spotted the vehicle near Walton Boulevard and Joslyn in Pontiac. The vehicle was stopped and Aguilar Jr. was taken into custody.

Search warrants were executed on the suspect vehicle and a house in Pontiac and evidence was recovered that links Aguilar Jr. to both robberies.

*"to protect and to serve"*

The successful apprehension of this dangerous criminal is the direct result of swift action by the clerk at Subway who put into motion a coordinated effort involving Waterford Township Dispatchers, Uniformed Patrol Officers, Detectives, and the Special Operations Unit, as well as Oakland County Sheriff's Deputies from Pontiac and Detectives from the OCSO Independence Township sub-station.
