

Charter Township of Waterford  
Community Greenways Advisory Committee  
(CGAC) cares!

**\*MISSION\*** to protect and expand greenways.  
Greenways are pathways used for recreation and non-  
motorized transit throughout the township that  
connect neighbors and neighborhoods in an environmentally  
friendly way.

If you see an issue (fallen trees, excessive trash, etc.) on the  
Riverwalk, would like to see specific improvements, or have any  
suggestions for the Riverwalk or other greenways, then please  
let us know by using the below links to our CONTACT US page.
