Soccer referees are independent contractors that will be paid by our Referee Manager, Mike Eberle for Waterford Parks and Recreation Department games worked at the Waterford Civic Center Soccer Fields. Referee scheduling will be handled by Christine Lindsay.

On game day here is the procedure for getting paid:

- Referees are to fill out the pink game "Official Game Report" card and turn in at the staff table with Mike Eberle or Matt Eberle
- Referees will then be paid for the games they worked that day

**When refereeing Girls U14/U16 Games** – when an Independence Township team is playing at our Waterford fields, you need to inform the Independence Township coach(es) that the game will be played using Waterford Parks and Recreation Department's modified rules. And that opposite teams (players, coaches, and spectators) sit on opposite sides of the field – home team's choice of sides.

**When refereeing Boys U14 Games** - we will not be using Waterford's modified rules - regular club rules will be used during these games.
