Corporate.....\$50.00 Email _____

Our mission is to support and enhance the services of the Waterford Township Library and build a strong relationship between the library and our community.

Good Libraries Need Good Friends

"Our library benefits from our Friends group by the expansion of our resources to serve our community. Friends extend our capacity through dollar gifts, volunteer and program support, and through advocacy. This is especially true as we face the challenge of providing library services with our dedicated millage's revenues, which have yet to recover from the recent recession. Every day our Friends of the Library are making a difference for our library."

Joan M. Rogers, Library Director

Get Involved as a Friends Member

As a Friends member, you can volunteer as little as an hour a month to a few hours a week or just help with one special event per year. Simply being a member, you add value to your library.

- Promote awareness of the library's programs and services
- Volunteer for library programs and services
- Donate gently used books, DVDs, CDs and puzzles

Join our Friends Board

We plan special programs to support the Library, organize volunteers for Library events, and act as advocates for the Library.

Other ways to support your community library:

Give a Gift Book or DVD - Is there someone special in your life celebrating a milestone or someone's memory you wish to honor? Your gift to the Gift Book Program is a thoughtful way to remember a special person or occasion while helping to build the library's collections.

With the Gift Book program, you choose the amount and select the subject matter. Librarians carefully select the item(s) based on your suggestions. The honoree will be recognized with a bookplate placed in each item. All donations are listed in the Library's quarterly newsletter and in the Gift Book Registry located at the library.
