This proposal would:

- Allow individuals 21 and older to purchase, possess and use marijuana and marijuana-infused edibles, and grow up to 12 marijuana plants for personal consumption.
- Impose a 10-ounce limit for marijuana kept at residences and require amounts over 2.5 ounces be secured in locked containers.
- Create a state licensing system for marijuana businesses and allow municipalities to ban or restrict them.
- Permit retail sales of marijuana and edibles subject to a 10% tax, dedicated to implementation costs, clinical trials, schools, roads, and municipalities where marijuana businesses are located.

Proposal 18-2
A proposed constitutional amendment to establish a commission of citizens with exclusive authority to adopt district boundaries for the Michigan Senate, Michigan House of Representatives and U.S. Congress, every 10 years

This proposed constitutional amendment would:

- Create a commission of 13 registered voters randomly selected by the Secretary of State:
- 4 each who self-identify as affiliated with the 2 major political parties; and
- 5 who self-identify as unaffiliated with major political parties.
- Prohibit partisan officeholders and candidates, their employees, certain relatives, and lobbyists from serving as commissioners.
- Establish new redistricting criteria including geographically compact and contiguous districts of equal population, reflecting Michigan's diverse population and communities of interest. Districts shall not provide disproportionate advantage to political parties or candidates.
- Require an appropriation of funds for commission operations and commissioner compensation.

- Become automatically registered to vote when applying for, updating or renewing a driver's license or state-issued personal identification card, unless the person declines.
- Simultaneously register to vote with proof of residency and obtain a ballot during the 2-week period prior to an election, up to and including Election Day.

Township
Community Center Bond Proposition

Shall the Charter Township of Waterford, Oakland County, Michigan, borrow a sum of money not to exceed Thirty Million Dollars (\$30,000,000) and issue its general obligation unlimited tax bonds therefor for the purpose of acquiring, constructing, equipping and furnishing new community center facilities to be located on the charter township campus on Civic Center Drive, and improving the site thereof? The maximum number of years the bonds may be outstanding, exclusive of refunding, is 21 years; the estimated millage that will be levied to pay the proposed bonds in the first year that the levy is authorized is 0.84 mills (which is equal to \$0.84 per \$1,000 of taxable value of real and tangible personal property in the Charter Township of Waterford); and the estimated simple average annual millage that will be required to retire the bonds is 0.84 mills.
