PARENT'S INFORMATION

SEASON: A six-game season will be played on Sundays starting on or after 10:30AM. If there are an odd number of teams in any age group, double header games may be played during the season. **12U-14/16U Age Groups:** May have both weekday and weekend games in surrounding communities.

COACHES NEEDED: Coaches and assistants are necessary to run this program. We depend upon parents to fill these positions. Clinics and/or handouts are available to instruct coaches. **This program is based on volunteer coaching. Once teams are formed, if no parent from your child's team volunteers to coach, your money will be refunded and the team will be disbanded. No coaching experience is necessary.**

Players will play in the age group according to their birth year. No one will be allowed to move down in any age group. A player may move up one year if a player up-waiver is signed by a parent. Teams will be assigned by previous season's rosters, then by school, and then by the coordinators discretion.

EQUIPMENT: Players must provide a practice ball and shin guards.
