 Address \_\_\_\_\_ Is this an address change?  Yes  No

Complete the information below for expenses incurred by you or your dependents for which you are requesting reimbursement. If this form is not filled out completely, a delay in reimbursement will occur. You must provide itemized documentation for each expense or an explanation of benefits statement (EOB). An EOB is the statement from your insurance company showing what they have paid.

Is the person who incurred the expense an eligible individual who contributes to a "health savings account" (or does the person's employer contribute to a "health savings account" on his or her behalf)? If the answer is "yes," only that person's uninsured dental and vision expenses, preventive care (such as annual physicals and routine well-child care, related tests and immunizations, and tobacco cessation and obesity weight loss programs) and other expenses incurred after the minimum annual deductible under the high deductible health plan is satisfied may be reimbursed. (Note: A contribution to a health savings account is only permitted by a person whose only health coverage is a "high deductible health plan.")
