

## **Waterford Township**

### **2023-2024 Public Participation & Education Plan Summary**

#### Summary of PPP Efforts during the permit period:

- The Township's PEP and IDEP are available on the Watershed Management web page. Our 2024 permit will be made available, with contact information for questions, by April 2025.

#### Summary of PEP Efforts during the permit period:

- 1) *NoHaz Events* – advertised on website, social media, Development Services counter, Channel 17, and library.
  - a. In 2023, 3,776 people participated and dropped off materials with 14.07% of participants from Waterford Township (the fourth largest in participation for all 14 communities active at the event). Approximately 507,324 pounds of HHW was collected and disposed of.
  - b. In 2024, 3,733 people participated and dropped off materials with 16.3% of participants from Waterford Township (the third largest in participation for all 15 communities active at the event). Approximately 513,065 pounds of HHW was collected and disposed of.
- 2) *Earth Day Clean Up Event (Annually)* – The Township hosts an annual event to solicit volunteers to pick up trash along the roadways.
  - 2023: 138 volunteers picked up 24 cyds (1.21 tons) of litter
  - 2024: 136 volunteers picked up 25 cyds of litter
- 3) *Clinton River Walk Cleanup*
  - 10 volunteers collected approximately 1.0 cyds of trash in May 2023
  - 25 volunteers collected approximately 1.5 cyds of trash in May 2024
  - Additionally, even more natural debris is collected separately and not included in the trash.
- 4) *Township Website*
  - The Township posts stormwater information on the Environmental Resources web page and main page. Topics include: HHW, cold weather practices, stormwater runoff, lawn care, yard waste, native landscaping, goose management, riparian responsibilities, Phragmites, rain gardens, rain barrels boat and auto care, pet care, septic systems, etc.
- 5) *Social Media*
  - Throughout the year, we post stormwater related content on our Facebook page – see attached. There are approximately 8,200 followers to the Facebook page.
- 6) *Township Newsletter (Monthly)*
  - ENewsletters are developed monthly and occasionally the Township posts information regarding recycling, HHW, and various stormwater topics – see attached. The Township has over 1,000 subscribers to the ENewsletter.
- 7) *Exhibits / Presentations / Tours*
  - In April 2023 and May 2024, we hosted the Waterford Business Expo where we distributed stormwater related information to the general public.
  - In August 2023/2024, we hosted Meet the Fleet, where we distributed stormwater related information to the general public.
  - In February 2023, the Township hosted 5 Girl Scouts and parents for a tour at the DPW and talked about stormwater and groundwater issues. The groundwater model was also displayed.

- In September 2022, the Township handed out wellhead protection swag and information and set up the groundwater model at the Business Expo.
  - In April 2022, the Township and DLZ presented to 160 Riverside Elementary School 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade students. They presented the groundwater model and talked about what happens to substances that get spilled or dumped on the ground as it relates to surface and groundwater systems.
  - In May 2021, the Township handed out wellhead protection swag and information and set up the groundwater model at the Business Expo.
- 8) *Prescription Drug Drop Off Event*
- In 2024, 360 pounds and 8 ounces of unwanted and discarded medications were collected. The event was advertised via social media.
- 9) *Parks & Recreation Dept Classes/Events* – Throughout the year, the Township P&R Dept. hosts guided evening nature walks, Wildlife Wednesdays, Pre-School Nature Enthusiasts Camp, Nature Discovery Camp, Nature Survival Camp, and Fantastic Discoveries class. These classes help educate kids and parents about watershed awareness, water environments, water conservation, etc.
- 10) *Pet Waste Collection Stations* – 20 pet waste collection stations are located throughout the Township. In addition, the Township has worked with several multi-family residential complexes to have them install their own pet waste collection stations.
- 11) *Clinton River Watershed Tributary Signs* – 34 river crossing signs are located throughout the Township. 59 Wellhead Protection Signs are also posted. We also have sign at the Township's canoe launch, educating residents and visitors on cleaning watercraft to prevent invasive aquatic species.

#### Progress Toward Meeting Measurable Goals

Below, we've provided progress towards meeting our measurable goals, which were provided in our 2022 permit.

*Increased Participation at HHW Events* – We consistently had 400+ people or more from the Township attend the HHW drop-off events.

*Increase in Stewardship* – Volunteers continue to participate in the Earth Day cleanups, drug drop off, and other events throughout the year.

*Website content* – Our website currently contains information on: HHW, recycling, lawn care, LID, cold weather practices, storm drain awareness, riparian buffers and lakeshore management, rain barrels, pest management, and more. In 2024, 108 page views were received on the Environmental Resource Center page and in 2023, 112 page views were received.

*Newsletter* – We aim to post 1 stormwater related article per quarter.

*Pet waste receptacles at parks* – The Village has pet waste receptacles in 2 parks that are along the river.

#### Program Effectiveness Evaluation

We have made good progress toward meeting our measurable goals, through continuation of the HHW events, Earth Day events, website, newsletters, Facebook posts, etc.

A sure sign of nicer weather is here at Town Hall!

Today officially kicks off the start of curbside yard waste collection with GFL. If you use your own 32 gallon can for yard waste and need a sticker for it, stop by Town Hall to pick a few up.

While you are here, take a brochure for information about the household hazardous waste collection, and pick up some insect repellent to help keep mosquitos and ticks away in this warmer weather.

GFL will be collecting on the usual schedule this week, their service isn't impacted by Good Friday or Easter.

The next holiday observed by GFL that will impact collection is Memorial Day on Monday, May 29, 2023 when everyone's residential curbside service that week will be moved to one day later than usual.

Volunteers Needed for Annual Earth Day Cleanup Event April 22nd!

Join us for the 8th Annual Waterford Township Earth Day Cleanup event on Saturday, April 22, 2023, from 8:00 a.m. until 2:00 p.m.

Volunteers will be out in the community doing their part to clean up litter along roadsides and in parks in Waterford Township. Students, adults, families, individuals, and groups are encouraged to participate! Community service hours available. Choose your own hours between 8:00 a.m. and 2:00 p.m., and help us clean up the planet one bag at a time!

Sign up in advance online at [www.waterfordmi.gov/earthday](http://www.waterfordmi.gov/earthday) or call 248-674-6201.

**8th Annual Earth Day  
Township Cleanup Event**

**CLEAN UP THE PLANET ONE BAG AT A TIME**

**SATURDAY, APRIL 22, 2023  
8 AM TO 2PM**

Join us in volunteering to  
clean up litter along roadways.  
Signup & details at

GFL curbside yard waste collection has begun! Remember to have your bags and cans out to the road by 7am on your collection day. Please review the reminders about size and weight limits. Waterford has unlimited yard waste collection as far as number of containers, but there are still some basic guidelines that will make everyone's lives a little easier! 😊

Need a compost sticker for your 32 gallon trash can? Stop by Town Hall to pick one up during regular business hours or stop by the Waterford Township booth at the Support Local Expo at Waterford Mott on April 25th from 5:30 to 7:30pm.

**It's almost that time again! Spring cleanup is right around the corner.**

**For Waterford GFL curbside collection customers, unlimited yard waste will be collected weekly April 3 – December 15, 2023.**

**Place yard waste in brown yard waste bags or in plastic 32-gallon containers clearly marked "X" facing the street. Branches are to be no more than two inches in diameter, no longer than four feet in length, and must be bundled. Bundles and containers must weigh less than 50 pounds. No tree stumps or trunks are accepted. No compost will be accepted in plastic bags.**

### Household Hazardous Waste Collection Event 2023 Dates & Locations

First event April 29th!

Waterford Township has partnered with the North Oakland Household Hazardous Waste Consortium (NO HAZ). NO HAZ provides residents of participating communities a safe and environmentally responsible way to dispose of Household Hazardous Waste (HHW).

Registration links will be posted on the No Haz website [www.nohaz.org](http://www.nohaz.org) approximately three weeks prior to each collection date. You must register in advance. Waterford Residents pay a fee of \$15.

This year's collection dates and locations are as follows. All dates and locations hours are 8 a.m. to 2 p.m.

Saturday, April 29th Pine Knob Music Theatre, 33 Bob Seger Dr. in Clarkston

Saturday, June 3rd Oxford Middle School 1420 Lakeville Rd. in Oxford

Saturday, July 22nd Kensington Church 4340 Lapeer Rd. in Orion Township

Saturday, September 16 Oakland County Service Center 1200 N. Telegraph Rd.

Once again, Waterford, you knock our socks off!

Waterford's annual Earth Day Township cleanup event was a wonderful success in spite of some dicey weather on Saturday, April 22, 2023!

Nearly 140 volunteers fanned out into 30 different locations across the Township to clean up roadsides and parks. They collected approximately 18 cubic yards of trash weighing in at 1.21 TONS!!

Special thanks to every person who donated their time and labor to this wonderful event. It makes an immediate impact on your community and we are so very thankful for you ❤️

Thank you, also, to the following businesses for their generous support of this event:

**ACE Hardware on Dixie Hwy.** - donated cases of water

**GFL Environmental** - donated reusable vests, sent a truck and two staff members to collect our filled bags

**McNab's Hardware** - donated gloves and trash bags

**Tenuta's** - donated cases of water

UPDATE 8/15/23: DEADLINE EXTENDED TWO WEEKS.

Payments received by GFL and credited to your account no later than August 31st will help prevent tax transfer. See details below.

GFL Bills: Pay by August 15th to Avoid Possible Transfer to Taxes

Waterford residential curbside customers are encouraged to pay their GFL bills before August 15th. Any unpaid invoices and late fee amounts after August 15th each year may be assigned to the property tax roll with an additional 6% administrative fee for collection on the December tax bill.

GFL can be reached by phone at the dedicated Waterford number 248-204-6762 or online at [www.gflusa.com](http://www.gflusa.com)

Waterford customers are invoiced quarterly with amounts due on January 1st, April 1st, July 1st, and October 1st. Invoices are sent approximately 45 days prior to the invoice's due date.

#### GFL Holiday Collection Reminders - Waterford Residential Curbside Collection

Please remember that if a holiday falls on a weekday, your scheduled service day will be delayed by one day and does include Saturday collection in those cases. Regular collection will resume the following week.

GFL observes Thanksgiving and is closed Thursday, November 23, 2023. If your collection day is usually Thursday, GFL will collect on Friday, and if your collection day is usually Friday, GFL will collect on Saturday.

GFL observes Christmas Day and is closed on Monday, December 25, 2023. All collections that week will be delayed by one day from the usual schedule including Saturday pickup for Friday customers.

GFL observes New Year's Day as well on January 1, 2024. All collections that week will be delayed by one day from the usual schedule including Saturday pickup for Friday customers.

Just a friendly reminder as we move closer to Winter - the last week for yard waste collection is December 11-15th. Yard waste placed at the curb in approved containers by 7 a.m. on your usual collection day that week will be the very last collection of the year!

After that, GFL will start collecting again on April 8, 2024.

Questions or concerns? Contact GFL on their dedicated Waterford phone line at 248-204-6762

### Yard Waste Reminder

We know the weather has been pretty great lately, but it's not quite time to put those yard waste bags at the curb for collection, yet!

Waterford GFL customers receiving curbside collection: please note, yard waste collection begins April 1 and will be collected through December 13, 2024 on your designated collection day. (P.S. This is NOT an April Fools Day, joke 😊)

Please refrain from placing yard waste curbside until then.

In the meantime, enjoy this beautiful weather!

Calling all volunteers, it's time for the 9th Annual Earth Day Township Cleanup Event!

Join us Saturday, April 20, 2024, 8am to 2pm as we hit the streets and parks in our community to help clean up litter from roadsides and common areas. (signup link in the comments)

Last year nearly 140 volunteers collected over one TON of trash in 30 locations across the Township.

Let's see what we can do to repeat that success or crush it!

Be part of a great event that makes an immediate and positive impact in the community!

Join your friends and neighbors for a few hours this Saturday as we work together to clean up roadside litter.

This annual event is a great success when volunteers come together toward a common goal. Last year 138 volunteers collected over 1 ton of trash from roadsides here in our Township.

Just a few hours of your time will make a large and immediate impact. Sign up today, then stop by Saturday morning between 8am and 10am to pick up your supplies and choose a location to work.

Work all 6 hours, or just one - whatever you can do is appreciated!

Questions? Call 248-674-6201

March 20 · 🌐

As you're taking on the task of Spring cleaning, consider what may be in the items you're disposing of.

If they could be harmful to the environment and groundwater, it's best to safely dispose of them through a Household Hazardous Waste Collection program like NoHaz.

Waterford Township has partnered with the North Oakland Household Hazardous Waste Consortium (NO HAZ). NO HAZ provides residents of participating communities a safe and environmentally responsible way to dispose of Household Hazardous Waste (HHW).

Registration links will be posted on the No Haz website [www.nohaz.org](http://www.nohaz.org) approximately three weeks prior to each collection date. You must register in advance. Waterford Residents pay a fee of \$15.

This year's collection dates and locations are as follows. All dates and locations hours are 8 a.m. to 2 p.m.

Saturday, April 27, 8 am – 2 pm  
Oakland County Service Center Campus  
1200 N. Telegraph Road, Pontiac  
Follow signs once on campus

Saturday, June 1, 8 am – 2 pm  
Oxford Middle School  
1420 Lakeville Road, Oxford  
From M24/Lapeer Road, travel east on Burdick Street

Saturday, July 20, 8 am – 2 pm  
Kensington Church  
4640 S. Lapeer Road, Orion Township

Saturday, September 14, 8 am – 2 pm

Waterford Township GFL residential customers alert:

Some Waterford GFL residential curbside collection customers may experience up to a 1-day delay in collection of trash, recycling, yard waste, and bulk items through this week in addition to the one-day delay for the holiday.

Staff is working diligently to get caught up with the expectation of reaching that goal by the first of next week.

If your neighborhood or street seems to have been "missed" for collection, this is likely the cause. If it's just your personal stop that seems to have been missed, please contact GFL at 248-204-6762 or log onto your account on the website to report a missed collection.

Thank you for your patience.

### GFL Environmental and Priority Waste

Update June 26 - A senior staff member at GFL has spoken to Supervisor Wall this morning and has assured him that GFL will collect all trash, recycling, and yard waste for curbside Waterford customers by the end of the weekend.

While your collection is likely to be delayed, customers are asked to place their items at the curb by 7am on their usual collection day and leave them there until they are collected. GFL is experiencing extreme staff shortages and have brought in dozens of extra staff today to help get caught up. Waterford Township and GFL understand the frustration for customers, and we appreciate your continued patience.

Update: June 24th - Compost and yard waste will not be collected until Priority Waste takes over effective July 1, 2024. Please place compost bags in garbage receptacles or they can be taken to landscape suppliers to be discarded. We apologize for the inconvenience.

Update: June 17th - We have confirmed with Waterford's GFL route Supervisor that yard waste and recycling are running behind today and may be delayed through the week. Please place your items at the curb by 7 a.m. on your scheduled collection day and leave them at the curb until they are collected; you may experience a one-day delay for recycling and yard waste this week as GFL is prioritizing collection of trash first and foremost.

Thank you for your continued patience.

On June 7th, Waterford Township received notice of a pending sale that will transfer all residential curbside waste collection business from GFL to Priority Waste beginning July 1 across Southeast Michigan. The transaction reportedly includes more than 70 municipalities and over 700,000 customers.

Township Supervisor Gary Wall will meet with GFL and Priority Waste before that date to discuss details of the transition, and Waterford will provide updates as factual information becomes available. Please visit the Township website [www.waterfordmi.gov](http://www.waterfordmi.gov) and our Facebook page for the latest updates.

At this time, residents should continue to place their trash, recycling, yard waste, and bulk items at the curb for collection as usual on their established collection days. Please continue to contact GFL directly for billing questions or service issues at 248-204-6762, or by logging on to your GFL account on their website at <https://myaccount.gflenv.com> Waterford Township staff can be reached at 248-618-7408 or through the Township website at <https://www.waterfordmi.gov/forms.aspx?fid=63>

### GFL Environmental and Priority Waste

On June 7th, Waterford Township received notice of a pending sale that will transfer all residential curbside waste collection business from GFL to Priority Waste beginning July 1 across Southeast Michigan. The transaction reportedly includes more than 70 municipalities and over 700,000 customers.

Township Supervisor Gary Wall will meet with GFL and Priority Waste before that date to discuss details of the transition and Waterford will provide updates as factual information becomes available. Please visit the Township website [www.waterfordmi.gov](http://www.waterfordmi.gov) and our Facebook page for the latest updates.

At this time, residents should continue to place their trash, recycling, yard waste, and bulk items at the curb for collection as usual on their established collection days. Please continue to contact GFL directly for billing questions or service issues at 248-204-6762, or by logging on to your GFL account on their website at <https://myaccount.gflenv.com> Waterford Township staff can be reached at 248-618-7408 or through the Township website at <https://www.waterfordmi.gov/forms.aspx?fid=63>

Update: June 17th - We have confirmed with Waterford's GFL route Supervisor that yard waste and recycling are running behind today and may be delayed through the week. Please place your items at the curb by 7 a.m. on your scheduled collection day and leave them at the curb until they are collected; you may experience a one-day delay for recycling and yard waste this week as GFL is prioritizing collection of trash first and foremost.

Thank you for your continued patience.

Compost/yard waste will not be collected until Priority Waste takes over effective July 1, 2024. Please place compost bags in garbage receptacles or they can be taken to landscape suppliers to be discarded. We apologize for the inconvenience.

GFL Environmental and Priority Waste

June 26 - A senior staff member at GFL has spoken to Supervisor Wall this morning and has assured him that GFL will collect all trash, recycling, and yard waste for curbside Waterford customers by the end of the weekend.

While your collection is likely to be delayed, customers are asked to place their items at the curb by 7am on their usual collection day and leave them there until they are collected.

GFL is experiencing extreme staff shortages and have brought in dozens of extra staff today to help get caught up. Waterford Township and GFL understand the frustration for customers, and we appreciate your continued patience.

A message from Supervisor Wall regarding Waterford's residential waste hauling

July 17, 2024

Residents,

I have been in contact daily with our new residential refuse hauler Priority Waste sometimes multiple times a day. The one constant is they are still down on vehicles and have them being repaired both internally and by outside companies, and even some out of state.

This has been difficult for all of us to say the least.

When I first met with Priority Waste to discuss the transfer of services from GFL to them, they felt there would be some problems getting all of the services that we pay for starting out. The reports I get on a daily basis is that they are running behind, but as they get the fleet repaired and up and running, my expectation is they will get caught up and start providing the service that we need and are paying for.

So if they do not pick up your garbage, recycling, yard waste, or bulk items on your regularly scheduled day, please leave it at the curb to be picked up the following day(s).

Thank you for your patience and communications. We are all in this together.

-Gary Wall

Just a reminder re: how this week's holiday impacts curbside residential collection in [Waterford Township, Michigan](#) this week. 🍂

Please remember, GFL will NOT return for late sets, so make sure your items are at the curb no later than 7 a.m. on your trash day! The change in schedule often means they will come to your home at a different time than you're used to, so don't chance it. 🍂

**GFL Holiday Collection Reminders - Waterford Residential Curbside Collection**

Please remember that if a holiday falls on a weekday, your scheduled service day will be delayed by one day and does include Saturday collection in those cases. Regular collection will resume the following week.

GFL observes Thanksgiving and is closed Thursday, November 23, 2023. If your collection day is usually Thursday, GFL will collect on Friday, and if your collection day is usually Friday, GFL will collect on Saturday.

GFL observes Christmas Day and is closed on Monday, December 25, 2023. All collections that week will be delayed by one day from the usual schedule including Saturday pickup for Friday customers.

GFL observes New Year's Day as well on January 1, 2024. All collections that week will be delayed by one day from the usual schedule including Saturday pickup for Friday customers.

Just a friendly reminder as we move closer to Winter - the last week for yard waste collection is December 11-15th. Yard waste placed at the curb in approved containers by 7 a.m. on your usual collection day that week will be the very last collection of the year!

After that, GFL will start collecting again on April 8, 2024.

Questions or concerns? Contact GFL on their dedicated Waterford phone line at 248-204-6762.

**GFL Residential Collection - Holiday Reminders**

Please remember that if a holiday falls on a weekday, your scheduled service day will be delayed by one day and does include Saturday collection in those cases. Regular collection will resume the following week.

GFL observes Christmas Day and is closed on Monday, December 25, 2023. All collections that week will be delayed by one day from the usual schedule including Saturday pickup for Friday customers.

GFL observes New Year's Day as well on January 1, 2024. All collections that week will be delayed by one day from the usual schedule including Saturday pickup for Friday customers.

**Yard Waste Reminder**

We know the weather has been pretty great lately, but it's not quite time to put those yard waste bags at the curb for collection, yet!

Waterford GFL customers receiving curbside collection: please note, yard waste collection begins April 1 and will be collected through December 13, 2024 on your designated collection day. (P.S. This is NOT an April Fools Day, joke 😊)

Please refrain from placing yard waste curbside until then.

In the meantime, enjoy this beautiful weather!

March 14, 2024 · 🌐

Calling all volunteers, it's time for the 9th Annual Earth Day Township Cleanup Event!

Join us Saturday, April 20, 2024, 8am to 2pm as we hit the streets and parks in our community to help clean up litter from roadsides and common areas. (signup link in the comments)

Last year nearly 140 volunteers collected over one TON of trash in 30 locations across the Township.

Let's see what we can do to repeat that success or crush it!

Be part of a great event that makes an immediate and positive impact in the community!

Plans for yard work this weekend? We've got some good news for you 😊

GFL curbside yard waste collection begins April 1, 2024 and will be collected weekly through the second full week of December on your regular collection day. All bags and containers must be at the curb by 7:00 a.m. on your collection day.

For a full list of yard waste details, please visit the Waterford Township website <https://www.waterfordmi.gov/.../GFL-Waterfords...>

Questions? Call Waterford's dedicated GFL phone number at 248-204-6762.

The first NoHaz household hazardous waste collection event is coming up on April 27th. See this post for details for time, location, and registration information.

Waterford Township, Michigan

March 20 · 🌐

As you're taking on the task of Spring cleaning, consider what may be in the items you're disposing of.

If they could be harmful to the environment and groundwater, it's best to safely dispose of them through a Household Hazardous Waste Collection program like NoHaz.

Waterford Township has partnered with the North Oakland Household Hazardous Waste Consortium (NO HAZ). NO HAZ provides residents of participating communities a safe and environmentally responsible way to dispose of Household Hazardous Waste (HHW).

Registration links will be posted on the No Haz website [www.nohaz.org](http://www.nohaz.org) approximately three weeks prior to each collection date. You must register in advance. Waterford Residents pay a fee of \$15.

This year's collection dates and locations are as follows. All dates and locations hours are 8 a.m. to 2 p.m.

Saturday, April 27, 8 am – 2 pm  
Oakland County Service Center Campus  
1200 N. Telegraph Road, Pontiac  
Follow signs once on campus

Saturday, June 1, 8 am – 2 pm  
Oxford Middle School  
1420 Lakeville Road, Oxford  
From M24/Lapeer Road, travel east on Burdick Street

Saturday, July 20, 8 am – 2 pm  
Kensington Church  
4640 S. Lapeer Road, Orion Township

Saturday, September 14, 8 am – 2 pm  
Oakland County Service Center Campus  
1200 N. Telegraph Road, Pontiac  
Follow signs once on campus

Waterford Township GFL residential customers alert:

Some Waterford GFL residential curbside collection customers may experience up to a 1-day delay in collection of trash, recycling, yard waste, and bulk items through this week in addition to the one-day delay for the holiday.

Staff is working diligently to get caught up with the expectation of reaching that goal by the first of next week.

If your neighborhood or street seems to have been "missed" for collection, this is likely the cause. If it's just your personal stop that seems to have been missed, please contact GFL at 248-204-6762 or log onto your account on the website to report a missed collection.

Thank you for your patience.

Bring the kids out to Pontiac Lake Recreation Area at the Fishing Pier on June 8th for the Breakfast Optimist Club of Waterford annual Free Kids Fishing Derby! Sponsored by Waterford's own The Bait Shop.

The poster features a central illustration of two children, a boy and a girl, sitting on a wooden pier and fishing. A large fish is shown jumping out of the water. The title 'ANNUAL OPTIMIST YOUTH FISHING DERBY' is written in a large, blue, arched font. Below the illustration, the event details are listed: 'Pontiac Lake Recreation Area at the Fishing Pier' and 'Saturday, June 8th 9 AM to Noon'. Three orange starburst shapes contain the age groups and their respective times: 'Ages 6 and Under 9:00 to 9:45 AM', 'Ages 7 to 9 10:00 to 10:45 AM', and 'Ages 10 to 12 11:00 to 11:45 AM'. A yellow banner at the bottom states 'FREE EVENT POLES & BAIT PROVIDED'. The bottom section includes the sponsor 'the Bait Shop' with their address and website, a QR code, and pre-registration information.

Congratulations!

Priority Waste will be your new service provider.  
Effective July 1, 2024

FAQs

FREQUENTLY ASKED QUESTIONS

How can I contact Priority?

Phone: (844) 228-1200  
Live Chat: PriorityWaste.com

Will my service day stay the same? YES

Yes, your service day will remain the same. Please have your trash, recycling, and compost out by 7 am the day of your service. Remember, you have a collection day, not a collection time.

Will any of my services change? NO

No, Priority will perform the same services according to the contract specifications of your municipality.

Will my current carts be serviced? YES

Yes, Priority will service the existing carts that you are using. If you are in need of a cart replacement, contact us by phone or website.

What are the holidays Priority observes?

Priority observes six major holidays including Christmas, New Year's Day, Easter, Independence Day, Thanksgiving, Memorial Day, and Labor Day.

Congratulations!

Priority Waste will be your new service provider.

#### GFL Environmental and Priority Waste

On June 7th, Waterford Township received notice of a pending sale that will transfer all residential curbside waste collection business from GFL to Priority Waste beginning July 1 across Southeast Michigan. The transaction reportedly includes more than 70 municipalities and over 700,000 customers.

Township Supervisor Gary Wall will meet with GFL and Priority Waste before that date to discuss details of the transition and Waterford will... [See more](#)

July 19th Residential Waste Collection Update:

As of the afternoon of July 19th, Priority Waste is running approximately one day behind on their Waterford routes. The Northeast section of the Township off Clintonville Rd. is experiencing a 2 day delay in collection. Priority Waste will continue to work through this evening and then again on Saturday to catch up on their routes.

Please continue to place your waste at the curb by 7 a.m. on your scheduled collection day and leave it at the curb until it is collected by the hauler.

A message from Supervisor Wall regarding Waterford's residential waste hauling

July 17, 2024

Residents,

I have been in contact daily with our new residential refuse hauler Priority Waste sometimes multiple times a day. The one constant is they are still down on vehicles and have them being repaired both internally and by outside companies, and even some out of state.

This has been difficult for all of us to say the least.

When I first met with Priority Waste to discuss the transfer of services from GFL to them, they felt there would be some problems getting all of the services that we pay for starting out. The reports I get on a daily basis is that they are running behind, but as they get the fleet repaired and up and running, my expectation is they will get caught up and start providing the service that we need and are paying for.

So if they do not pick up your garbage, recycling, yard waste, or bulk items on your regularly scheduled day, please leave it at the curb to be picked up the following day(s).

Thank you for your patience and communications. We are all in this together.

-Gary Wall

GFL Environmental and Priority Waste

June 26 - A senior staff member at GFL has spoken to Supervisor Wall this morning and has assured him that GFL will collect all trash, recycling, and yard waste for curbside Waterford customers by the end of the weekend.

While your collection is likely to be delayed, customers are asked to place their items at the curb by 7am on their usual collection day and leave them there until they are collected. ... [See more](#)

Edited to add information at 3pm:

Thank you to everyone who reached out to expand on the list we posted below. We've learned of several other neighborhoods who experienced missed service in some capacity, so we appreciate you reaching out to us to let us know so we can continue to specifically address missed collections with Priority directly.

The list of neighborhoods below is not inclusive of all who were missed by some service, so in general, if your collection of any service was missed last week, please go ahead and send us a message.

Original post:

Waste collection continues to be delayed in several areas of the Township despite Priority Waste working through the weekend in an attempt to catch up on service.

Waterford deserves better and the Township is doing what we can within our power to continue to work on your behalf to bring this to a resolution.

In the meantime, this morning's update Monday, July 22nd:

Four larger areas of the Township seem to have been missed for collection. If you live in these areas, we are aware of these missed stops and have asked Priority to make your area a Priority for collection ASAP.

Those areas are --

Huron Gardens subdivision near Elizabeth Lake Rd. & Telegraph off Elizabeth Lake Rd., Huron, and Voorheis.

Clintonville Rd. area - all side streets directly off Clintonville and those that branch off as well.

The neighborhoods off Crescent Lake Rd. including Fiddle, Irwindale, Cristy, and Goldner.

The neighborhoods around Silver Lake Rd. including Oxley, Parkinson, Odette, Ostrum, Old Orchard

If you live in any other area of the Township and have a missed collection from last week, please notify us ASAP so we can add your area to the recovery list. 248-618-7408 or 248-674-6201 or online at: [www.prioritywaste.com/support](http://www.prioritywaste.com/support) or <https://www.waterfordmi.gov/.../Contact-Us-Dropdown-48>

Not ideally, but realistically, delays will likely continue this week. We know you've been more than patient and we certainly appreciate that.

At this time, please continue to put your items at the curb on your regularly scheduled collection day by 7am and leave them until Priority Waste collects them.

#### August 1st Residential Waste Hauler Update:

With continuing delays and missed collections of residential waste removal services in Waterford Township following the July 1st transition in providers from GFL to Priority Waste, we know you're looking for some answers. It has been a stressful and challenging time for the Waterford community and many of our neighboring communities as well.

Service delays are happening across the Township to varying degrees which makes providing a comprehensive update difficult.

Here's what we have been told as of end of business July 31st:

Priority Waste did not meet their Saturday goal of clearing all curbside waste in every route across the Township, therefore residents in several areas of the Township still have waste at the curb from the previous week(s).

For this week's routes:

This week's Monday customers were serviced completely.

Routes for the remainder of the week will likely continue to experience delays in collection.

Please continue to place your waste at the curb by 7 a.m. on your scheduled collection day and leave it at the curb until it is collected by the hauler.

Many have been asking "What is the Township doing to help remedy this issue?"

We assure you that our staff is taking measures to ensure the contract is upheld, that the situation is resolved, and that our designated waste hauler renders the services they have been paid to provide. The immediate priority is to get the trash, recycling, and yard waste off the curbs consistently and in a timely manner.

Specifically, we have two teams in place.

The first team is answering phone calls and emails to help ensure that our residents are afforded the opportunity to have their complaints and concerns heard, then communicated to the waste hauler. Residents have told us that Priority Waste has been both difficult to reach, and also unresponsive. Our team is here to answer your calls and address your most pressing questions.

The second team is collaborating on larger issues such as determining the best course of action to enforce our contract and performance bonds; to get residents reimbursed for services not provided; how to effectively work with Priority Waste to ensure that services soon return to complete, professional, and on-time collection; and next steps for the future of waste hauling in Waterford Township as our contract with Priority Waste expires mid-March 2025.

We have a strong contract with protections that the Township intends to exercise as necessary on behalf of the residents. When a resolution has been reached in this regard, residents will be notified.

Additionally, in the second week of July, Waterford hired a private contractor to help alleviate the accumulation of yard waste over a multi-week period to help our community in the spirit of partnership to give our new waste hauler a chance to catch up. While this effort did temporarily alleviate some of the issues we're having as a community, it is not a long-term solution.

#### Other Frequently Asked Questions:

We are aware that Priority's phone lines are experiencing extremely heavy call volumes and reaching them is difficult. We expect call volume to decrease and wait times to diminish in the near future. In the meantime, please feel free to reach out to Waterford Township staff for assistance at 248-618-6161 or submit your missed stop on our website at: <https://www.waterfordmi.gov/.../Priority-Waste...>

You can also submit a complaint online with Priority Waste at [www.prioritywaste.com/support](http://www.prioritywaste.com/support)

As regular collection resumes, here are some items you should know with the transition from GFL to Priority Waste:

- Your scheduled collection day stays the same
- Priority will perform the same services GFL provided under our contract
- Continue to use the same carts that were provided by GFL
- Our rates will remain the same through the duration of our contract
- Payments made before July 15th to GFL will be transferred to Priority Waste
- For payments after July 15th, you may pay Priority Waste on their website
- Priority Waste will send a paper bill around September 1st that will include your new account number and payment instructions for October, November & December services

Priority Waste's contact information:

Phone: (586) 228-1200

Website/Chat: [www.prioritywaste.com](http://www.prioritywaste.com)

Submit online complaint: [www.prioritywaste.com/support](http://www.prioritywaste.com/support)

Customer service hours: 8am to 5pm, Monday through Friday

Waterford Township maintains a page on our website related specifically to waste hauler services

<https://www.waterfordmi.gov/.../Priority-Waste...>

Until services return to running on-time and in full, Waterford Township will continue to post

updates every day on the website listed above and on our Facebook page at

[www.facebook.com/waterfordtownshipmi](https://www.facebook.com/waterfordtownshipmi)

You may also subscribe to receive email alerts related to trash hauling

<https://www.waterfordmi.gov/.../Priority-Waste...>

Thank you, Waterford. We assure you that our staff is taking measures to ensure the contract is upheld, that the situation is resolved, and that our designated waste hauler renders the services they have been paid to provide.

We appreciate your patience and will continue to work with and for you.

#### Priority Waste Billing Questions

If you pre-paid GFL for the year and you've received an invoice from Priority Waste, this post is for you!

Waterford customers are encouraged to follow the instructions included in the welcome packet included in their first invoice to create an account on the Priority Waste website. Once you have successfully logged into the website, if you've pre-paid for services, you should see a credit balance on your account on the Dashboard and/or in Statements.

If you discover that the credit is not reflected accurately on your account on the website, please do the following:

1. Locate a copy of your proof of payment to GFL.
2. Send an email to [billing@prioritywaste.com](mailto:billing@prioritywaste.com) with your name, address, phone number, account number beginning with the letters WTR, and a copy of your proof of payment with a request that they review and correct your account.

#### Why did this happen?

The first invoice from Priority Waste was mailed to every single-family residence in Waterford Township so you could receive the welcome packet and their account information. The invoice included reflects charges for the quarter, but credit balances are shown on statements, not on the invoices themselves.

Under regular circumstances, customers who have a credit balance with Priority Waste wouldn't receive an invoice at all. But because every customer needed to receive this first invoice so they could have their new account number and the welcome packet, the invoices reflecting charges were generated and mailed.

Bills are still being received daily by Waterford residents. If you don't have an invoice in the mail by October 2nd, please let us know by calling 248-618-6161. Stay tuned to this page for any further updates.

If you have any further questions, please contact Waterford Township at 248-618-6161.

**159,690 LBS**  
OF ELECTRONICS

**156,661 LBS**  
OF LATEX PAINT

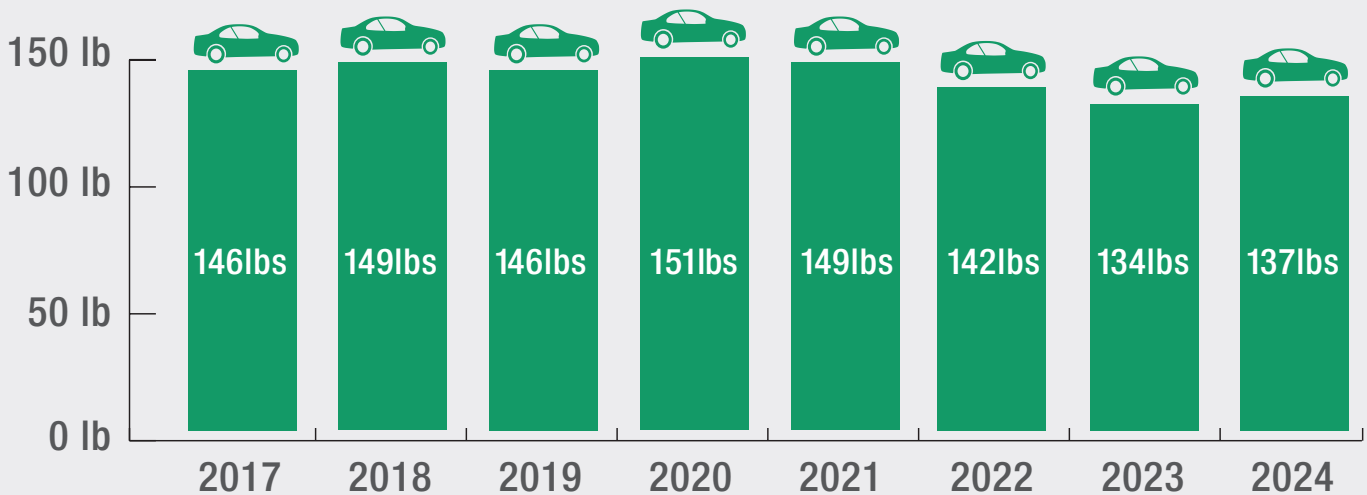

**40,693 LBS**  
OF OIL

**27,703 LBS**  
OF OIL-BASED PAINT

## Hazardous Waste Weights Per Car—2016-2024

The average weight of household hazardous waste per vehicle for 2024 was **137 pounds**.

## Hazardous Waste Collected To Date—2003-2024

## NoHaz Survey Response—2024

---

Over 99% of survey respondents indicated their experience at NoHaz was **Good** or **Excellent**.

“It is so well organized! This year was my second time attending, and I am so amazed how smooth the process is from beginning to end. A fantastic thing to offer for our community!”

“SUPER WELL ORGANIZED! I was so impressed. It was actually a pleasant experience!”

“I feel like I am doing something positive for our environment. I would not know what to do with my hazard items if we did not have this program available to us.”

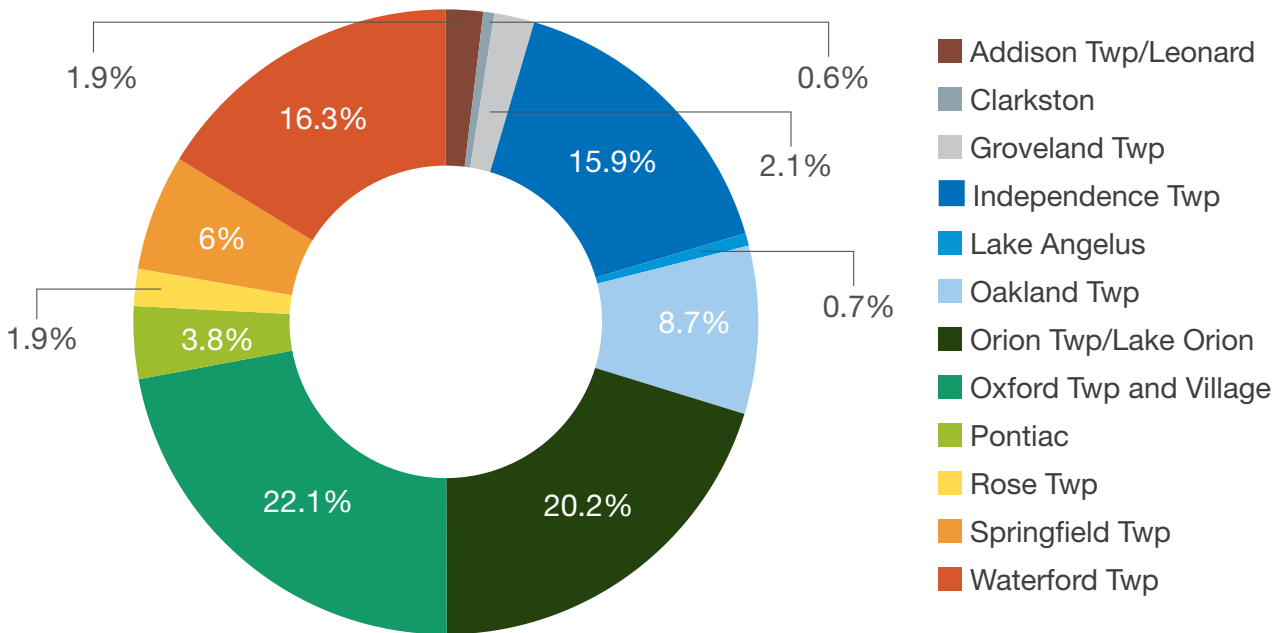

“Gives me peace of mind that paint and chemicals are being disposed of properly.”

“(My favorite thing about NoHaz): that it is a focus (of) the county to provide responsible recycling (for) items that are difficult to dispose of. I like that it is a step in setting a tone for the kind of community I want to live in.”

“We were able to get rid of things that we didn’t know how to dispose of properly. Registration online was easy, the collection site well organized—10 minutes and we were on our way back home to a much cleaner garage!”

# Participant Percentages by Community—2024

COMMUNITY	TOTAL # OF PARTICIPANTS	% OF TOTAL PARTICIPANTS	% OF RESPONDENTS WHO WERE 1ST TIME USERS OF NO HAZ	% OF RESPONDENTS BRINGING COMPUTER OR ELECTRONIC WASTE
Addison Township/Leonard	71	1.92%	32.39%	63.38%
Clarkston	21	0.57%	38.10%	57.14%

<b>PROGRAM TOTALS</b>	<b>3,704</b>	<b>100%</b>	<b>31.08%</b>	<b>64.08%</b>

\*29 participants from a non-member community utilized the NoHaz Program. They are not factored into the above totals.

# What Happens to the Household Hazardous Waste Collected at the NoHaz Events?

---

Depending on the material type, the following methods are used to treat and manage the waste collected:

## **RECYCLING**

Some materials are recycled or reprocessed for use.

---

## **STABILIZATION**

Some waste goes through a chemical reaction which renders it inert. It is no longer a leachable hazardous waste.

---

## **AUTOCLAVE**

Steam disinfection which kills off any active cultures is used for sharps.

---

## **ENERGY RECOVERY**

Some waste is blended and used as fuel in lieu of coal or oil in cement kilns.

---

## **DESTRUCTIVE INCINERATION**

Some waste is thermally destroyed in a hazardous waste incinerator. No value is received from this destruction (unlike energy recovery).

---

## **LANDFILL**

Some items, which are unable to be treated by another method, are sent to a hazardous waste landfill.

---

## Average Price Per Vehicle

---

Cost per vehicle to safely dispose of the household hazardous waste collected is \$108.28

## Additional Information

---

The NoHaz website provides residents with additional information on the events, registration, alternative disposal options and a list of materials that are accepted at collection events: [NoHaz.com](http://NoHaz.com)

In addition, Oakland County encourages residents to seek alternative disposal options for some items that are commonly brought to NoHaz events. Although these items are accepted at NoHaz, you can also dispose of them by other means. Visit [NoHaz.com](http://NoHaz.com) for alternate disposal options for these and other items:

- Prescription Medications
- Latex Paint
- Motor Oil and Automotive Batteries

# What Happens to the Household Hazardous Waste Collected at the NoHaz Events?

---

Depending on the material type, the following methods are used to treat and manage the waste collected:

## **RECYCLING**

Some materials are recycled or reprocessed for use.

---

## **STABILIZATION**

Some waste goes through a chemical reaction which renders it inert. It is no longer a leachable hazardous waste.

---

## **AUTOCLAVE**

Steam disinfection which kills off any active cultures is used for sharps.

---

## **ENERGY RECOVERY**

Some waste is blended and used as fuel in lieu of coal or oil in cement kilns.

---

## **DESTRUCTIVE INCINERATION**

Some waste is thermally destroyed in a hazardous waste incinerator. No value is received from this destruction (unlike energy recovery).

---

## **LANDFILL**

Some items, which are unable to be treated by another method, are sent to a hazardous waste landfill.

---

## Average Price Per Vehicle

Cost per vehicle to safely dispose of the household hazardous waste collected is \$104.26

---

## Additional Information

The NoHaz website provides residents with additional information on the events, registration, alternative disposal options and a list of materials that are accepted at collection events: [NoHaz.com](http://NoHaz.com)

In addition, Oakland County encourages residents to seek alternative disposal options for some items that are commonly brought to NoHaz events. Although these items are accepted at NoHaz, you can also dispose of them by other means. Visit [NoHaz.com](http://NoHaz.com) for alternate disposal options for these and other items:

- Prescription Medications
- Latex Paint
- Motor Oil and Automotive Batteries

## CONGRATULATIONS WATERFORD BUSINESSES & ORGANIZATIONS

Congratulations to the many Waterford Township businesses and organizations we celebrated at the 29th Annual Business Recognition Awards Breakfast on Friday, September 15th at Overtyme Grill & Tap Room's Banquet Room.

Waterford's business community and leadership gathered to share in the celebration with breakfast, a presentation by Mike Green from One Night Stan's Comedy Club, and a jam-packed awards ceremony. Special thanks to State Representative Mike Harris for presenting proclamations to all awardees as well. Award categories included:

**Business Person of the Year** - Dr. Marc Gusse, Recovered Chiropractic

**Business of the Year** - My New Favorite Thing

**Volunteer of the Year** - Evan Herdman, Jr.

**Beautification awards**

**Milestone longevity awards** for businesses celebrating 25+ years of service!

For more pictures and a recap of the event, please visit our [Facebook page](#).

Congratulations to our amazing business community. Thank you for choosing Waterford Township and providing our community with unparalleled services!

Happy Halloween from all of us here at Waterford Township! We wish you a safe and healthy Halloween. Suggested trick-or-treat hours for Halloween on Tuesday, October 31, 2023 in Waterford are 6-7pm. Some neighborhoods choose to extend that time by leaving porch lights on as an indication they are distributing treats.

### Here are few tips to help our community stay safe this Halloween:

**Motorists** - please exercise extra caution this evening. Obey posted speed limits, avoid distractions while driving, and watch for pedestrian traffic. Allow extra travel time as rush-hour traffic is usually heavier on Halloween.

**Trick-or-Treaters** - please look both ways before entering a roadway, utilize reflective items on dark clothing and carry a flashlight, go out in groups and/or with an adult chaperone.

The Waterford Police Dept. will scan candy 6:30-8:30 p.m. at the Waterford Police Station, 5150 Civic Center Drive, Waterford, Michigan 48329.

## **VOLUNTEERS NEEDED FOR ANNUAL EARTH DAY CLEANUP EVENT APRIL 22ND!**

Join us for the 8th Annual Waterford Township Earth Day Cleanup event on Saturday, April 22, 2023, from 8:00 a.m. until 2:00 p.m.

Volunteers will be out in the community doing their part to clean up litter along roadsides and in parks in Waterford Township. Students, adults, families, individuals, and groups are encouraged to participate! Community service hours available. Choose your own hours between 8:00 a.m. and 2:00 p.m., and help us clean up the planet one bag at a time!

Sign up in advance online at [www.waterfordmi.gov/earthday](http://www.waterfordmi.gov/earthday) or call 248-674-6201.

## GFL CURBSIDE YARD WASTE COLLECTION BEGINS APRIL 3, 2023

### Yard Waste Collection Begins April 3, 2023

It's almost that time again! Spring cleanup is right around the corner.

For Waterford GFL curbside collection customers, unlimited yard waste will be collected weekly April 3 – December 15, 2023.

Place yard waste in brown yard waste bags or in plastic 32-gallon containers clearly marked "X" facing the street. Branches are to be no more than two inches in diameter, no longer than four feet in length, and must be bundled. Bundles and containers must weigh less than 50 pounds. No tree stumps or trunks are accepted.

No compost will be accepted in plastic bags.

## FUNDAY SUNDAY SOFTBALL SKILLS CLINIC

**\$30**

**Resident**

**\$35**

**Non-Resident**

**Grades:** 1st - 8th

**Choose From:** April 30th or May 21st

**Time:** 12:00 pm - 2:00 pm

**Where:** Rotary Park, Field 1  
5485 Tubbs Rd.

Girls in 1st-8th grades are invited to participate in this Softball Fundamentals Clinic featuring Waterford Mott's Assistant Varsity Coach, Hannah Godfrey and other Parks & Recreation Coaches.

Learn the fundamentals through hitting, throwing, and fielding. Each participant will need to bring a glove and bat.

## A BIG WEEKEND AHEAD IN WATERFORD

Check out three incredible events this weekend here in Waterford!

Starting Friday night at the Oakland County Farmers Market with Oakland Uncorked from 7-10pm for a 21+ over event featuring live music, yummy bites, craft beer, and of course - wine!

Then on Saturday, bring the whole family to Meet the Fleet at Waterford's Civic Center campus where you'll have the chance to interact with big, cool vehicles like fire trucks, police cars, bulldozers, garbage trucks, and more. Bounce houses, face painting, food trucks, and the Fire department's smokehouse, too.

Follow that all up on Sunday with a trip to the Annual Oakland County Airport's Open House and Air Show.

Click each graphic below for more information.

We look forward to seeing you around town in Waterford this weekend, friends!

## MONTHLY RECYCLING - SATURDAY, AUGUST 12

Waterford Township offers free monthly recycling collection of magazines and cardboard (shipping boxes, cereal boxes, toothpaste boxes, etc, free of food debris and dry.)

This service is provided the **second** Saturday of every month from 9am to 1pm in the parking lot at Township Hall.

## STATE OF THE TOWNSHIP BREAKFAST

Join us for the annual Waterford State of the Township Address and Breakfast Wednesday, February 21, 2024 at 7:30am. Waterford Township Supervisor Gary Wall will be joined by Waterford School District Superintendent Scott Lindberg, and Oakland Community College Chancellor Peter Provenzano who will each provide updates on Waterford's hot topics.

The event is hosted by the Waterford Area Chamber of Commerce and tickets can be purchased for \$25 each on their website [www.waterfordchamber.org](http://www.waterfordchamber.org)

The graphic features a background image of a lake and trees. On the left, the Waterford Area Chamber of Commerce logo is displayed above the event details: "February 21, 2024", "7:30-9:15 AM", and "Overtyme Grill & Taproom, 4724 Dixie Highway". In the center, the text "STATE of the TOWNSHIP ADDRESS" is prominently displayed. On the right, under the heading "SPEAKERS:", there are three portraits with names and titles: Gary Wall (Waterford Township Supervisor), Scott Lindberg (Waterford School District Superintendent), and Peter Provenzano (Oakland Community College Chancellor).

## PRESIDENTIAL PRIMARY ELECTION FEBRUARY 27, 2024

The Presidential Primary Election is on February 27, 2024. If you are an absentee voter, please complete the form sent to you and return it to the Clerk's Office as soon as possible. You will not receive a ballot if you do not fully complete the form and sign it. Please read the form and make sure to select the ballot style in section one; whether you want a Democrat or a Republican ballot, one box must be checked before we will mail you a ballot. There are no non-partisan questions for Waterford Voters; therefore, only check Democrat or Republican in this section. Make sure to sign the form and return it as soon as possible using our drop boxes or mailing it to us. Pre-paid postage has been included on this form. If you have any questions, please visit our website at [www.waterfordmi.gov/elections](http://www.waterfordmi.gov/elections) or call us at 248-674-6266.

For sample ballots, precinct locations, Voter ID requirements, early voting center information, and more, please visit the Clerk's election website at [www.waterfordmi.gov/elections](http://www.waterfordmi.gov/elections).

Clerk Markee has recorded a helpful video on this process. [See it here!](#)

The Clerk's office will be open from 8:30 am until 4:30 pm to support Voter Registration and Absentee Voting. Please use the 2nd floor entrance of Town Hall.

The Early Voting Centers will be open from 8:30 am to 4:30 pm at the Waterford Library Community Room, 5168 Civic Center Dr. and the Waterford Oaks Activity Center, 2800 Watkins Lake Rd.

## MONTHLY RECYCLING - FEBRUARY 10TH

## SAVE THE DATE: ANNUAL EARTH DAY TOWNSHIP CLEANUP EVENT APRIL 20

Join your Waterford friends and neighbors for the annual Earth Day Township Cleanup event on April 20th for a shift between 8am and 2pm that works best for you!

Stay tuned to [www.waterfordmi.gov/earthday](http://www.waterfordmi.gov/earthday) for further information.

## OAKLAND COMMUNITY COLLEGE FEASIBILITY STUDY UNDERWAY

A portion of the Oakland Community College (OCC) Highland Lakes Campus is currently being explored by Waterford Township to assess the feasibility of a community center. This location is being considered because of its existing recreational amenities and greenspace connectivity to Hess-Hathaway Park.

The Township has entered into an agreement with Plante Moran Realpoint to perform a feasibility study that reviews the southern area of the campus property and its buildings. The results of this study are expected to be complete by Spring of 2024. After the completion of this study, the Board of Trustees will weigh the possibilities of pursuing a purchase with the intent of retrofitting several buildings to potentially function as the Township's new community center.

As always, the Township is committed to providing substantial recreation amenities to all who chose Waterford as their premier destination to live, work, and play.

Visit the [Projects section of Waterford Township's website](#) for a map and any future updates

## WATERFORD TOWNSHIP & THE WATERFORD SENIOR CENTER

Waterford Township has received inquiries regarding the status of the Township's involvement with the Waterford Senior Center. Township Supervisor Gary Wall provided an update at yesterday's annual State of the Township address.

We've provided a short clip in which this topic is addressed.

<https://www.facebook.com/waterfordtownshipmi/videos/1550272652429829>

The full video from the annual State of the Township address featuring Oakland Community College Chancellor Peter Provenzano, Waterford School District Superintendent Scott Lindberg, and Waterford Township Supervisor Gary Wall is available on Municipal Channel 20 and on-demand [at this link](#).

## CHIEF COVEY RETIREMENT

Please join us in congratulating Waterford Regional Fire Department Chief Matthew J. Covey on his upcoming retirement following 33 years of service to the Waterford, Pontiac, and Lake Angelus communities. Matt joined the Waterford Regional Fire Department in 1991 as a volunteer, then hired in full-time in 1995 as an

Engineer/Paramedic. From there, Matt worked his way through the ranks and earned promotions to Lieutenant Inspector, Captain Inspector, Fire Marshal, Deputy Fire Chief, and finally Fire Chief where he's been leading the team since June 2019.

In his retirement announcement, Matt said, "It has been a distinct privilege to serve as the Chief of the Waterford Regional Fire Department. I have been fortunate to have been a member of one of the noblest professions and have nothing but respect and pride for my brothers and sisters."

Thank you, Chief Covey, for your service to the community. Your dedication and commitment to your team and being a leader with passion and professionalism are appreciated and celebrated. We wish you all the best in your retirement.

---

## SIGN UP NOW FOR WATERFORD'S ANNUAL TOWNSHIP CLEANUP EVENT APRIL 20TH

Volunteers are needed for the 9th annual Earth Day Township cleanup event on Saturday, April 20th. Join volunteers as we hit the streets and parks in our community to help clean up litter from roadsides and common areas. Last year nearly 140 volunteers collected over one TON of trash in 30 locations across the Township.

Be part of a great event that makes an immediate and positive impact in the community!

## ANNUAL MEMORIAL DAY PARADE

The Pontiac Waterford Elks will be hosting the annual Waterford Memorial Day Parade on Monday, May 27, 2024.

The parade begins at 10:00 a.m. on Dixie at Sashabaw and proceeds north to the intersection of Walton/Williams Lake Road.

This is the last call for participants. If your group hasn't signed up yet and would like to participate, please complete the [Google Doc at this link](#) ASAP!

Spectators are encouraged to find a space to view the parade on either side of Dixie along the parade route. Please also bring a bag to take your trash with you when the parade is over. Waterford is thankful for this wonderful group of volunteers who provide this community event in honor of our fallen heroes. Let's all do our part to keep it a clean, safe event for Waterford families for years to come!

## CLOSED FOR MEMORIAL DAY & SUMMER HOURS

Waterford Township administrative offices will be closed Monday, May 27th for Memorial Day.

The Waterford Township Public Library will be closed Sunday & Monday May 26 & 27 as well.

Starting Tuesday, May 28th, administrative office hours for Town Hall and the Department of Public Works switch to summer hours of 7:30am to 4:30pm Monday through Friday.

On behalf of all of us here on Team Waterford, we wish you a safe holiday. Please take a moment to remember and honor our military who made the ultimate sacrifice and the loved ones they left behind.

---

## MONTHLY RECYCLING – JUNE 8TH

Waterford Township offers free monthly recycling collection of magazines and cardboard (shipping boxes, cereal boxes, toothpaste boxes, etc, free of food debris and dry.)

This service is provided the **second** Saturday of every month from 9 am to 1 pm in the parking lot at Township Hall. Waterford residents only, please.

---

## WATERFORD TOWNSHIP PUBLIC LIBRARY LATE-MAY NEWS & EVENTS

### Library Service Hours

Monday–Thursday 10:00a–9:00p

Friday – Closed

Saturday, 10:00a – 5:00p

Sunday, 1:00p – 5:00p

### Holiday Closure

Sunday, May 26<sup>th</sup> and Monday, May 27<sup>th</sup> for Memorial Day

### Greetings from our New Library Director

Hello to all – I am so happy to be serving as Library Director of Waterford Township Public Library. In my short time here thus far, I can already see that the library is a popular place to visit for so many in the community. The programs offered are a nice variety and well-attended. The collection is wide-ranging and the ability to borrow materials from other libraries in the shared system and even from those across the State of Michigan through MelCat is superb service. The staff are friendly and helpful. All of those components add up to the library being an excellent resource for the entire community.

I am eager to hear what other programs and services we can add to our mix to increase the offerings, because after all, the public library is here to serve you as the residents and taxpayers. Please feel free to stop me when you see me at the library or ask for me at the Circulation Desk as you enter at the front door. I welcome emails at [jschaefer@waterfordmi.gov](mailto:jschaefer@waterfordmi.gov)

One area of immediate concern that we are aware of and have been working on diligently is the hours open to the public each week. Currently, Friday is the only day the library is closed. However, the plan is to be able to open the building on Fridays in the very near future. We are taking a hard look at the open hours overall, so that we can ensure that the library is open during the times that are most beneficial to the majority of the community and so that the staff have the time to continue to provide the excellent service and programs that this community wants and has come to expect.

## **WATERFORD'S ANNUAL EARTH DAY TOWNSHIP CLEANUP EVENT A SUCCESS!**

A big Waterford shout-out to all the volunteers and donors who pitched in to make Waterford's 9th annual Earth Day Township Cleanup event a success!

It was a chilly, windy, overcast day with a few snowflakes to remind us that it's not quite Spring in Waterford yet, but still, 136 volunteers came out to help in cleanup efforts in dozens of locations across the Township. We estimate they collected approximately 25 cubic yards or 10 truckloads full of litter on Earth Day 2024! When you consider that most of the trash we're filling these bags and trucks with are small items like paper, plastic, straws, plastic and glass bottles, etc., that is a pretty incredible accomplishment for which they should all feel proud!

Thank you, also, to these generous donors for providing supplies:

Gordon's Food Service – bottled water  
GFL Environmental – dumpsters  
McNab's Hardware - gloves  
The Miller Family – gloves, pickers  
Tenuta's Food Lane – bottled water

Want to join us for next year's event tentatively scheduled for Saturday, April 26, 2025?  
Registration is now open at [www.waterfordmi.gov/earthday](http://www.waterfordmi.gov/earthday).

## WATERFORD MEMORIAL DAY PARADE

Great news, Waterford -- the annual Memorial Day Parade will continue this year with the generous volunteer efforts of our local Pontiac Waterford Elks 810! If your organization would like to participate in the parade, please review the flyer produced by the Elks and use their [Google form](#) to apply soon.

If you're a member of the public who just wants to attend the event, this form is not for you. Mark your calendar for 10:00 a.m. on Monday, May 27th to join thousands of your friends, family, and neighbors for the largest annual event in the Township! The parade route is along Dixie Hwy. beginning at Sashabaw Rd., then traveling NW to the intersection of Dixie & Williams Lake Rd. More details to come as we get closer to Memorial Day, but go ahead and mark those calendars now!

## GFL RESIDENTIAL CURBSIDE COLLECTION UPDATE

On June 7<sup>th</sup>, Waterford Township received notice of a pending sale that will transfer all residential curbside waste collection business from GFL to Priority Waste beginning July 1 across Southeast Michigan.

The transaction reportedly includes more than 70 municipalities and over 700,000 customers.

Township Supervisor Gary Wall will meet with GFL and Priority Waste before that date to discuss details of the transition and Waterford will provide updates as factual information becomes available. Please visit the Township website [www.waterfordmi.gov](http://www.waterfordmi.gov) and our Facebook page for the latest updates.

At this time, residents should continue to place their trash, recycling, yard waste, and bulk items at the curb for collection as usual on their established collection days. Please continue to contact GFL directly for billing questions or service issues at 248-204-6762, or by logging on to your GFL account on their website at <https://myaccount.gflenv.com> Waterford Township staff can be reached at 248-618-7408 or through the Township website at <https://www.waterfordmi.gov/forms.aspx?fid=63>

We have confirmed with Waterford's GFL route Supervisor that Waterford routes are currently caught up and running on time after some recent service delays. Thank you for your continued patience.

## MONTHLY RECYCLING – JUNE 8TH

Waterford Township offers free monthly recycling collection of magazines and cardboard (shipping boxes, cereal boxes, toothpaste boxes, etc, free of food debris and dry.)

This service is provided the **second** Saturday of every month from 9 am to 1 pm in the parking lot at Township Hall. Waterford residents only, please.

## CONCERTS IN THE PARK ARE BACK!

And... they're back! Come out and enjoy live music every Thursday night in June at the beautiful Hess-Hathaway Park for the annual FREE summer concerts series Concerts in the Park. Popular local musicians join up with our local brewery, and food and beverage vendors to help provide four terrific nights out for the whole family.

Jointly hosted by the Waterford Area Chamber of Commerce and Waterford Parks and Recreation, who do an excellent job bringing these mainstay events your way each and every summer! Don't miss out!

MAKING LIFE FUN!

### Let's Draw, Paint & Sculpt

You asked for it, so here it is a camp with all that art has to offer and more! Your child will love experimenting with many different materials while learning lots of new techniques. We'll learn to draw wacky bananas, and we'll sculpt and paint a box full of delicious-looking donuts. We'll even create one of our most popular projects—a snow globe! Parents, you'll need to make space on the fridge and the mantle for these amazing works of art!

Pack a nut-free snack, lunch, and a drink.

**Ages 5-12**  
Registration Deadline: June 19  
330094-01 T 6:28 9am-3pm \$119  
**Waterford Recreation Center**

### Scent-sational Art

Come for the pretty pineapple promising but stay for the sweet citrus scent! In this class, we'll draw, paint, sculpt and more, but we'll do it all with a very special twist—these SCENT-SATIONAL works of art all smell as sweet as they look! Come learn the secret ingredients for scent-creating artwork as we create cute pineapple cupcakes, a field of tulips, and more! Yes, you read it all right—this class is full of scratch-and-sniff artwork that smells as sweet as it looks.

Pack a nut-free snack and a drink.

**Ages 4-9**  
Registration Deadline: July 17  
330094-03 THF 7:05-7:06 9am-12pm \$119  
**Waterford Recreation Center**

### Messiest Science Experiments Ever!

Get ready for the adventure of a lifetime at our messy science camp! Join us for a thrilling blend of learning and fun where young scientists will dive into fascinating theories while getting delightfully messy. Experience the excitement of paint bombs, uncover the mysteries of magic sand, and unleash your creativity by building a mini spin art machine. This camp is designed to engage curious minds in a hands-on exploration of scientific concepts while fully immersing them in the joy of experimentation. Don't miss out on the incredible opportunity to spark your child's love for science!

Pack a nut-free snack and drink.

**Ages 5-12**  
Registration Deadline: July 17  
330094-02 TuW 7:05-7:04 9am-12pm \$119  
**Waterford Recreation Center**

### STEAM-sational Art

Calling all smarty-pants! Get ready to explore S.T.E.A.M. concepts in totally cool and creative ways that will result in cool creations you'll be proud to brag about—from your very own periscope machine, a creative Venus flytrap, a colorful kaleidoscope and magic ink that will light up a chrysope, plus loads of experimental learning and messy fun along the way! Let's get our science on like never before with this one-of-a-kind STEAM, Tapered, Experimental, Advanced, Magnificent camp experience!

Pack a nut-free snack and a drink.

**Ages 5-12**  
Registration Deadline: July 31  
330094-04 THF 8:06-8:09 9am-12pm \$119  
**Waterford Recreation Center**

**248-674-5441**

**NON-RESIDENTS ADD**  
**\$5 per camper, per week**

## BEAUTIFICATION AWARDS

With warmer weather here, it's a good time to improve our yards, homes, and outside areas. The Waterford

Township Clerk's Office would like to recognize homeowners who take pride in making their exteriors beautiful. If you are interested in participating, please submit a form and a picture, which is optional, by July 31, 2024.

The form can be found on the Township's website [www.waterfordmi.gov/clerk](http://www.waterfordmi.gov/clerk) or by clicking here [Beautification Award | Waterford, MI \(waterfordmi.gov\)](#). Once you complete the form, please email it to [KMARKEE@WATERFORDMI.GOV](mailto:KMARKEE@WATERFORDMI.GOV). If you are selected, award signs will be placed on the winners' property during the last two weeks of August—Call Clerk Kim Markee at 248-674-6266 with any questions you may have.

## WATERFORD DPW NEWS

### DPW Project Announcement

Starting April 15, 2024, residents, businesses, and visitors will begin to see trucks from Wachs Water Services (photo above) throughout the Township completing the DPW Valve Assessment and Exercising Program. The Wachs Water Services crews will be assessing and exercising approximately 3,800 valves in the water distribution system. If required, crews will complete minor repairs on the valves.

The valves are located in green belts, easements, and along roadways, usually in wells with manhole covers. The crews may have to close traffic lanes for short periods of time for their safety and the safety of motorists. Patience and understanding would be appreciated. The project is expected to take four to five months and will start in Section 1 of the Township and continue through each section sequentially.

If you have questions or concerns, contact the DPW at (248) 674-2278.

### Cross-Connection and Backflow Prevention

Waterford Township DPW has contracted HydroCorp to manage the township Cross-Connection Control program. The Michigan Department of Environment, Great Lakes and Energy (EGLE), formerly Michigan Department of Environmental Quality (DEQ), requires DPW to have all commercial and residential accounts inspected for proper backflow prevention to maintain the safety of our water supply.

HydroCorp inspectors will inspect residential properties every ten years and commercial properties either yearly or every five years depending on the property's use and plumbing fixtures. These inspections are included in the contract between DPW and HydroCorp so there is no cost to homeowners.

In addition to the visual inspections done by HydroCorp, any property with a testable backflow prevention device will receive a testing notice to verify the backflow prevention device is functioning properly. Testing of backflow prevention devices is required annually for commercial properties and every three years for residential properties. Testing of backflow prevention devices need to be performed by a certified backflow prevention tester, a list of certified testers can be found at [www.watercustomer.com](http://www.watercustomer.com). Cost for these tests are the responsibility of the property owner.

Questions regarding the Cross-Connection Control program or backflow prevention assemblies and testing can be directed to HydroCorp at 800-690-6651 or 248-250-5000.

### Water Quality Report

Waterford Township DPW has released the 2023 Annual Water Quality Report. DPW prides itself on providing our customers with safe, quality drinking water and is proud to

## ANNUAL MEMORIAL DAY PARADE

Heart of the Lakes VFW Post 1008 will again be hosting the Waterford Memorial Day Parade on Monday, May 29, 2023.

The parade begins at 10:00 a.m. on the Dixie at Sashabaw and proceeds north to the intersection of Walton/Williams Lake Road.

A memorial service is held immediately following the parade in the Drayton Plains Cemetery.

This is the last call for participants. If your group hasn't signed up yet and would like to participate, call Donna Kelley at the VFW no later than May 12th. 248-674-2826.

Spectators are encouraged to find a space to view the parade on either side of Dixie along the parade route. Please also bring a bag to take your trash with you when the parade is over. VFW has a wonderful group of volunteers who provide this community event each year in honor of our fallen heroes. Let's all do our part to keep it a clean, safe event for Waterford families for years to come!

## MONTHLY RECYCLING - SATURDAY, MAY 13

Waterford Township offers free monthly recycling collection of magazines and cardboard (shipping boxes, cereal boxes, toothpaste boxes, etc, free of food debris and dry.)

This service is provided the **second** Saturday of every month from 9am to 1pm in the parking lot at Township Hall.

Waterford residents only, please.

## HOUSEHOLD HAZARDOUS WASTE COLLECTION EVENT 2023 DATES & LOCATIONS

Waterford Township has partnered with the North Oakland Household Hazardous Waste Consortium ([NO HAZ](#)). NO HAZ provides residents of participating communities a safe and environmentally responsible way to dispose of Household Hazardous Waste (HHW).

Registration links will be posted on the No Haz website [www.nohaz.org](http://www.nohaz.org) approximately three weeks prior to each collection date. You must register in advance. Waterford Residents pay a fee of \$15.

This year's remaining collection dates and locations are as follows. All dates and locations hours are 8 a.m. to 2 p.m.

Saturday, June 3rd Oxford Middle School 1420 Lakeville Rd. in Oxford  
Saturday, July 22nd Kensington Church 4340 Lapeer Rd. in Orion Township  
Saturday, September 16 Oakland County Service Center 1200 N. Telegraph Rd.

---

## GFL RESIDENTIAL CURBSIDE COLLECTION – HOLIDAY SCHEDULE

GFL Environmental will be closed on Monday, May 29th for Memorial Day. All residential collections for the week of May 29 - June 2 will be delayed one day from your regular service day. Friday customers will receive service on Saturday, June 3rd.

As always, please have your trash, recycling, yard waste and bulk items at the curb by 7:00am on your assigned collection day. GFL will not return for late sets.

---

## GFL YARD WASTE REMINDERS & HOLIDAYS

GFL will continue to collect yard waste through the 2nd full week in December. All waste must be at the curb in approved containers by 7am on your collection day.

Please remember that if a holiday falls on a weekday, your scheduled service day will be delayed by one day and does include Saturday collection in those cases. Regular collection will resume the following week.

GFL observes **Thanksgiving** and is closed Thursday, November 23, 2023. If your collection day is usually Thursday, GFL will collect on Friday, and if your collection day is usually Friday, GFL will collect on Saturday.

GFL observes **Christmas Day** and is closed on Monday, December 25, 2023. All collections that week will be delayed by one day from the usual schedule including Saturday pickup for Friday customers.

GFL observes **New Year's Day** as well on January 1, 2024. All collections that week will be delayed by one day from the usual schedule including Saturday pickup for Friday customers.

Waterford Township Residential GFL Customers

**Veterans Day** – Saturday, November 11.

**Thanksgiving** – Thursday, November 23. Regular Hours resume Saturday, November 25.

Emergency services remain available during these administrative closures.

On behalf of all of us here on Team Waterford, we wish you a safe, happy, and healthy holiday season.

---

## MONTHLY RECYCLING – NOVEMBER 11TH

Waterford Township offers free monthly recycling collection of magazines and cardboard (shipping boxes, cereal boxes, toothpaste boxes, etc, free of food debris and dry.)

This service is provided the **second** Saturday of every month from 9 am to 1 pm in the parking lot at Township Hall. Waterford residents only, please.

---

## 4TH ANNUAL SHOE DRIVE ENDS NOV. 13

Waterford Youth Assistance's annual shoe drive is wrapping up in just a few short days. Collection bin locations are listed below and will be in place through November 13th for your gently worn or new shoe donations. This annual fundraiser helps support the Waterford Youth Assistance programs and events for children in our community. So check your closets, under the bed, and in the trunk of your vehicle for possible donations!

**Donate Your Gently Worn, Used  
and New Shoes to**

**WATERFORD YOUTH ASSISTANCE**

Help us raise funds for our organization by donating your gently worn, used and new shoes!

And please ask friends, family, neighbors and co-workers to donate too!

Collected shoes are used to support micro-enterprise vendors. Micro-enterprises are small businesses in developing nations. They are typically operated by one person or family and friends, depending on size.

## DEADLINE APPROACHING FOR CLERK'S ANNUAL BEAUTIFICATION AWARDS

### Waterford Township Beautification Award

Homeowners, Neighborhoods, Condominiums, Apartments, Schools, Churches, and Businesses can all participate.

#### SUBMISSIONS DUE JULY 31, 2023

Please submit a before picture (optional) by July 31, 2023. All pictures will become the property of Waterford Township and may be used in future publications. There will be ten winners, and each winner will have a sign placed on their property acknowledging they are a winner. Signs will be placed sometime during the last two weeks of August. The contest recognizes residents and business owners who take special pride in improving their homes and businesses.

Name of Homeowner/Business: \_\_\_\_\_

Address: \_\_\_\_\_

Email: \_\_\_\_\_ Phone: \_\_\_\_\_

- This entry form and before picture can be submitted in the following ways:
- Email this entry form including pictures to: [kmarkee@waterfordmi.gov](mailto:kmarkee@waterfordmi.gov)
  - Mail to: Waterford Township Clerk, 5200 Civic Center Dr., Waterford, MI 48329.
  - If you have questions, please call Kim Markee on 248-674-6211.

## LUNCHTIME FOOD TRUCKS AT CIVIC CENTER CAMPUS CONTINUE

Join us on select dates through September for lunchtime food trucks at Waterford's Civic Center campus. All events are 11am to 2pm and are open to the public! Tables and seating are available, or bring a blanket and have a picnic on our lush lawn.

Check out menus and links to each truck's websites at [www.waterfordmi.gov/specialevents](http://www.waterfordmi.gov/specialevents)

## MONTHLY RECYCLING - SATURDAY, JULY 8TH

Waterford Township offers free monthly recycling collection of magazines and cardboard (shipping boxes, cereal boxes, toothpaste boxes, etc, free of food debris and dry.)

This service is provided the **second** Saturday of every month from 9am to 1pm in the parking lot at Township Hall.

Waterford residents only, please.

## HOUSEHOLD HAZARDOUS WASTE COLLECTION EVENT 2023 DATES & LOCATIONS

Waterford Township has partnered with the North Oakland Household Hazardous Waste Consortium ([NO HAZ](#)). NO HAZ provides residents of participating communities a safe and environmentally responsible way to dispose of Household Hazardous Waste (HHW).

Registration links will be posted on the No Haz website [www.nohaz.org](http://www.nohaz.org) approximately three weeks prior to each collection date. You must register in advance. Waterford Residents pay a fee of \$15.

This year's remaining collection dates and locations are as follows. All dates and locations hours are 8 a.m. to 2 p.m.

Saturday, July 22nd Kensington Church 4340 Lapeer Rd. in Orion Township  
Saturday, September 16 Oakland County Service Center 1200 N. Telegraph Rd.

## NEWS FROM THE TREASURER'S OFFICE

### SUMMER TAX BILL

The summer tax bill has been mailed to either the mortgage company, if taxes are escrowed, or the homeowner. If your tax bill was sent directly to your mortgage company, you can easily obtain a copy of your tax bill on the township website at [www.waterfordmi.gov/taxes](http://www.waterfordmi.gov/taxes) , click on Tax Information Search.

If the tax bill is supposed to be mailed directly to the homeowner and you have not received your bill by the second week of July, please contact our office at (248) 674-6220.

Summer taxes are payable July 1, 2023 through September 14, 2023. Please refer to the front and back of statement for detailed tax information.

### CASH PAYMENTS

For those considering making their payment in cash, for safety, efficiency and Township savings, **payment by check or cashier's check is preferred.**

### PARTIAL PAYMENTS

Partial tax payments are accepted.

### SUMMER DEFERRED TAXES

Summer taxes may be deferred until February 14, 2024, if your 2022 total household income was **less than \$40,000** and you meet state qualifications. **A copy of your 1040A Federal Tax Form or MI-1040CR needs to accompany your application.** Applications must be received by September 14, 2023. See back of tax bill for requirements or township website at <http://waterfordmi.gov/Departments/Treasurer/Tax-Information/Deferred-Taxes.aspx>.

### DETROIT P.O. BOX

Why are tax bills mailed to a Post Office Box in Detroit? Waterford Township's bank, JP Morgan Chase, located at 4750 Dixie Hwy, provides us with lockbox service. The bank retrieves the payments from the PO Box, processes the payments and deposit funds directly into our bank account. The lockbox service center is located in Detroit. Tax bills can be mailed to the P.O. Box in Detroit or directly to the Treasurer's Office at 5200 Civic Center Dr, Waterford MI 48329.

### ONLINE PAYMENT THROUGH YOUR BANK

If you initiate your payment through your financial institution, a paper check will be issued and mailed to the Township. Please Read the Following:

- Schedule your payment to be delivered at least 10 business days prior to September 14 to avoid a late payment and interest and/or penalties.
- Payment may fail to be delivered to Treasurer's Office if a P.O. Box address is used for an online payment; please use the township address. See below for township address.
- Payments not received by the due date will incur interest and/or penalties.

## COUNTY OFFERS DOCUMENT SHREDDING & ELECTRONICS RECYCLING

Free document shredding and electronics recycling for Oakland County residents is being offered through a partnership with the Oakland County Sheriff's Office and Oakland County Parks. See flyer below for details of the upcoming event on September 8th right here in Waterford at the Oakland County Farmers Market.

Sponsored by:

Sheriff Michael J. Bouchard

### Free Document Shredding & Electronics Recycling for Oakland County Residents

Oakland County residents may bring their confidential, personal documents to be shred on site for free by Rapid Shred's state-of-the-art, high volume shredding truck. Also- Recycle your electronics!

#### 2023 Schedule and Dates

Friday, May 19 from 11a.m.-1p.m. at Oakland County Farmers Market, 2350 Pontiac Lake Road, Waterford

Friday, September 8 from 11a.m.-1p.m. at Oakland County Farmers Market, 2350 Pontiac Lake Road, Waterford

The Rapid Shred and High Tech Recycling trucks will be in the parking lot. Please arrive early as there is typically a line of cars, but the line moves quickly. Residents are reminded to limit documents to three or four boxes of PAPER ONLY for the shredding truck. Electronic recycling includes computers, laptops, tablets, printers, fax machines and more. This event is not for commercial customers.

Protect your identity and peace of mind

For a complete list of accepted electronic items, visit [www.hightechrecyclingdetroit.com/](http://www.hightechrecyclingdetroit.com/) or call 248-975-7472.

**Waterford Township**  
**2023-2025 ERP & IDEP Summary**

*Did you identify, construct, or install any new outfalls or points of discharge that were not identified in your application for issuance of an individual MS4 permit? No*

*Number of IDEP complaints received during the permit period: 3 – see below*

IDEP Updates

*Number of Illicit Discharges Identified: 0*

*Number of Illicit Discharges Eliminated: NA*

*Number of Illicit Connections Identified: NA*

*Number of enforcement actions as a result of illicit discharges/connections: NA*

IDEP Complaint Summary

- **3261 School House Dr. – Submerged Boats Leaking**  
On May 1, 2023, EGLE received a complaint of a submerged boat near 3261 School House Drive that appeared to be leaking fluids. This complaint was relayed to the Waterford Township DPW. The DPW's Engineering Tech went to investigate and found two boats at the location. The first boat appeared to have no motor or anything that could leak, and the second boat was pushed into the water due to the position of a boat hoist but was not submerged. The complaint was closed out on May 1, 2023.
- **Parkside Development off Williams Lake Rd – Sediment Laden Discharge**  
EGLE received a complaint in April 2023 of sediment laden water discharging into Cooley Lake from the development site off Williams Lake Rd. EGLE requested the Township confirm that this discharge was not causing any problems downstream for the Township's MS4 drains. No further complaints were filed, and the Township confirmed that the discharge was not causing issues for them.
- **4610 Fiddle Ave – Fuel Oil in Sump Pumping into Sanitary**  
On January 30, 2024, the Township DPW investigated a complaint of oil being dumped into the sanitary sewer system. Andrew Dillard, the Township DPW Collection System Foreman, investigated the upstream and downstream sanitary sewer manholes near 4610 Fiddle Ave., and found no evidence of oil being pumped into the sanitary sewer system.

Outfall Investigations

- The Township conducted wet weather sampling for *E. coli* at all 3 outfall locations within the Township in summer of 2024. All outfall locations were returned with counts below 300 cfu/100ml and therefore do not exceed any Statewide standards. Dry weather investigations and sampling will be conducted in 2026.
- Wet weather samples were be collected during a representative rain event (i.e., >0.25" and <1.5") over a 24-hour period and within 30-60 minutes of the start of the wet weather event in order to capture first flush.

- Dry weather investigations will be conducted in Summer/Fall 2025.

#### IDEP Training

- 3 staff received in-person Good Housekeeping, Pollution Prevention, and IDEP Training on 2/26/25.
- DLZ attended refresher training in 2018 and 2021.

Good afternoon,  
The DPW's Engineering Tech went to investigate and found two boats at the 3261 School House Drive location.

The photo labeled Boat 1 looks like there is no motor or anything that could leak present.

The photo labeled Boat 2 shows the boat pushed into the water due to the position of the boat hoist but it is not submerged.

It's not entirely clear, but it looks like there is no motor attached to the boat.

There does not appear to be any petroleum sheen at either location.

Please let me know if you have additional questions.

Kris

## **Waterford Township**

### **2023-2025 Good Housekeeping/Pollution Prevention Summary**

#### Good Housekeeping/Pollution Prevention Training

- 3 staff received in-person Good Housekeeping, Pollution Prevention, and IDEP Training on 2/26/25.
- DLZ attended refresher training in 2018 and 2021.

#### No Haz Event Info

- In 2023, 3,776 people participated and dropped off materials with 14.07% of participants from Waterford Township (the fourth largest in participation for all 14 communities active at the event). Approximately 507,324 pounds of HHW was collected and disposed of.
- In 2024, 3,733 people participated and dropped off materials with 16.3% of participants from Waterford Township (the third largest in participation for all 15 communities active at the event). Approximately 513,065 pounds of HHW was collected and disposed of.

#### Prescription Drug Drop Off Event Info

- In 2024, 360 pounds and 8 ounces of unwanted and discarded medications were collected.

#### Phragmites Management

- Waterford Township continues to work with the Oakland County CISMA to control the spread of Phragmites in the Township and throughout the County. Approximately 1 acre of Phragmites were treated within the Township from 2020-2021. Do you have an update?

#### Progress Toward Meeting Measurable Goals

Below, we've provided progress towards meeting our measurable goals, which were provided in our 2019 permit:

*Municipal Facility & Structural Stormwater Control Inventory* – No new facilities or structural controls were installed during the permit period. A catch basin was repaired in the DPW parking lot in 2024.

*Facility-Specific Stormwater Management* – The Township performs vehicle and equipment maintenance indoors on the Township campus that has an interior floor drain that is tied to the sanitary sewer.

*Structural Stormwater Control Operation & Maintenance Activities* – The Township has oil/water separators on Township campus and at the fire station. They are inspected annually and cleaned out as needed. It was last cleaned out in 2021.

- # of catch basins cleaned annually during the permit period: 0
- # of catch basins inspected during the permit period: 0
- We had 1 catch basin rehabilitated in June 2024 at our DPW complex
- # of tons of salt applied in 2023: 163
- # of tons of salt applied in 2024: 134
- # of tons of salt applied in 2025 to date: 158

*Fuel Storage Area/Tanks* – We have 1 UST at the Township campus and 1 at Fire Station #3. These are inspected by a contractor annually. Our oil/water separators were last cleaned out in 2021.

Cold Weather Operations – Salt is NOT stored on campus.

*Pedestrian Bridge Maintenance* – A pedestrian bridge at Drayton Plains Nature Center is maintained by the Parks and Rec Department.

*Municipal Operations & Maintenance Activities* – Sidewalks are cleaned weekly with campus mowing operations. Parking lots are cleaned annually by F&O staff. All access roads and drive curbs are cleaned of debris, and catch basins are cleaned annually.

The rain garden at the library is currently maintained by the Library Garden Club. The Club meets on the second Wednesday of the month and usually works in the gardens every month, with the exception of December, January, and February. The library just had the rain garden drain repaired in November 2024. A copy of the SEMCOG's *Low Impact Development Manual* is available for developers and contractors if needed.

*Managing Vegetated Properties* – The Township utilizes no-phosphorus fertilizers (contracted out), mows turf at 3", and leaves a buffer along waterways.

*Contractor Requirements & Oversight* – All contractors involved in landscaping must agree to abide by contractual requirements regarding clippings and applications. No new contracts for these services were executed during the reporting period.

#### Program Effectiveness Evaluation

We are continuing to make great progress this permit period through via website, ENewsletters, and Facebook, developer/contractor information, and operations and maintenance.

# GOOD HOUSEKEEPING, POLLUTION PREVENTION & ILLICIT DISCHARGE ELIMINATION TRAINING

**Wednesday, February 26, 2025  
1pm – 2:30pm**

**(refreshments will be provided)**

**Waterford Township DPW Conference Room  
5240 Civic Center Drive  
Waterford, MI 48329**

**Administered by: Laura Gruzowski, DLZ Certified Storm Water Operator**

## **TRAINING TOPICS:**

- Storm Water Quality Awareness
- Proper Chemicals & Oils Storage & Handling
- Salt & Materials Storage & Applications
- Vehicle & Equipment Washing
- Fuel Storage Area Management
- Catch Basin Cleaning & Inspecting
- Parking Lot Sweeping
- Wastes Disposal
- Turf Management
- Detention Basin Maintenance
- Outfall/Discharge Point Monitoring & Inspections
- Identifying & Reporting Illicit Discharges/Connections
- Spills Procedures & Reporting

## **WHO SHOULD ATTEND:**

- Grounds & Fleet Maintenance Staff
- Sewer & Streets Maintenance Staff
- Parks & Recreation/Turf Management Staff

**Waterford Township**  
**2023-2025 Post-Construction Controls / Construction Summary**

*Number of Plan Reviews from 2023-2025: 95 in 2023; 100 in 2024*

*Number of Township-Owned PCC BMPs installed in 2023-2025: None*

SESC Program Updates

*Number of SESC permits issued in 2023-2025: 100. There were no SESC issues from 2023-2025.*

The WRC's *New Homeowners Guide to Soil Erosion Control* pamphlet was made available at the Township Building & Engineering Department counter. To date, 10 copies have been picked up.

The WRC's *Oakland County's 24-Hour Pollution Hotline* pamphlet was made available at the Township Building & Engineering Department counter. To date, 12 copies have been picked up.

PCC Updates

Township Board of Trustees adopted by reference the Stormwater Engineering Design Standards set forth by the Oakland County Water Resources Commissioner's Office at the January 22, 2024, meeting.

Prohibition on Illegal Discharges added to Wellhead Protection Ordinance on March 26, 2024, Board of Trustees meeting.

Progress Toward Meeting Measurable Goals & Program Effectiveness Evaluation

Below, we've provided progress towards meeting our measurable goals, which were provided in our MS4 permit:

*Facility changes: None*

We installed a rain garden at the library, and it is currently maintained by Township volunteers. A copy of the SEMCOG's *Low Impact Development Manual* is available for developers and contractors if needed. The rain garden at the library is currently maintained by the Library Garden Club. The Club meets on the second Wednesday of the month and usually works in the gardens every month, with the exception of December, January, and February. The library just had the rain garden drain repaired in November 2024. A copy of the SEMCOG's *Low Impact Development Manual* is available for developers and contractors if needed.

## Waterford Township TMDL Summary 2023-2025

The following Total Maximum Daily Loads (TMDLs) apply to Waterford Township:

- Kent Lake Total Phosphorus TMDL
- Strawberry Lake Total Phosphorus TMDL
- Statewide *E. coli* TMDL

The known sources of pathogens in the subwatershed include stormwater runoff from urban areas, illicit discharges and connections into the storm sewer system, sanitary sewer and combined sewer overflows, other wastewater treatment issues (e.g., septic systems). Suspected sources of pathogens include wildlife, pet waste, and possible sediment resuspension related to altered hydrology.

A known source of *E. coli* on the Civic Center complex is waterfowl fecal matter. Throughout the year, we have waterfowl populations in and around the pond. It should be noted that fishing and wading is NOT allowed at the pond.

TP TMDL Priorities – The Township has identified and prioritized the following ongoing and future activities to address TMDL pollutants for Total Phosphorus:

- 1) The following information is posted on the Township website:
  - Stormwater runoff
  - Lawn care
  - Pet care
- 2) The following information is periodically posted in monthly newsletters:
  - Earth Day Cleanup
  - Yard waste
- 3) The Township will conduct wet weather monitoring and sampling (for Total Phosphorus) at all 3 outfall locations within the Township in 2025.

*E. coli* TMDL Priorities – The Township has identified and prioritized the following ongoing and future activities to address TMDL pollutants for *E. coli*:

- 1) The Township utilizes *Goosebusters*, a company that releases dogs, several times a week throughout the Spring, Summer, and Fall, to deter waterfowl along the retention pond at the Civic Center property.
- 2) The Township has ‘No Feeding’ signage along the pond to further deter the waterfowl populations at the pond.
- 3) Cattails are installed in a handful of spots along the pond as well, which can deter waterfowl.
- 4) The following information is posted on the Township website:
  - Stormwater runoff
  - Goose management
  - Septic systems

- Reporting an environmental concern

5) 24 Pet Waste Collection Stations throughout the Township (private and public areas)

6) The Township conducted wet weather sampling for *E. coli* at all 3 outfall locations within the Township in summer of 2024. All outfall locations were returned with counts below 300 cfu/100ml and therefore do not exceed any Statewide standards. Wet weather investigations and sampling will be conducted again in 2026.

Wet weather samples were be collected during a representative rain event (i.e., >0.25" and <1.5") over a 24-hour period and within 30-60 minutes of the start of the wet weather event in order to capture first flush.
