## Summer Ball Head Coach and Assistant Coach Requirements

### **Background Checks**

Each **head coach and assistant coach** is required to submit a background check every year now. If you are unaware if you need a background check, please email me and I can inform you if your last one has expired or not (jokaiye@waterfordmi.gov). This is a new company that we are working with and eliminates the form that has been filled out in the past. We will not be able to see your Social Security number anymore and there will be no more paper trail, so this is much more secure! Here is the link (this will only take two minutes):

<https://waterfordparksandrecreation.quickapp.pro/>

### **Concussion Training**

Under state law, each **coach and assistant coach** is required to go through concussion training one time in their life. The link provided will bring you to the training video. This training will last about 45 minutes (again, you only have to do this once!). Once you have completed the training please take a screen shot of the certificate or save it as an Image/PDF and email it back to me. We keep all certificates on record. If you are unsure if you have completed this training please email me and I can let you know if you have completed it or not.

<https://www.cdc.gov/headsup/youthsports/training/>

### **Volunteer Agreement Form**

Each **head coach and assistant coach** is required to submit a volunteer agreement form. The agreement form is included on the last page of this packet. The agreement must be signed and returned before any practices start.

# TIPS AND REMINDERS FOR SUMMER BALL COACHES

- 1. CONTACT PLAYERS ON ROSTER** – Please do so as soon as you receive your team roster. **Parents were told that they should be contacted by their coach by 5/25/26.** Tell them who you are and give them your phone number. Tell them when and where you will be having practice. Ask if they have any sponsor ideas and verify t-shirt sizes. Doing these things on the first phone or email call saves you time and calls as well as the office.
- 2. END OF SEASON AWARDS/TROPHIES** – The Parks and Recreation Department does not provide players with end of season awards/trophies. If you as the coach would like to purchase a trophy for each player on your team feel free to do so. Some sponsors will even cover this cost too. Another option would be to check with each parent on the team and see if they will pay for their child's trophy, then you can order them for the players and collect money from the parents.
- 3. NOTIFY PARENTS OF PROBLEM SOLVING STRATEGIES** – Let parents know to call Waterford Parks & Recreation if they have any problems. They should also call and let you know of any problems. We cannot resolve problems if we do not know about them.
- 4. PICK-UP EQUIPMENT** – When you pick up equipment check it over before you leave to make sure you have all the things you need. Keep track of the equipment throughout the season. Other coaches may mistake it for theirs and when the time comes to turn it in, you may be missing equipment.
- 5. ARRANGE PLACE AND TIME FOR PRACTICE – NO PRACTICE PERMITS ARE ISSUED TO TEAMS IN OUR SUMMER BALL LEAGUE.** Due to the large number of summer softball teams that participate in various leagues through the Parks and Recreation Department there aren't enough fields to give each team a practice permit. Therefore, we do not issue permits to Parks and Recreation teams for regular practices through the summer months. Please keep in mind that you may run into teams that do have field permits (Girls fast pitch teams). These permits take precedence and if you should encounter a team with one you will need to relocate. Waterford Parks and Recreation also rents fields out to private local leagues. You may practice at a local park in a grassy area, practice with another team or see if you can find an open field (limited availability). The fields are first come, first serve.
- 6. SOLICIT PARENT VOLUNTEERS (FOR HELP AT GAMES)** – Have your parents rotate to help you out during games. What could these parents help out with? Here are some ideas: 1) Getting the kids lined up in batting order. 2) Keeping track of who's up to bat next. 3) Telling players their fielding position. You may have a parent that would like to become your assistant coach and help you out at practices or games – this parent will need to first complete a Background Check through the Parks & Recreation Department. You can refer him/her to contact our office to do so.
- 7. DESIGNATE PARENTS TO BRING AFTER-GAME SNACK/DRINK** – It's a good idea to assign parents to a date(s) that they will need to bring a snack/drink for the players after the game. Make a list of who brings the snack/drink to each game. Make copies of the list and pass it out at the first game or at one of the practices before the season. If a

parent can't do it on their assigned day, encourage them to swap with another parent. There are trash barrels at each game location so please be sure to leave the field clean for the next team.

## **VOLUNTEER COACHES AGREEMENT FOR YOUTH SPORTS**

All coaches affiliated with Waterford Township Parks and Recreation Department programs must be familiar with and adhere to the rules, regulations and philosophy established in each individual sports manager manual.

As a volunteer coach, **I AGREE TO:**

- Treat each player, opposing coach, official, parent and league administrator with respect and dignity.
- Do my best to learn the fundamental skills, teaching and evaluation techniques, and strategies of my sport.
- Become thoroughly familiar with the rules of my sport.
- Become familiar with the objectives of the youth sports program with which I coach, and I will assist them in every way to conduct fair and impartial competitive contests.
- Uphold the authority of officials who are assigned to the contests in which I coach, and I will assist them in every way to conduct fair and impartial competitive contests.
- Learn the strengths and weaknesses of my players so that I might place them into situations where they have a maximum opportunity to achieve success.
- Conduct my practices and games so that all players have an opportunity to safely improve their skill level through active participation.
- Communicate to my players and their parents the right and responsibilities of individuals on my team.
- Cooperate with the administrators of our organization in the enforcement of rules, regulations and program philosophy, and I will report any irregularities that violated sound competitive or ethical practices or situations which may be deemed questionable or not in the best interest of the participants.
- Protect the health and safety of my players by insisting that all of the activities under my control are conducted for their psychological and physiological welfare, rather than for the vicarious interests of adults. I will report all injuries to parents and administrators as required.
- Have two adults present at all practice sessions.
- To complete all forms required.
- Return all equipment provided at the end of the season and report any defective equipment immediately.
