January 7, 2020

****FOR IMMEDIATE RELEASE****

THE WATERFORD POLICE DEPARTMENT CONTINUES HIRING INITIATIVE

Over the past three years the Waterford Police Department has hired thirty (30) Police Officers. This has been the result of filling vacancies created by promotions and retirements, and most recently hiring nine new full-time Police Officers, made possible by a 2018 voter approved special assessment district.

We are in the process of hiring five (5) more full-time Police Officers and anticipate filling several more vacancies in the first half of 2020.

Our department is excited about this infusion of new personnel. We have worked very hard to identify high character, motivated, passionate people who are interested in more than a job; they want a law enforcement career and take pride in performing at a high level.

With training and experience we expect to see many of these new Officers advance into all areas of our organization including investigations, narcotics, K9, and other special assignments.

As we continue with this hiring initiative, we are once again accepting applications from qualified candidates. For information regarding qualifications or to apply, visit waterfordmi.gov and click job openings or call Human Resources at 248-674-6252.

Sincerely,
Scott Underwood
Chief of Police

“to protect and to serve”
