**3. TYPE OF JOB**

Single Family:	New	Addition	Alteration	Pre-Manufactured Home Setup
Commercial:	New	Addition	Alteration	Special Inspection

**4. PLUMBING PERMIT INFORMATION**

Electrical Permit fees for new residential single family homes and condominium units shall be at a flat fee based on the total area of the structure. This fee shall cover all electrical installations within the structure. Fees for additions, alterations, accessory structures and all commercial construction have a base fee plus itemized charges for specific work being performed. An Electrical Permit is valid for a period of one year from the date of issuance. Applicant may request one six-month extension upon payment of the Electrical Permit Extension fee. Requests for inspections of partially completed work require payment of a Special Inspection Fee. Any re-inspection fees assessed against an Electrical Permit must be paid prior to scheduling subsequent inspections.

**Cancellations and Refunds:**

Base permit fees are non-refundable.	
Permits cancelled within 3 months of issue with no work or inspections performed	80%
Permits cancelled within 6 months of issue with no work or inspections performed	50%
Permits cancelled within 1 year of issue with no work or inspections performed	25%
Permits cancelled after 1 year of issue with no work or inspections performed	0%
Permits cancelled after work has commenced or inspections performed	0%

**5. APPLICANT SIGNATURE**

**Section 23a of the State Construction Code Act of 1972, 1972PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of the state relating to persons who are to perform work on a residential building or residential structure. Violators of Section 23a are subject to civil fines.**

Placing a check in the box serves two purposes: (1) The person filing this application is the actual applicant. (2) The person filing this application understands and agrees to the above provisions.	Date
