4. ELECTRICAL PERMIT INFORMATION

Electrical Permit fees for new residential single family homes and condominium units shall be at a flat fee based on the total area of the structure. This fee shall cover all electrical installations within the structure. Fees for additions, alterations, accessory structures and all commercial construction have a base fee plus itemized charges for specific work being performed. An Electrical Permit is valid for a period of one year from the date of issuance. Applicant may request one six-month extension upon payment of the Electrical Permit Extension fee. Requests for inspections of partially completed work require payment of a Special Inspection Fee. Any re-inspection fees assessed against an Electrical Permit must be paid prior to scheduling subsequent inspections.

Cancellations and Refunds:

Base permit fees are non-refundable.
