The Water & Sewer Permits shall be granted on the express condition that the owner for whose benefit the connection is made shall in behalf of himself, his heirs or assigns, hold the Township of Waterford not liable for any damage that may in any way result or be occasioned by the making of any such connection. Provided further, that such permits shall not be granted until the applicant shall have paid the required fees. Such permits shall be filed in the Water & Sewer Department office within five (5) days after the completion of the work, and shall be accompanied by a correct return, signed by the Licensed Sewer Builder, showing the number of feet of pipe laid and fixtures drained, together with such other information as may be required to make a complete record of the work. ****The connection authorized by this Permit can be made only by a person or firm licensed by the Waterford Township Board.****
