MEDICAL MARIHUANA FACILITY LICENSING ORDINANCE

An Ordinance to amend Article III in Chapter 10 of the Waterford Charter Township Code to add a new Division 12 to allow and provide for the licensing and regulation of medical marihuana facilities in the Township and to provide penalties and sanctions for violations of this Ordinance and licenses issued under it.

THE CHARTER TOWNSHIP OF WATERFORD ORDAINS:

Section 1 of Ordinance

The Waterford Charter Township Code is amended by adding Sections 10-291 through 10-309 in a new Division 12, Medical Marihuana Facilities, in Article III, Business Licensing, of Chapter 10, Business Regulations, Licensing and Registration to read as follows:

Division 12. Medical Marihuana Facilities

Sec. 10-291. Title.

This Division shall be known and cited as the "Medical Marihuana Facility Licensing Ordinance."

Sec. 10-292. Purpose.

The purpose of this Ordinance is to exercise the Township's authority under the Medical Marihuana Facilities Licensing Act, Michigan Public Act 281 of 2016, as amended, to adopt an ordinance to authorize, limit the number of, locally license, and regulate medical marihuana facilities in the Township in a manner that protects the public health, safety, and welfare of the Township and its residents and property owners by:

- (a) Requiring comprehensive information from all applicants for Township licenses and establishing criteria under which license applications will be reviewed.
- (b) Restricting approval and issuance of licenses to applicants with a demonstrated commitment to the Township and in operating a facility in compliance with this and other ordinances, the license, and all other applicable laws, licenses, permits, and approvals.
- (c) Requiring compliance with applicable state laws and licenses as Township license conditions.
- (d) To the extent allowed by law, establishing additional regulations that are not in state laws and licenses.
- (e) Establishing reasonable limitations on operations related to odor, visibility, hours, safety, security, and other aspects of licensed facilities.
- (f) Protecting residential and other sensitive areas and uses in the Township by restricting the number and location of licensed facilities and establishing minimum requirements for licensing and standards for operations.

- (g) Requiring application and annual fees to help defray administrative and enforcement cost associated with the licensing and operation of facilities.
- (h) Establishing penalties and sanctions for ordinance or license violations.

Sec. 10-293. Legislative Intent.

- (a) The intent in adopting this Ordinance is to authorize a limited number of facilities to be licensed in the Township to provide safe and more conveniently available medical marihuana for Township residents that are qualifying patients or primary caregivers while attempting to minimize the negative impacts on public health, safety, welfare, and community resources from the growing, processing, transportation/storage, testing, and purchase/sale of medical marihuana by licensed facilities.
- (b) The intent in requiring facilities to have a Township license in addition to a state license and establishing local regulations in addition to state regulations is to recognize and address local impacts on the Township, its residents, and property owners from the commercialization of medical marihuana, and protect the public over medical marihuana facility interests, which shall at all times be subordinate to the interests of the Township and public it serves.
- (c) As with any Township business license, a license issued under this Ordinance is a revocable privilege and there is no intention to confer a property right to operate, or obtain or retain a license to operate, a medical marihuana facility in the Township.
- (d) This Ordinance and any licenses issued under it are not intended to and do not provide any protection or exemption from federal law, under which marihuana is an illegal controlled substance, and the Township and its officials, employees, and agents shall not be construed as approving, encouraging, aiding or abetting the violation of that or any other marihuana related law based on actions and decisions under this Ordinance.
- (e) Considering (i) the large number of anticipated license applicants for the limited number of facilities authorized, (ii) an objective of promptly having those facilities available to serve qualifying patients and primary caregivers in the Township, (iii) the importance of those facilities being opened, operated, and continued as contributing members of the Township's local business community, and (iv) the anticipated varying degrees of financial resources and background, ties, and involvement with the Township and the residents and community it serves of license applicants, the license application and review criteria in this Ordinance are intended to identify and favorably consider applicants with the demonstrated ability to promptly open and permanently operate a proposed facility in a safe, responsible, professional, and civic minded manner that will contribute to, support, and have a positive effect on the health, safety, and welfare of the public in the Township including its residents, property and business owners, and civic, community, and charitable organizations and causes.
- (f) The authorization of the limited number of facilities that may be licensed under this Ordinance is not intended and shall not be construed as a commitment, agreement, or obligation by the Township to approve licenses for all or any of those facilities. The intention is that any decision to approve or deny a license application that is not required to be denied for reasons specified in this Ordinance shall be in the sole and absolute

discretion of the Township Board of Trustees exercised in accordance with the specified license application review criteria and substantial, material, and competent evidence in the record.
