Dear Ms. Markee:

My name is David Zuehlke. I am currently chairman of the Waterford Township Zoning Board of Appeals.

I would like to file an application for a license to establish a medical marijuana facility. Before doing so I would need to know if my position as ZBA chairman would prohibit me from getting a license. I realize there is a limited number available, however, I want to make sure I am following all the rules.

Thanks,

David W. Zuehlke

TOWNSHIP RESPONSE

In relevant part, Section 10-303(d) of the Medical Marihuana Facility Licensing Ordinance, which is based on MCL 333.27402(f) in the Medical Marihuana Facility Licensing Act, says:

"(d) If any of the following circumstances exist, an application shall be denied without consideration of the license application review criteria in Section 10-304:

(9) Any Applicant holds an elective office of a governmental unit of this state, another state, or the federal government; is a member of or employed by a regulatory body of a governmental unit in this state, another state, or the federal government; or is employed by a governmental unit of this state."

Since the Township Zoning Board of Appeals is a regulatory body of the Township, which is a governmental unit of the State of Michigan, your membership on the Zoning Board of Appeals would prevent you from obtaining a Township medical marihuana facility license.
