

Waterford Beautification Committee Completes First Gateway Sign

It takes a whole village to raise a sign!

The Waterford Beautification Committee thanks YOU for your support and patience as we work together to beautify our corridors one block at a time. As many of you know (and for those who don't) the "Adopt a Planter" program is one of the primary programs that supports our initiative to improve and enhance the beauty of Waterford Township. We understand the importance of creating an attractive community. **It is a FACT that eye appealing corridors and neighborhoods attract new businesses and people contributing to the sustainability and growth of a community!** The beautification committee is dedicated to this initiative and appreciates the support received.

There is no doubt that projects such as these take a wealth of individuals working together. We thank the **Waterford EDC** for their generosity of "matching funds." We also thank **Tany Nagy** of **Pulse Design** and **Colleen Murphy** of **Murphy & Associates** for their expertise in designing the sign and the invaluable volunteer assistance of **Doug Bradley and Larry Lockwood**.

Carolyn McFawn of **Select Underwriters** and committee chair says, "This gateway sign is a culmination of several years of penny collecting from all of our planter and fundraising projects. We thank all of you who have supported our beautification efforts and are actively seeking volunteers to assist in our enhancement efforts."

The gateway sign will be dedicated to the Charter Township of Waterford on behalf of the Waterford Beautification Committee.

One hundred percent of the proceeds from the planter program and other fundraisers go to beautification. It is a challenge in a community that is primarily developed, but there are so many enhancement projects that can be done if spearheaded by a collective group of creative thinkers and grassroots effort. We are open to suggestions and welcome any help from our diverse membership!

Again, we thank the beautification committee and all of those who have been supporting this program. We hope you will continue and even more of you will come on board. For more information contact the chamber office at **248-666-8600** or Carolyn McFawn at **248-698-7600**.

Watch your mail for this year's "Adopt-A-Planter" registration form!

March Perking UP - Michigan Chiropractic Specialists

About Michigan Chiropractic Specialists of Waterford...

Left to right: Katrina Young, Maria Vasquez, Adam Apfelblat and Patti Klecic

We are very excited about our latest piece of equipment; the Kennedy Neural Flex Spinal Decompression table for the treatment of disc problems, spinal stenosis and acute neck or low back pain. This is the most advanced table on the market.

At Michigan Chiropractic Specialists of Waterford, P.C. we provide the highest quality chiropractic care in a state-of-the-art facility. With our new location we have the newest, latest equipment for the treatment of spine related pain.

In addition, we have two nationally certified Massage Therapists on staff who provide exceptional professional therapeutic massage at your convenience. We are here to serve you! Not all Chiropractors are the same. Visit us and experience the difference! *Dr. Adam Apfelblat*

On behalf of the chamber, we thank Dr. Apfelblat and his staff for their warm welcome and outstanding hospitality. Michigan Chiropractic is located at **5140 Highland Road**. For additional information visit them online at **www.michiospecialists.com** or phone **248-618-3467**.
