

Brick Placement

All ordered bricks will be placed at the memorial on a first come first serve basis.

Bricks will not be laid during the months of November through April, due to frost, and will be stored inside until the spring.

Once installed you will be notified by phone or email.

Bricks will be installed around the perimeter of the memorial and along the sidewalk leading up to the memorial.

You may choose a 4 x 8 or an 8 x 8 brick. The 8 x 8 brick will include the logo of the branch your veteran served.

See inside for details.

Waterford Township Veterans Memorial

Honor Your Waterford Veteran Today

A committee of volunteers chose a design for a Veterans Memorial which has been constructed in Waterford Township located at the back of Crescent Hills Cemetery off Crescent Lake Rd. The memorial honors all honorably discharged veterans and the military branches in which they served. No tax dollars have been used in the construction of the memorial. This project is totally supported by community donations and maintained by Waterford Township.

In an effort to keep up the appearance of the Memorial, the township has reinstated the Veteran Memorial Brick Project. It's a perfect way to honor a Waterford veteran.

One can order a brick with the veteran's name, rank/branch of service and if you choose the conflict in which the veteran served. It will be placed at the memorial with others as a lasting reminder of our veterans' service to us.

The Waterford Veterans Memorial was dedicated on June 4, 2011 and is a beautiful addition to the Civic Center Campus.

Characters for brick– Please write clearly. 4 X 8 in gray space only. 8 X 8 all spaces.

Buyer's Name _____
 Address _____
