Subject: Medical Marihuana Facility License Ordinance Question

Good Afternoon,

My name is Alexandra Page and my contact information is listed below. I acknowledge that this submission and any Township response to it may be posted on the Township's website for Medical Marihuana Facility Licensing.

In regards to Sec. 10-301(b)(3)(h) "References" – what type of references would you like? From whom? Regarding what? In what form?

In regards to Sec. 10-301(b)(3)(f) "Prior dealings and contract with the Township." How is this differentiated from information on other businesses operated in Waterford and presence in Waterford (10-301(b)(3) c, e, g)?

Thank you very much!

Best,

Alexandra S. Page

TOWNSHIP RESPONSES

References would be the names of individuals with a prior or current business relationship with, or information regarding, the Applicant and an address, email address, and/or phone number that the Township may use to contact them. There is no particular form for providing that information.

Section 10-301(b)(3)f, is limited to information regarding prior dealings or contracts with the Charter Township of Waterford, which an Applicant may or may not have had. The information required by subsections c, e, and g of Section 10-301(b)(3) is broader in scope, with subsections c and e not limited to the Charter Township of Waterford.
