**Subject:** RE: Distance between medical marijuana use

Dear Ms. Schmidt,

In answer to your question below, there is nothing to prohibit a marijuana use from going next to another marijuana use. There is no required minimum distance.

Thank you for your interest.

Sincerely,

Kim

**Subject:** Distance between medical marijuana use

Is there anything that prohibits a marijuana use from going next to another marijuana use? Is there a certain distance that has to be between 2 properties for them both to have a marijuana use?
