April 12, 2021 was the deadline for Provisioning and Grower Facility Applications. You may still apply for the following licenses:

- Processor
- Safety Compliance Facility
- Secure Transporter

This answer will be posted to the Township's website for all to view.

Thank you for your interest, and have a wonderful Waterford day!

Subject: Marijuana licenses

Hello Kimberly,
Was the May 10th date a deadline or
Can I still apply for a provisioning or grow center license?
Thank you
Thair Asmar
